WHAT I LOVE ABOUT MY HOME

- I enjoy sitting outside under the covered back porch to birdwatch in the spring, or in the winter with a wood burning fire pit to hangout or watch football games on the outside TV.
- I love the covered BBQ pit/gas grill area.
- My home has always felt warm and inviting, comfortable and cozy.
- My 3mm granite countertops throughout the house
- My functional kitchen and quaint breakfast area
- The soothing interior wall color
- The beautiful pecan tree in the front yard
- The recessed lighting
- I love the beautiful 14 acre park that was just built across from Bridgestone West, its amazing!
- My St Augustine grass!! 😊
