Water/Wastewater Projects

The 2024 Bond Proposition B, authorizing \$30 mil for water and wastewater facility improvements, was passed on November 5, 2024.

- Decommissions and demolishes Bellaire wastewater treatment plant
- Redirects Bellaire's wastewater to the City of Houston wastewater treatment plant
- Relocates and replaces Bellaire lift station
- Supports Cypress Ditch drainage improvements by repurposing City land for stormwater detention and added greenspace

12/9/2024 - [Bellaire City Council Special Session to discuss the Wastewater Treatment Plant and lift stations.](#)
