

*Things I have enjoyed most about my home.*

*146 Saddle Drive, Houston, TX 77065*

- *Quiet, peaceful neighborhood. My favorite thing to do would be to sit on my back patio and have coffee (or wine) and watch the numerous birds play on the bird feeder.*
- *The open floor plan and spacious layout of our home. I enjoyed that the bedroom and bathroom at the front of the home allowed us to have guests that completely had their own space.*
- *The kitchen! All the cabinets (amazing!) and the 5-burner gas stove made cooking a dream!*
- *The community pool directly behind our home made it feel like we had our own private pool without the cost and headache of maintenance.*
- *Gated community gave me a sense of security*
- *Friendly neighbors*
- *The fact that our neighborhood was across the street from the HOV lane and directly off of 290 was absolutely key to our living there. I used the HOV lane regularly when traveling to and from work in the River Oaks area. This was a game changer for us with the horrible Houston traffic.*
