## What is loved about Shady Oaks

The City of Stagecoach is nestled in a beautifully wooded area of pines and oaks between Tomball and Magnolia. The quiet woods are full of deer, squirrels, raccoons, possums and birds. Stagecoach is located in the southwest corner of Montgomery County, approximately 40 miles northwest of downtown Houston and 30 miles southwest of Conroe.

11 acre Lake Apache that is stocked with fish

The Alder wood that is every room of the house

The quartzite countertops

The huge pantry

The 40 acre lake a couple of streets over

The police of Stagecoach

The close knit community

The outdoor living space to sit and watch the night stars

The large Primary closet

The outdoor kitchen

Being surrounded by trees

The 3 wide driveway.

The pot filler

The huge kitchen island

The home- it's a great place to get together!
