

Meet the Sellers!

Thank you for touring our home. Here is some information that we felt might help you in your decision-making process.

- 1** Why did you decide to buy this home for yourself?
This was our first home in Houston. It is tucked into a quiet neighborhood near the med center where we both worked. It has a layout perfect for entertaining and provides a great means to get to know the city.
- 2** What do you think are the best features of your home?
The layout is excellent, particularly the second floor. There is a ton of space to cook and entertain, which we love to do. We also love having the attached garage for convenience and for additional storage.
- 3** Please tell me about your neighborhood.
This has been a great neighborhood for us. It is active with runners and dog walkers. It is a really quiet area adjacent to a very active part of the city. There is a walking trail to take you into downtown quickly. We also have a neighborhood bar just 2 blocks over where we love to play trivia.
- 4** What are your favorite places for recreation, shopping and dining nearby?
EADO is a wonderful place for restaurants and a great evening out. We love walking down to Edough for a pastry and tea and Rodeo Goat for a delicious burger, having date nights at Roots and Nancy's Hustle, and going to sporting events with friends (Dynamo and Dash are our favorites). There is also access to concerts at Discovery Green and downtown. We also love that there is a Kroger and CVS just a few blocks away, which makes shopping for groceries very convenient.
