

**Property: 1503 Harold St., Houston, TX 77006**

**Owner Interview**

**Why did you decide to buy this home?**

We fell in love with the natural light and how unassuming the size of the house was from the street. I loved the big master bedroom and how connected it all felt to the rest of the house.

**What are, in your opinion, the best features of the home?** The natural light, big master bedroom, bigger than normal yard for a townhouse, and it's never flooded!

**Why do you like most about the area?** The proximity of shopping, restaurants and bars. We love being in walking distance to a very lively part of Houston.

**Are there any places nearby you would recommend (parks, restaurants, stores, coffee?)** A ton! Hyde Park, Menil, Rothko Chapel, Hugo's, Rosie Cannonball, Marigold Club, Midtown Veterinary Hospital, Poison Girl, Anvil
