

WHAT WE LOVED ABOUT LIVING HERE!!!

1. Walking Trails - there is a giant walking trail around the pond that is the perfect length for exercise and has great scenery.
2. Neighborhood - The neighbors were very friendly. Lots of people were around on the weekends and it was very inviting.
3. Cleanliness - The neighborhood was always kept very clean. Yards were mowed, cans were hidden and it was a very pleasant place to live!
4. Proximity - We were close, but not too close, to everything. 99, Katy, malls, dining, you name it, we could get there in 10-15 mins max
