

D-SQUARE FOUNDATION REPAIR

Serving the Brazosport area for over 30 years

PROPOSAL

January 20, 2026

Inspection Address: 521 Sycamore, Lake Jackson

The following information is based on a visual inspection and is the opinion of D-Square Foundation Repair:

- I. Minor foundation movement noted on rear wall
 - A. Repair is not required for structural concerns at this time
- II. The symptoms and elevations are the same as the previous inspection in 2020 and show good foundation stability

These conclusions are based on a laser level elevation of floors and observations of exterior and interior symptoms.

No guarantees, either specific or implied, are given on the future performance of unrepaired areas of the foundation. D-Square Foundation Repair carries liability and workers compensation insurance. Certificates can be provided upon request.

Thank you for calling D-Square Foundation Repair
