How would you describe the area, and what it's like living here?

Close to grocery stores, mall is only 5 miles away, neighborhood is well maintained, pool, park and surrounding green space for walking are great. Brookwood was a sought-after area when we bought the house and is still lovely and popular now, almost 30 years later.

What has been your favorite thing about living in this community?

Love my wonderful neighbors!

What are your favorite places to eat, shop, visit in the neighborhood?

Johnson Space Center and Armond Bayou Nature Center and U of H Clear Lake are all nearby. Many gyms are close. Tommy's Patio Cafe, Lucho's Mexican, Pho 21 Vietnamese, and Hunan Star about 2 miles away.

What else can you share with future buyers?

We've loved and taken good care of this property. Hope you'll be happy here too!
