

Welcome to luxury living at its finest in the serene neighborhood of Bender's Landing in Spring, Texas. Nestled on an expansive 87,385 square foot lot, 28002 Whispering Maple Way offers an unparalleled blend of sophistication, comfort, and functionality.

Boasting five bedrooms and five baths, this exquisite residence is designed to accommodate the needs of a modern family. The meticulously crafted poured concrete walls ensure durability and stability, while the double-wide driveway and oversized three-car garage provide ample parking space for residents and guests alike.

Step into a world of relaxation and entertainment with the resort-style amenities this home has to offer. A sparkling pool beckons on warm Texas afternoons, providing a refreshing escape from the summer heat. For added convenience and peace of mind, a 36-KW whole home generator stands ready to ensure uninterrupted power supply during any unforeseen outages.

Green thumbs will delight in the presence of a well for irrigation, allowing for lush landscaping and vibrant outdoor spaces year-round. Whether hosting gatherings or enjoying quiet moments of solitude, the 1,739 square foot covered patio serves as the perfect backdrop for outdoor living.

Inside, indulgence continues with an array of dedicated spaces designed to cater to every need and interest. A spacious game room and separate kids' game room offer endless entertainment possibilities, while an exercise room provides a convenient space to prioritize health and wellness.

Those in need of a quiet retreat will appreciate the private study, ideal for remote work or moments of reflection. Throughout the home, attention to detail is evident, with high-end finishes and thoughtful design elements enhancing the overall ambiance.

Experience the epitome of luxury living at 28002 Whispering Maple Way, where every detail has been carefully curated to exceed expectations. Schedule your private tour today and discover the lifestyle you've been dreaming of.
