An Owner, when exercising the right and responsibility of repair, maintenance, replacement, or remodeling, as herein defined, shall never alter in any manner whatsoever the color and exterior appearance of the Improvements located on such Owner's Lot, except by written consent of the Section VII Architectural Control Committee. Each Owner shall, however, have the exclusive right to paint, plaster, panel, tile, wax, paper, or otherwise refinish and decorate the inner surface of the walls, ceilings, floors, windows, and doors within such Owner's structure. In the event an Owner fails to maintain the Improvements located on such Owner's Lot as provided herein in a manner that the Declarant or the Section VII Architectural Control Committee deem necessary to preserve the appearance and value of the Property, the Declarant or the Section VII Architectural Control Committee may notify such Owner of the work required and request that it be done within thirty (30) days from the giving of such notice. In the event such Owner fails to complete such work or maintenance within said period, the Declarant or the Section VII Architectural Control Committee shall so notify the Board, and the Board may (but shall not be obligated to) cause such work to be done and the Owner shall be personally liable to the Association, as the case may be, for the cost of such work. If the Owner fails to pay such cost upon demand, such cost (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one-half percent (1-1/2%) per month) shall be added to the Assessment chargeable to the Owner's Lot(s). Any such amounts added to the Assessments chargeable against a Lot shall be secured by the liens reserved in this Declaration for assessments and may be collected by any means provided in this Declaration for the collection of such assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s). EACH SUCH OWNER SHALL INDEMNIFY AND HOLD HARMLESS THE DECLARANT AND THE ASSOCIATION AND THEIR OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY

ARISE BY REASON OF THE DECLARANT OR THE ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS SECTION 2.18 (INCLUDING ANY COST, FEES, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING OUT OF THE DECLARANT OR THE ASSOCIATION'S NEGLIGENCE IN CONNECTION THEREWITH), EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING BY REASON OF THE DECLARANT OR THE ASSOCIATION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. "GROSS NEGLIGENCE" AS USED HEREIN DOES NOT INCLUDE SIMPLE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.

2.19. Liability of Owners for Damage to Common Area or Special Common Area. No Owner shall in any way alter, modify, add to, or otherwise perform any work whatsoever upon the Common Area or the Special Common Area. The Owner of each Lot shall be liable to the Association (or the Declarant is Declarant is holding title to the Common Area or Special Common Area on behalf of the Association) for all damages to: (i) the Common Area, Special Common Area, or any Improvements constructed thereon; or (ii) to any Improvements constructed upon any Lot, the maintenance of which has been assumed by the Association; which damage is caused by the neglect, misuse or negligence of such Owner or any tenant or other occupant of such Owner's Lot or such Owner's guest or invitee. The full cost of all repairs of such damage shall be an assessment against the Owner's Lot, secured by a lien against the Owner's Lot and collectible in the same manner as provided in this Declaration for the collection of assessments.

2.20. Compliance with the Association Restrictions. Each Owner shall comply strictly with the provisions of the Association Restrictions, as the same may be amended from time to time. Failure to comply with any of the Association Restrictions shall constitute a violation of the Association Restrictions and shall give rise to a cause of action to recover sums due for damages or injunctive relief, or both, maintainable by the Declarant, the Manager or Board on behalf of the Association, or by the Section VII Architectural Control Committee. Without limiting any rights or powers of the Association set out in this Declaration, the Board may (but shall not be obligated to) remedy or attempt to remedy any violation of any of the provisions of the Association Restrictions, and the Owner whose violation has been so remedied shall be personally liable to the Association for all costs and expenses of effecting (or attempting to effect) such remedy. If such Owner fails to pay such costs and expenses upon demand by the Association, such costs and expenses (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one-half percent (1-1/2%) per month) shall be added to the assessment chargeable to the Owner's Lot(s). Any such amounts added to the assessments chargeable against a Lot shall be secured by the liens reserved in this Declaration for assessments and may be collected by any means provided in this Declaration for the collection of assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s). Each such Owner shall indemnify and hold harmless the Association and its officers, directors, employees and agents from any cost, loss, damage, expense, liability, claim or cause of action incurred or that may arise by reason of the Association's acts or activities under this Section 2.20 (including any cost, loss, damage, expense, liability, claim or cause of action arising out of the Association's negligence in connection therewith), except for such cost, loss, damage, expense, liability, claim or cause of action arising by reason of the Association's gross negligence or willful misconduct. "Gross negligence" as used herein does not include simple negligence, contributory negligence or similar negligence short of actual gross negligence.

2.21. Butane and Fuel Tanks. No butane or fuel tank or other structure or facility for the storage of combustible fuel (other than gas grills) shall be placed or maintained on any Lot unless approved in writing by the Section VII Architectural Control Committee.

2.22. No Warranty of Enforceability. Declarant makes no warranty or representation as to the present or future validity or enforceability of any restrictive covenants, terms, or provisions contained in this Declaration. Any Owner acquiring a Lot in reliance on one or more of such restrictive covenants, terms, or provisions shall assume all risks of the validity and enforceability thereof and, by acquiring the Lot, agrees to hold Declarant harmless therefrom.

2.23. Swimming Pools. The Section VII Architectural Control Committee may prohibit the installation of a swimming pool on any Lot. Any swimming pool approved by the Section VII Architectural Control Committee must be enclosed with a fence or other enclosure device completely surrounding the swimming pool which, at a minimum, satisfies all applicable governmental requirements. Nothing in this Section 2.23 is intended or shall be construed to limit or affect an Owner's obligation to comply with any applicable governmental regulations concerning swimming pool enclosure requirements. Above-ground or temporary swimming pools are expressly prohibited.

2.24. No Tennis or Recreational Courts; Playscapes; Basketball Goals. No tennis, recreational or sport courts shall be constructed on any Lot unless expressly approved by the Section VII Architectural Control Committee. The basketball goal backboard must be perpendicular to the street and mounted on a black metal pole permanently installed in the ground. Portable basketball goals are only allowed in the rear of the Lots and shall not be placed, at any time: (i) in or adjacent to any street or right of way located within the subdivision; or (ii) between the street right-of-way and the front of the residence on any Lot in the subdivision. Basketball goals must be properly maintained and painted, with the net in good repair. All basketball goals, whether permanent or portable, must be approved by the Section VII Architectural Control Committee prior to being placed on any Lot.

2.25. Exterior Lighting. All exterior illumination shall be subject to approval of the Section VII Architectural Control Committee. Exterior lighting installed on any Lot shall be limited to lighting which will not cause unnecessary light spill distraction as determined by the Section VII Architectural Control Committee.

2.26. Utility Lines. Unless otherwise approved by the Declarant, no sewer, drainage or utility lines or wires or other devices for the communication or transmission of electric current, power, or signals including telephone, television, microwave or radio signals, shall be constructed, placed or maintained anywhere in or upon any portion of the Property other than within buildings or structures unless the same shall be contained in conduits or cables constructed, placed or maintained underground or concealed in or under buildings or other structures.

2.27. Violation of Association Restrictions. In the event the Association Restrictions are violated by any Owner, its employees, lessees, invitees or licensees, the Declarant, the Section VII Architectural Control Committee, the Board may seek any one or more of the following remedies, in addition to any other remedy or right provided in the Association Restrictions:

- (i) The suspension of an Owner's right to vote in matters pertaining to the Association and to suspend such Owner's right to use any Common Area or Special Common Area;
- (ii) The right to enforce the Association Restrictions (and in connection therewith, to enter upon any Lot or any Improvements constructed thereon or therein, if necessary), and levy an assessment against the Lot for any expense occasioned by such violation;
- (iii) The right to levy fines as a result of such violation as provided in Section 5.10 of this Declaration;
- (iv) The right to seek injunctive or any other relief provided or allowed by law against such violation and to recover from such Owner all its expenses and costs in connection therewith, including, but not limited to, attorneys' fees and court costs. Each day a violation continues shall be deemed a separate violation.

To the extent reasonably practicable, construction debris shall be concealed from any roadway and from adjacent property, by the use of visual screening, and such debris shall be removed promptly and on a regular basis. Upon completion of construction upon any portion of a Lot, all trash, debris, surplus materials, temporary screening barriers, and equipment shall be removed promptly.

2.29. Fences. The materials, design and placement of all fences constructed by an Owner other than the Declarant must be approved in advance of construction by Section VII Architectural Control Committee.

2.30. Landscaping. The Section VII Architectural Control Committee shall be authorized to promulgate rules for the installation of landscaping on any Lot. The Section VII Architectural Control Committee or its assigns shall be entitled to make recommendations with respect to tree disease control, whereupon the Owner or Owners to whom such recommendations are directed shall be obligated to comply with such recommendations, which may include, but not be limited to tree removal and replacement.

ARTICLE III ASSOCIATION

3.01. Organization. The Association has been created to administer the affairs of its Members related to use and enjoyment of the Property, the Common Area, and the Special Common Area. The Association is vested with the powers prescribed by law or set forth in its articles and bylaws or in this Declaration. Declarant shall be under no obligation to administer or finance the Association.

3.02. Membership.

- (i) Any person or entity, upon becoming an Owner, shall automatically become a Member of the Association. Membership shall be appurtenant to and shall run with the ownership of the Lot that qualifies the Owner thereof for membership. - (ii) Every Member shall have a right and easement of enjoyment in and to the Common Area and Special Common Area which shall be appurtenant to and shall pass with the title to such Member's Lot, subject to the following restrictions and reservations:

- (c) the right of the Board to borrow money for the purpose of improving or maintaining the Common Area and the Special Common Area, in aid thereof, to mortgage said Common Area and Special Common Area;
- (d) the right of the Board to make reasonable rules and regulations (which may include the right to levy fines for the breach thereof) regarding the use of the Common Area, Special Common Area, and the facilities located thereon by the Members and other persons entitled to such use; and
- (e) the right of the Board to contract for services with third parties on such terms as the Board may determine to be in the best interest of the Association.

Rules and regulations adopted by the Board pursuant to 3.02(ii)(d) above, may be amended from time to time.

3.03. Voting Rights. The right to cast votes and the number of votes which may be cast for election of members of the Board and on all other matters to be voted on by the Members shall be calculated as follows:

- (i) The Owner of each Lot shall have one (1) vote for each Lot so owned. In no event, except as set forth in Section 3.03(ii) below, shall any Lot be entitled to more than one (1) vote; provided, however, that in the event of the resubdivision of any Lot into two or more Lots, the number of votes to which such Lot is entitled shall be increased as necessary to retain the ratio of one (1) vote for each Lot resulting from such resubdivision. No resubdivision shall be effective, for purposes of the Association Restrictions, unless the same is approved by the appropriate governmental entity in accordance with the requirements of Chapter 212 of the Texas Local Government Code then in effect (or its successor statute), and duly recorded in the Official Public Records of Walker County, Texas. In the event of the consolidation of two (2) or more Lots for purposes of construction of a single residence thereon, voting rights and assessments shall continue to be determined according to the number of original Lots contained in such consolidated Lot. Nothing herein shall be construed as authorization for any resubdivision or consolidation of Lots; such actions are subject to and require the prior approval of the Section VII Architectural Control Committee pursuant to other provisions of this Declaration.
- (ii) In addition to the votes to which Declarant is entitled by reason of Section 3.03(i), for every one (1) vote outstanding in favor of any other person or entity, Declarant shall have four (4) additional votes until such time as Declarant no longer owns any of the Lots.
- (iii) The right of any Owner to vote may be suspended by the Association, acting through the Board, for any period during which any assessment against such Owner's Lot(s) remains past due, or for any period during which such Owner or such Owner's Lot(s) is in violation of the Association Restrictions.

3.04. Powers and Authority of the Association. The Association has the powers of a Texas non-profit corporation subject only to the limitations upon the exercise of such power as are expressly set forth in this Declaration, the Articles and the Bylaws. It shall further have the power to do and perform any and all acts that may be necessary or proper for, or incidental to, the exercise of any of the express powers granted to it by the laws of Texas or by this Declaration. Without in any way limiting the generality of the two preceding sentences, the Association and the Board, acting on behalf of the Association, shall have the power and authority at all times as follows:

(i) Assessments. To levy assessments as provided herein.

(ii) Right of Entry and Enforcement. To enter at any time in an emergency without notice, or in a non-emergency after twenty-four (24) hours written notice, without being liable to any Owner or any other person or entity, upon any Lot or into any Improvement thereon, or to enter at any time without notice onto any Common Area or Special Common Area, for the purpose of enforcing the Association Restrictions or for the purpose of maintaining or repairing any area, Improvement, or other facility to conform to the Association Restrictions. The expense incurred by the Association in connection with the entry upon any Lot and the maintenance and repair work conducted thereon shall be a personal obligation of the Owner of the Lot entered upon, shall be deemed a special Assessment against such Lot, shall be a lien upon the Lot entered upon and Improvements thereon, and shall be enforced in the same manner and to the same extent as provided in Article V hereof for regular and special Assessments. The Association, acting through the Board, shall have the power and authority from time to time, in its own name and on its own behalf, or in the name of and on behalf of any Owner who consents thereto, to commence and maintain actions and suits to enforce, by mandatory injunction or otherwise, or to restrain and enjoin any breach or threatened breach of the Association Restrictions. The Association, acting through the Board, is also authorized to settle claims, enforce liens, and take all such action as it may deem necessary or expedient to enforce the Association Restrictions; provided, however, that the Board shall never be authorized to expend any Association funds for the purpose of bringing suit against Declarant, its successors or assigns. Notwithstanding any provision herein to the contrary, the Association may not alter or demolish any Improvements on any Lot other than Common Area or Special Common Area in enforcing the Association Restrictions before judicial proceedings are instituted by the Association or the written consent of the Owner(s) of the affect Lot(s) has been obtained. Each such Owner shall indemnify and hold harmless the Association, its officers, directors, employees and agents from any cost, loss, damage, expense, liability, claim or cause of action incurred or that may arise by reason of the Association's acts or activities under this Section 3.04(ii) (INCLUDING ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING OUT OF THE ASSOCIATION'S NEGLIGENCE IN CONNECTION THEREWITH), except for such cost, loss, damage, expense, liability, claim or cause of action arising by reason of the Association's gross negligence or willful misconduct. "Gross negligence" as used herein does not include simple negligence, contributory negligence or similar negligence short of actual gross negligence.

(iii) Conveyances. To grant and convey to any person or entity any real property and/or other interest, including fee title, leasehold estates, easements, rights-of-way, or Mortgages, out of, in, on, over, or under any Common Area and Special Common Area for the purpose of constructing, erecting, operating, or maintaining thereon, therein, or thereunder:

- (a) Roads, streets, walks, street lights, driveways, parking lots, trails, paths and fences;
- (b) Lines, cables, wires, conduits, pipelines, or other devices for utility purposes;
- (c) Sewers, water systems, storm water drainage systems, sprinkler systems, and pipelines, or any other water quality features or improvements; or
- (d) Any similar improvements or facilities.

Nothing set forth above, however, shall be construed to permit the use or occupancy of any improvement or other facility in any way that would violate applicable use and occupancy restrictions imposed thereon by the Association Restrictions, or by any governmental authority.

- (iv) Manager. To retain and pay for the services of a Manager to manage and operate the Association to the extent deemed advisable by the Board. Additional personnel may be employed directly by the Association or may be furnished by the Manager. To the extent permitted by law, the Association and the Board may delegate any duties, powers, and functions to the Manager. The Members of the Association hereby release the Association and the members of the Board from liability for any omission or improper exercise by the Manager of any such duty, power, or function so delegated.
- (v) Legal and Accounting Services. To retain and pay for legal and accounting services necessary or proper in the operation of the Association.
- (vi) Common Area and Special Common Area Services. To pay for water, sewer, garbage removal, landscaping, gardening, and all other utilities or services to, and all maintenance of the Common Area or Special Common Area, including, but not limited to, any recreational facilities; to maintain and repair any recreational facilities, easements, roads, roadways, rights-of-way, parkways, median strips, sidewalks, paths, trails, fences, ponds, lakes located within or upon the Common Area or Special Common Area, and to maintain and repair other portions of the Common Area or Special Common Area.
- (vii) Other Services and Properties. To obtain and pay for any other property and services, and to pay any other taxes or Assessments that the Association or the Board is required or permitted to secure or to pay for pursuant to applicable law or under the terms of the Association Restrictions. The Association will have the express authority to enter into a contract with a third party vendor for the provision of routine curbside trash removal at each Lot. The costs incurred by the Association pursuant to such contract will be levied against each Lot and included in the regular Assessments chargeable to such Lot at a rate established by the Board. In addition, the Association is also authorized to enter into contracts for the maintenance of the Lake and the cost of such maintenance will be levied against each Lot and included in the regular Assessments chargeable to such Lot at a rate established by the Board.
- (viii) Construction. To construct new Improvements on or additions to Common Area or the Special Common Area.
- (ix) Contracts; Property Ownership. To enter into contracts with Declarant and with other persons or entities on such terms and provisions as the Board shall determine, and to acquire, own, and dispose of all manner of real and personal property, whether by grant, lease, gift, or otherwise.

3.05. Indemnification. To the fullest extent permitted by applicable law, but without duplication of (and subject to) any rights or benefits arising under the articles or bylaws of the Association, the Association shall indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that such person is or was a director, officer, committee member, employee, servant, or agent of the Association against expenses (including attorney's fees, judgments, fines, and amounts paid in settlement) actually and reasonably incurred by such person in connection with such action, suit or proceeding if it is found and determined by the Board or a court that such person: (i) acted in good faith and in a manner which such person reasonably believed to be in, or not opposed to, the best interests of the Association; or (ii) with respect to any criminal action

or proceeding, had no reasonable cause to believe such conduct was unlawful. The termination of any action, suit, or proceeding by settlement, or upon a plea of Nolo Contendere or its equivalent, shall not of itself create a presumption that the person did not act in good faith or in a manner reasonably believed to be in, or not opposed to, the best interests of the Association, or, with respect to any criminal action or proceeding, had reasonable cause to believe that such conduct was unlawful. The Board may purchase and maintain insurance on behalf of any person who is or was a director, officer, committee member, employee, servant, or agent of the Association, against any liability asserted against such person or incurred by such person in any such capacity, or arising out of the status of such person as such, whether or not the Association would have the power to indemnify such person against such liability hereunder or otherwise.

3.06. Bulk Rate Contracts. Without limitation on the generality of the Association powers set out in Section 3.04 above, the Association shall have the power to enter into Bulk Rate Contracts at any time and from time to time. The Association may enter into Bulk Rate Contracts with any service providers chosen by the Board (including Declarant and/or any entities in which Declarant or the owners or partners of Declarant are owners or participants, directly or indirectly). The Bulk Rate Contracts may be entered into on such terms and provisions as the Board may determine in its sole and absolute discretion. If any Owner fails to pay any charges due by such Owner under the terms of any Bulk Rate Contract, then the Association shall be entitled to collect such charges by exercising the same rights and remedies it would be entitled to exercise under this Declaration with respect to the failure by such Owner to pay Assessments, including without limitation the right to foreclose the lien against such Owner's Lot which is reserved under the terms and provisions of this Declaration. In addition, in the event of nonpayment by any Owner of any charges due under any Bulk Rate Contract and after the lapse of at least twelve (12) days since such charges were due, the Association may, upon five (5) days' prior written notice to such Owner (which may run concurrently with such 12 day period), in addition to all other rights and remedies available at law, equity or otherwise, terminate, in such manner as the Board deems appropriate, any utility service or other service provided at the cost of the Association and not paid for by such Owner (or the occupant of such Owner's) directly to the applicable service or utility provider. Such notice shall consist of a separate mailing or hand delivery at least five (5) days prior to a stated date of termination, with the title "termination notice" or similar language prominently displayed on the notice. The notice shall include the office or street address where the Owner (or the occupant of such Owner's Lot) can make arrangements for payment of the bill and for re-connection or re-institution of service. No utility or cable television service shall be disconnected on a day, or immediately preceding a day, when personnel are not available for the purpose of collection and reconnecting such services.

ARTICLE IV INSURANCE

Each Owner shall be required to purchase and maintain insurance on the improvements located upon such Owner's Lot.

ARTICLE V COVENANT FOR ASSESSMENTS

5.01. Assessments.

- (i) Assessments established by the Board pursuant to the provisions of this Article V shall be levied against each Lot in amounts determined pursuant to Section 5.05 below. The total amount of Assessments shall be determined by the Board pursuant to Section 5.03, 5.03A, and/or 5.04 hereof.
- (ii) Each Assessment together with such interest thereon and costs of collection thereof as hereinafter provided, shall be the personal obligation of the Owner of the Lot against which the Assessment is levied and shall be secured by a lien hereby granted and

conveyed by the Declarant to the Association against each such Lot, and all Improvements thereon (such lien, with respect to any Lot not in existence on the date hereof, shall be deemed granted and conveyed at the time that such Lot is created). The Association may enforce payment of such Assessments in accordance with the provisions of this Article.

5.02. Maintenance Fund. The Board shall establish a maintenance fund into which shall be deposited all monies paid to the Association and from which disbursements shall be made in performing the functions of the Association under this Declaration. The funds of the Association must be used solely for purposes authorized by this Declaration, as it may from time to time be amended.

5.03. Regular Annual Assessments. Prior to the beginning of each fiscal year, the Board shall estimate the expenses to be incurred by the Association during such year in exercising its powers as set forth in this Declaration, Articles, or Bylaws, including, but not limited to, the cost of all maintenance, the cost of administering and enforcing the covenants and restrictions contained herein, and shall estimate the amount needed to maintain a reasonable provision for contingencies and an appropriate replacement reserve, and shall give due consideration to any expected income and any surplus from the prior year's fund. Assessments sufficient to pay such estimated net expenses shall then be levied as herein provided at the level of Assessments set by the Board in its sole and absolute discretion, and the Board's determination shall be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including nonpayment of any individual Assessment, the Association may at any time, and from time to time, levy further Assessments in the same manner as aforesaid. All such regular Assessments shall be due and payable to the Association at the beginning of the fiscal year or during the fiscal year in equal monthly installments on or before the first day of each month, or in such other manner as the Board may designate in its sole and absolute discretion.

5.03A Special Common Area Assessments. Prior to the beginning of each fiscal year, the Board shall prepare a separate budget covering the estimated expenses to be incurred by the Association to maintain, repair, or manage any Special Common Area, and shall estimate the amount needed to maintain reasonable provision for contingencies and an appropriate replacement reserve, and shall give due consideration to any expected income and surplus from the prior year's fund. Special Common Area Assessments sufficient to pay such estimated net expenses shall then be levied as herein provided at the level of Special Common Area Assessments set by the Board in its sole and absolute discretion, and the Board's determination shall be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including non-payment of any individual Special Common Area Assessment, the Association may at any time, and from time to time, levy further Special Common Area Assessments in the same manner as aforesaid. All such Special Common Area Assessments shall be due and payable to the Association at the beginning of the fiscal year or during the fiscal year in equal monthly installments on or before the first day of each month, or in such other manner as the Board may designate in its sole and absolute discretion.

5.04. Special Assessments. In addition to the regular annual Assessments provided for above, the Board may levy special Assessments whenever in the Board's opinion such special Assessments are necessary to enable the Board to carry out the functions of the Association under this Declaration. The amount of any special Assessments shall be at the reasonable discretion of the Board. In addition to the special Assessments authorized above, the Association may, in any fiscal year, levy a special Assessment applicable to that fiscal year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area or Special Common Area. Any special Assessment levied by the Association for the purpose of defraying, in whole or in part, costs of any construction, reconstruction, repair or replacement of capital improvement upon the Common Area shall be levied against all Owners based on Assessment Units. Any special Assessments levied by the Association for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon any Special Common Area shall be levied against all Owners who have been designated as a beneficiary of such Special Common Area and shall be allocated uniformly among such Owners based on Assessment Units.

5.05. Amount of Assessment.

- (i) The Board shall levy Assessments against each "Assessment Unit" (as defined in Section 5.05(ii) below). Assessments levied pursuant to Section 5.03 and 5.04 shall be levied uniformly against each Assessment Unit. Special Common Area Assessments levied pursuant to 5.03A shall be levied uniformly against each Assessment Unit, which has been designated as a beneficiary of the Special Common Area to which such Special Common Area Assessment relates.
- (ii) Each Residential Lot shall constitute one (1) "Assessment Unit."
- (iii) Notwithstanding anything in this Declaration to the contrary, no Assessments shall be levied upon Lots owned by Declarant.

5.06. Late Charges. If any Assessment, whether regular or special, is not paid by the due date applicable thereto, the Owner responsible for the payment thereof may be required by the Board, at the Board's election at any time and from time to time, to pay a late charge in such amount as the Board may designate from time to time, and the late charge (and any reasonable handling costs therefor) shall be a charge upon the Lot(s) owned by such Owner, collectible in the manner as herein provided for collection of Assessments, including foreclosure of the lien against such Lot(s) hereinabove granted; provided, however, such charge shall never exceed the maximum charge permitted under applicable law.

5.07. Owner's Personal Obligation for Payment of Assessments. Assessments levied as provided for herein shall be the personal and individual debt of the Owner of the Lot against which are levied such Assessments. No Owner may exempt himself from liability for such Assessments. In the event of default in the payment of any such Assessment, the Owner of the Lot shall be obligated to pay interest on the amount of the Assessment at the highest rate allowed by applicable usury laws then in effect on the amount of the Assessment from the due date therefor (or if there is no such highest rate, then at the rate of 1 and 1/2% per month), together with all costs and expenses of collection, including reasonable attorneys fees.

5.08. Assessment Lien and Foreclosure. The payment of all sums assessed in the manner provided in this Article is, together with interest as provided in Section 5.07 hereof and all costs of collection, including attorney's fees as herein provided, secured by the continuing Assessment lien granted to the Association pursuant to Section 5.01(ii) above, and shall bind each Lot in the hands of the Owner thereof, and such Owner's heirs, devisees, personal representatives, successors or assigns. The aforesaid lien shall be superior to all other liens and charges against such Lot, except only for tax liens and all sums secured by a first mortgage lien or first deed of trust lien of record, to the extent such lien secures sums borrowed for the acquisition or improvement of the Lot in question, provided such Mortgage was recorded in the Official Public Records of Walker County, Texas before the delinquent Assessment was due. The Association shall have the power to subordinate the aforesaid Assessment lien to any other lien. Such power shall be entirely discretionary with the Board, and such subordination may be signed by an officer of the Association. The Association may, at its option and without prejudice to the priority or enforceability of the Assessment lien granted hereunder, prepare a written notice of Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien and a description of the Lot. Such notice may be signed by one of the officers of the Association and shall be recorded in the Official Public Records of Walker County, Texas. Each Owner, by accepting a deed or ownership interest to a Lot subject to this Declaration shall be deemed conclusively to have granted a power of sale to the Association to secure and enforce the Assessment lien granted hereunder. Such lien for payment of Assessments may be enforced by the non-judicial foreclosure of the defaulting Owner's Lot by the Association in like manner as a real property mortgage with power of sale under Tex. Pro. Code § 51.002. (For such purpose, Robert D. Burton of Travis County, Texas, is hereby designated as trustee for the benefit of the Association, with the Association retaining the power to remove any trustee with or without cause and to appoint a successor trustee without the consent or joinder of any other person.) The Assessment liens and rights to foreclosure thereof shall be in addition to and not in substitution of any other rights and remedies the Association may have by law and under this Declaration, including the rights of the

Association to institute suit against such Owner personally obligated to pay the Assessment and/or for foreclosure of the aforesaid lien judicially. In any foreclosure proceeding, whether judicial or non-judicial, such Owner shall be required to pay the costs, expenses and reasonable attorney's fees incurred. The Association shall have the power to bid (in cash or by credit against the amount secured by the lien) on the property at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. Upon the written request of any Mortgagee, the Association shall report to said Mortgagee any unpaid Assessments remaining unpaid for longer than thirty (30) days after the same are due. The lien hereunder shall not be affected by the sale or transfer of any Lot; except, however, that in the event of foreclosure of any first-lien Mortgage securing indebtedness incurred to acquire such Lot, the lien for any Assessments that were due and payable before the foreclosure sale will be extinguished, provided that past-due Assessments shall be paid out of the proceeds of such foreclosure sale only to the extent that funds are available after the satisfaction of the indebtedness secured by the first lien Mortgage. The provisions of the preceding sentence will not, however, relieve any subsequent Owner (including any Mortgagee or other purchaser at a foreclosure sale) from paying Assessments becoming due and payable after the foreclosure sale. Upon payment of all sums secured by a lien of the type described in this Section 5.08, the Association shall upon the request of the Owner execute a release of lien relating to any lien for which written notice has been filed as provided above, except in circumstances in which the Association has already foreclosed such lien. Such release shall be signed by an officer of the Association. NOTWITHSTANDING ANY PROVISION IN THIS SECTION 5.08 TO THE CONTRARY, THE ASSOCIATION SHALL NOT HAVE THE AUTHORITY TO FORECLOSE ON A LOT FOR NON-PAYMENT OF ASSESSMENTS IF THE ASSESSMENTS CONSIST SOLELY OF FINES.

5.09. Exempt Property. The following area within the Property shall be exempt from the Assessments provided for in this Article:

- (i) All area dedicated and accepted by public authority, by the recordation of an appropriate document in the Official Public Records of Walker County, Texas; and
- (ii) The Common Area and the Special Common Area; and
- (iii) Any Property owned by the Declarant.

5.10. Fines and Damages Assessment. The Board may assess fines against an Owner for violations of any restriction set forth in this Declaration, or any rules adopted by the Section VII Architectural Control Committee pursuant to this Declaration, which have been committed by an Owner, an occupant of the Owner's, or the Owner or occupant's family, guests, employees, contractors, agents or invitees. Any fine and/or charge for damage levied in accordance with this Section 5.10 shall be considered an Assessment pursuant to this Declaration. Each day of violation may be considered a separate violation if the violation continues after written notice to the Owner. The Board may assess damage charges against an Owner for pecuniary loss to the Association from property damage or destruction of Common Area or Special Common Area or any facilities located thereon by the Owner or the Owner's family, guests, agents, occupants, or tenants. The Association manager shall have authority to send notices to alleged violators, informing them of their violations and asking them to comply with the rules and/or informing them of potential or probable fines or damage assessments. The Board may from time to time adopt a schedule of fines.

The procedure for assessment of fines and damage charges shall be as follows:

- (i) the Association, acting through an officer, Board member or managing agent, must give the Owner notice of the fine or damage charge not later than thirty (30) days after the assessment of the fine or damage charge by the Board;
- (ii) the notice of the fine or damage charge must describe the violation or damage;

- (iii) the notice of the fine or damage charge must state the amount of the fine or damage charge;
- (iv) the notice of a fine or damage charge must state that the Owner may, not later than thirty (30) days after the date of the notice, request a hearing before the Board to contest the fine or damage charge; and
- (v) the notice of a fine must allow the Owner a reasonable time, by a specified date, to cure the violation and avoid the fine unless the Owner was given notice and a reasonable opportunity to cure a similar violation within the preceding six (6) months.

Fine and/or damage charges are due immediately after the expiration of the thirty (30) day period for requesting a hearing. If a hearing is requested, such fines or damage charges shall be due immediately after the Board's decision at such hearing, assuming that a fine or damage charge of some amount is confirmed by the Board at such hearing.

The payment of each fine and/or damage charge levied by the Board against the Owner of a Lot is, together with interest as provided in Section 5.07 hereof and all costs of collection, including attorney's fees as herein provided, secured by the lien granted to the Association pursuant to Section 5.01(ii) of this Declaration. Unless otherwise provided in this Section 5.10, the fine and/or damage charge shall be considered an assessment for the purpose of this Article, and shall be enforced in accordance with the terms and provisions governing the enforcement of assessments pursuant to this Article V.

ARTICLE VI
SECTION VII ARCHITECTURAL CONTROL COMMITTEE

Each Owner acknowledges that Declarant has a substantial interest in ensuring that improvements within the Property maintain and enhance Declarant's reputation as a community developer and do not impair Declarant's ability to market and sell all or any portion of the Property. Until Declarant has delegated its right to appoint and remove all members of the Section VII Architectural Control Committees to the Board as provided in Section 6.02(i) below, the Section VII Architectural Control Committee shall be acting solely in Declarant's interest and shall owe no duty to any other Owner or the Association.

6.01. Construction of Improvements. No Improvement may be erected, placed, constructed, painted, altered, modified or remodeled on any Lot, and no Lot may be re-subdivided or consolidated with other Lots or Property, by anyone other than the Declarant without the prior written approval of the Section VII Architectural Control Committee. No approval from the Section VII Architectural Control Committee shall be required to repaint or restrain the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications.

6.02. Section VII Architectural Control Committee.

- (i) **Composition.** The Section VII Architectural Control Committee shall be composed of three (3) persons (who need not be Members or Owners) appointed as provided below, who shall review Improvements proposed to be made by any Owner other than Declarant. Declarant shall have the right to appoint and remove (with or without cause) all members of the Section VII Architectural Control Committee. Declarant may delegate this right to the Board by written instrument, and thereafter, the Board shall have the right to appoint and remove all members of the Section VII Architectural Control Committee. At the first time at which Declarant owns no Property, the power to appoint and remove members of the Section VII Architectural Control Committee shall automatically be vested in the Board.

(ii) **Submission and Approval of Plans and Specifications.** Two (2) copies of the construction plans and specifications (including but not limited to exterior views, exterior materials, colors and elevation; a drainage plan, a site plan showing the location of any proposed structure or improvement, a utility plan, a landscaping plan, and a driveway construction plan) or, when an Owner desires solely to re-subdivide or consolidate Lots, a proposal in the form required by the Section VII Architectural Control Committee, and any other information or documents that may be required by the Section VII Architectural Control Committee, shall be delivered, together with any review fee which is imposed by the Section VII Architectural Control Committee in accordance with Section 6.02(iii) to the Section VII Architectural Control Committee at the offices of Declarant, at 6000 Greenwood Plaza Blvd., Suite 120, Greenwood Village, CO 80111, attn: Richard C. Jennings, or such other address as may hereafter be designated in writing from time to time, not less than thirty (30) days prior to the date on which the Owner proposes to commence construction or re-subdivision/consolidation. No re-subdivision or consolidation shall be made, nor any Improvement placed or allowed on any Lot, until the plans and specifications therefor and the builder which the Owner intends to use to construct the proposed structure or Improvement have been approved in writing by a majority of the members of the Section VII Architectural Control Committee. The Section VII Architectural Control Committee may, in reviewing such plans and specifications consider any information that it deems proper; including, without limitation, any permits, environmental impact statements or percolation tests that may be required by the Section VII Architectural Control Committee or any other entity; information relating to the question of whether any proposed Improvement would unreasonably obstruct the view from neighboring Lots; and harmony of external design and location in relation to surrounding structures, topography, vegetation, and finished grade elevation. The Section VII Architectural Control Committee may postpone its review of any plans and specifications submitted for approval pending receipt of any information or material which the Section VII Architectural Control Committee, in its sole discretion, may require. Site plans must be approved by the Section VII Architectural Control Committee prior to the clearing of any Lot, or the construction of any Improvements thereon. The Section VII Architectural Control Committee may refuse to approve plans and specifications for proposed Improvements, or for the re-subdivision or consolidation of any Lot on any grounds that, in the sole and absolute discretion of the Section VII Architectural Control Committee, are deemed sufficient, including, but not limited to, purely aesthetic grounds.

(iii) **Adoption of Rules and Regulations.** The Section VII Architectural Control Committee shall have the authority to adopt such procedural and substantive rules and guidelines (including, without limitation, the imposition of any requirements for certificates of compliance or completion relating to any Improvement), not in conflict with this Declaration, as it may deem necessary or appropriate in connection with the performance of its duties hereunder, including rules and guidelines establishing and describing its review procedures, and principles and criteria used in its review. The Section VII Architectural Control Committee may amend or modify or supplement its rules and guidelines from time to time as the Section VII Architectural Control Committee deems advisable. In addition, the Section VII Architectural Control Committee shall have the power and authority to impose fees for the review of plans, specifications and other documents and information submitted to it pursuant to the terms of this Declaration. Such fees shall be held by the Section VII Architectural Control Committee and used to defray the administrative expenses incurred by the Section VII Architectural Control Committee in performing its duties hereunder, provided, however, that any excess funds held by the Section VII Architectural Control Committee shall be distributed to the Association at the end of each calendar year.

- (iv) Actions of the Section VII Architectural Control Committee. The Section VII Architectural Control Committee may, by resolution unanimously adopted in writing, designate one or two of its members, or an agent acting on its behalf, to take any action or perform any duties for and on behalf of the Section VII Architectural Control Committee, except the granting of variances as hereinafter provided. In the absence of such designation, the vote of a majority of all of the members of the Section VII Architectural Control Committee taken at a duly constituted meeting shall constitute an act of the Section VII Architectural Control Committee.
- (v) Failure to Act. In the event that any plans and specifications are submitted to the Section VII Architectural Control Committee as provided herein, and the Section VII Architectural Control Committee shall fail either to approve or reject such plans and specifications for a period of ninety (90) days following such submission, no approval by the Section VII Architectural Control Committee shall be required, and approval of such plans and specifications shall be presumed; provided, however, that such ninety (90) day period shall not begin to run until all information required to be submitted by the Section VII Architectural Control Committee to assist in its review of any plans or specifications has been received by the Section VII Architectural Control Committee. Any failure of the Section VII Architectural Control Committee to act upon a request for a variance hereunder shall not be deemed a consent to such variance, and the Section VII Architectural Control Committee's written approval of all requests for variances shall be expressly required.
- (vi) Variances. The Section VII Architectural Control Committee may grant variances from compliance with any of the provisions of this Declaration, including, but not limited to, restrictions upon height, size, shape, floor areas, land area, placement of structures, setbacks, building envelopes, colors, materials, or land use, when, in the opinion of the Section VII Architectural Control Committee, in its sole and absolute discretion, such variance is justified due to visual or aesthetic considerations or unusual circumstances. All variances must be evidenced in writing and must be signed by at least a majority of the members of the Section VII Architectural Control Committee and the Declarant. If a variance is granted, no violation of the covenants, conditions, or restrictions contained in this Declaration or any supplemental declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such variance shall not operate to waive or amend any of the terms and provisions of this Declaration, or any supplemental declaration, for any purpose except as to the particular property and in the particular instance covered by the variance, and such variance shall not be considered to establish a precedent for any future waiver, modification, or amendment of the terms and provisions hereof.
- (vii) Duration of Approval. The approval of the Section VII Architectural Control Committee of any plans and specifications, whether by action or inaction, and any variances granted by the Section VII Architectural Control Committee shall be valid for a period of ninety (90) days only. If construction in accordance with such plans and specifications or variance is not commenced within such ninety (90)-day period and diligently prosecuted to completion thereafter, the Owner shall be required to resubmit such plans and specifications or request for a variance to the Section VII Architectural Control Committee, and the Section VII Architectural Control Committee shall have the authority to re-evaluate such plans and specifications in accordance with this Section and may, in addition, consider any change in circumstances which may have occurred since the time of the original approval thereof.

(viii) **No Waiver of Future Approvals.** The approval of the Section VII Architectural Control Committee to any plans or specifications for any work done or proposed in connection with any matter requiring the approval or consent of the Section VII Architectural Control Committee shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any plans and specifications on any other matter, subsequently or additionally submitted for approval by the same or a different person, nor shall such approval or consent be deemed to establish a precedent for future approvals by the Section VII Architectural Control Committee.

(ix) **Non-liability of Committee Members.** The review and approval of any plans and specifications pursuant to this Article VI may be made on the basis of aesthetic considerations only. The Declarant, Association, the Board or any committee, or member of any of the foregoing, shall bear no responsibility for ensuring: (i) the structural integrity or soundness of any Improvements; (ii) compliance with building codes and other governmental requirements; (iii) that structures are fit for their intended purpose; (iv) that all residences or other structures, including but not limited to multi-family, retail and other commercial structures are of comparable quality, value or size, of similar design, or aesthetically pleasing or otherwise acceptable to the Owners.

Declarant, the Association, the Board, any committee, or any member of the foregoing shall not be held liable for: (i) soil conditions, view preservation, drainage or other general site work; (ii) defects in plans revised or approved by the Section VII Architectural Control Committee; or (iii) any loss or damage arising out of the action, inaction, integrity, financial condition or quality of work of any contractor or its subcontractors, employees or agents, whether or not the Section VII Architectural Control Committee or Declarant has approved or featured such contractor as a builder within the Property.

ARTICLE VII MORTGAGE PROVISIONS

7.01. **Examination of Books.** The Association shall permit Mortgagees to examine the books and records of the Association upon written request during normal business hours.

7.02. **Taxes, Assessments and Charges.** All taxes, assessments and charges that may become liens prior to first lien mortgages under applicable law shall relate only to the individual Lots and not to any other portion of the Property.

ARTICLE VIII GENERAL PROVISIONS

8.01. **Term.** The terms, covenants, conditions, restrictions, easements, charges, and liens set out in this Declaration shall run with and bind the portion of the Property described in such notice, and shall inure to the benefit of and be enforceable by the Association, and every Owner, including Declarant, and their respective legal representatives, heirs, successors, and assigns, for a term beginning on the date this Declaration is recorded in the Official Public Records of Walker County, Texas, and continuing through and including January 1, 2075, after which time this Declaration shall be automatically extended for successive periods of five (5) years unless a change (the word "change" meaning a termination, or change of term or renewal term) is approved in a resolution adopted by Members who own Lots within the Property entitled to cast at least seventy-five percent (75%) of the total number of votes of the Association, voting in person or by proxy at a meeting duly called for such purpose, written notice of which shall be given to all such Members at least thirty (30) days in advance and shall set forth the purpose of such meeting; provided, however, that such change shall be effective only upon the recording of a certified copy of such resolution in the Official Public Records of Walker County, Texas.

8.02. Eminent Domain. In the event it shall become necessary for any public authority to acquire all or any part of the Common Area or Special Common Area for any public purpose during the period this Declaration is in effect, the Board is hereby authorized to negotiate with such public authority for such acquisition and to execute instruments necessary for that purpose. Should acquisitions by eminent domain become necessary, only the Board need be made a party, and in any event the proceeds received shall be held by the Association for the benefit of the Owners. In the event any proceeds attributable to acquisition of Common Area are paid to Owners, such payments shall be allocated on the basis of Assessment Units and paid jointly to the Owners and the holders of first Mortgages or deeds of trust on the respective Lots. In the event any proceeds attributable to acquisition of Special Common Area are paid to Owners who have been designated as a beneficiary of such Special Common Area, such payment shall be allocated on the basis of Assessment Units and paid jointly to such Owners and the holders of first Mortgages or deeds of trust on the respective Lots.

8.03. Amendment.

- (i) **By Declarant.** For so long as Declarant owns any portion of the Property, Declarant may unilaterally amend this Declaration for any purpose. At such time as Declarant no longer owns any portion of the Property, Declarant may unilaterally amend this Declaration if such amendment is necessary: (a) to bring any provision into compliance with any applicable governmental statute, rule, regulation, or judicial determination; (b) to enable any reputable title insurance company to issue title insurance coverage on the Lots; (c) to enable any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee mortgage loans on the Lots; or (d) to satisfy the requirements of any local, state or federal governmental agency. However, any unilateral amendment by Declarant pursuant to this Section shall not materially adversely affect the title to any Lot unless the Owner of such Lot shall consent in writing to the amendment.
- (ii) **By Members.** Except as otherwise specifically provided above and elsewhere in this Declaration, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof of: (a) Members who own Lots within the Property, other than Declarant, holding 75% of the total votes the Association; and (b) and Declarant, so long Declarant owns any portion of the Property.

8.05. Enforcement. The Association or the Declarant shall have the right to enforce, by a proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, charges and other terms now or hereafter imposed by the provisions of this Declaration. Failure to enforce any right, provision, covenant, or condition granted by this Declaration shall not constitute a waiver of the right to enforce such right, provision, covenants or condition in the future.

8.06. Severability. If any provision of this Declaration is held to be invalid by any court of competent jurisdiction, such invalidity shall not affect the validity of any other provision of this Declaration, or, to the extent permitted by applicable law, the validity of such provision as applied to any other person or entity.

- (ii) Any damage to or destruction of the Common Area or Special Common Area shall be repaired unless a majority of the Board shall decide within sixty (60) days after the casualty not to repair. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available.
- (iii) In the event that it should be determined by the Board that the damage or destruction of the Common Area or Special Common Area shall not be repaired and no alternative Improvements are authorized, then the affected portion of the Common Area or Special Common Area shall be restored to its natural state and maintained as an undeveloped portion of the Common Area by the Association in a neat and attractive condition.

- (iii) any suit by the Association to collect assessments or other amounts due from any Owner; and

Association is not a party to the Claim) or to an independent agency providing dispute resolution services in Walker County, Texas.

If the Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation when scheduled, the Claimant shall be deemed to have waived the Claim, and the Respondent shall be relieved of any and all liability to the Claimant (but not third parties) on account of such Claim.

- (iv) **Settlement.** Any settlement of the Claim through negotiation or mediation shall be documented in writing and signed by the parties. In addition to compliance with the foregoing alternative dispute resolution procedures, if applicable, the Association shall not initiate any judicial or administrative proceeding unless first approved by a vote of the Members who own Lots entitled to cast seventy-five percent (75%) of the votes in the Association, excluding the votes held by the Declarant, except that no such approval shall be required for actions or proceedings:

This Section shall not be amended unless such amendment is approved by the same percentage of votes necessary to institute proceedings except any such amendment shall also be approved by the Declarant for so long as Declarant owns any portion of the Property.
