

BAYTOWN

Land Use Table

[Document Viewer | Unified Land Development Code](#)

To See Zoning Allowable Uses:

- Go to baytown.org
- Search for GIS Map
- Enter parcel number
- Right click on parcel
- Toggle to second page to see link to Zoning Uses
- Follow the Zoning classification table downward to see allowable uses

This parcel is owned by the City of Baytown. As a municipality, the City will not provide disclosures but asks Buyers to complete a full range of due diligence, including getting a survey and checking the flood plain.

Because the property must remain on the market for 30 days, offers will be presented on Monday, March 2nd for City Council consideration at one of their upcoming meetings. The entire process could take 60+ days.
