

39 Trafalgar Pl - Special Features

🏠 Sophisticated General Finishes

- Premium Luxury Vinyl Plank throughout for a seamless carpet-free, hypoallergenic environment complemented by updated baseboards.
- Professionally curated interior paint using high-end finishes for a cohesive and modern aesthetic.
- Thoughtfully redesigned open floor plan featuring an integrated flex-room that maximizes natural light and creates an effortless transition between living, dining and culinary spaces perfect for entertaining.
- High-end door hardware and designer light fixtures throughout, extending even to the garage for a polished look in every corner.
- Integrated LED interconnected smoke detectors for peace of mind and enhanced safety.

🏠 Kitchen Showpiece

- Designer cabinetry featuring custom pull-out shelving for ergonomic storage and integrated over/under-mount LED task lighting.
- Elegant white quartz countertops with delicate graining, paired with a hand-selected marble mosaic backsplash featuring gold-inlay accents.
- Strategically positioned under-cabinet outlets ensure the marble backsplash remains an uninterrupted focal point.
- A full collection of high-performance stainless-steel appliances framed by a generous walk-in pantry.
- A designer laundry closet featuring custom wainscoting and architectural detail demonstrating the attention to detail throughout.

🏠 Primary Ensuite

- A spectacular floor-to-ceiling tile surround featuring a frameless glass enclosure for a true resort type experience.
- Furniture grade vanity and floor-to-ceiling linen storage topped with premium quartz, including a dedicated custom makeup station.
- Designer lights and mirrors synchronized with premium faucets and cabinet hardware.
- A deep walk-in closet for organization and ease of use.

🏠 Exterior

- A fully screened-in covered patio with an updated ceiling fan.
- Uncommonly large side yard with lush landscaping and mature greenery.
- Full gutters and professionally maintained irrigation system with new controller.
