

The Ultimate Multigenerational Retreat

ADU, Accessory Dwelling Unit

Discover unparalleled luxury and autonomy at 20005 Country Lake Dr. This masterfully designed 948 sq. ft. modern ranch serves as the perfect guest house, in-law suite, or sophisticated Accessory Dwelling Unit, ADU, offering a seamless blend of high-end finishes and complete independence.

Sophisticated Interior & Design

Step into an open-concept sanctuary defined by clean lines and functional elegance.

- **The Chef's Kitchen:** Anchored by stunning quartz countertops and a high-performance induction cooktop. Health-conscious living is built-in with an under-counter reverse osmosis water filtration system.
- **Work & Rest:** Features two spacious bedrooms and two full, modern baths—perfect for the remote professional seeking a quiet lakeside workspace.

Independent & Effortless Living

- Rarely found in secondary dwellings, this home features its own **individual electric meter**, providing total autonomy for long-term guests or multigenerational family members.
- **Premium Utilities:** Enjoy endless hot water with a tankless water heater, full house water filtration, and peace of mind provided by a **full-house generator**.
- **20005 Country Lake Dr.;** Independent mailing address is featured here as well.

Resort-Style Lakeside Living

The transition from indoor to outdoor living is effortless.

- **The Oasis:** A covered patio leads directly to a shared luxury pool and hot tub area.
- **Al Fresco Entertaining:** Host unforgettable evenings at the outdoor kitchen (complete with quartz tops) and gather around the integrated fire pit.
- **Recreation:** Perfect your short game on the private putting green and chipping space next to the home.
- **The View:** Situated with a breathtaking, direct lakefront vista that provides a serene backdrop to everyday life.
