### WHAT I LOVE ABOUT MY HOME

- Huge backyard. Only 2 homes have this size yard in Stone Forest. Perfect for a pool.
- Privacy in the backyard. I don't have other homes looking into my backyard due to green space.
- Excellent long term neighbors. All fun.
- Stable families, no turn over.
- The house is flooded with lights.
- Sun sets in front of the house so it stays nice and cool in the backyard. Perfect for cocktails and wine, without sweating.
- Low maintenance landscape in front and backyard. Mature, healthy trees.
