

7900 Westheimer Road #103
Houston, TX 77063

Upgrades Completed in 2022-2025:

1. As the AC/Heater air handler was very old, we had it completely replaced.
2. As the condo did not have a space for a washer/dryer, we reconfigured the bathroom to make a laundry area.

BEFORE CHANGES

AFTER CHANGES

- a. Reconfigured bathroom to create laundry space.
 - b. Removed tub and create walk-in shower.
 - c. Replaced bathroom sink.
 - d. Ran new plumbing for shower and washer/dryer space.
 - e. Tiled bathroom walls.
 - f. Replaced electric panel with a new box and run electrical for 220 outlet for dryer.
3. Replaced refrigerator, stove, and garbage disposal.
 4. Removed side windows at exterior door #3 and rebuilt frames so windows were returned to placement and were air tight.
 5. Closets and hallway were taken down to the studs and rebuilt with new sheetrock. Some old wiring was removed and replaced as needed.
 6. Kitchen exterior door framing was rebuilt to create air tight.
