## What we love about our home

- Peaceful water view with no homes behind
- Love the distance we can see out the back-the bridge is especially beautiful at night
- Private pool with swim lane and dive well with no side neighbor
- Quick and convenient access to I-45
- Walk-in attic for convenient storage. Great for holiday decor
- Dream kitchen that's an entertainers dream with ample storage, two dishwashers and double ovens
- Downstairs bedroom with en-suite bath-great for guests
- Downstairs theater that we use ALL the time
- Soundproof curtains in the study which are great when you are on a call
- Infrared sauna is amazing-I wish I could take with me
- No glass and easy to clean walk-in shower in primary
- Closet system in primary closet
- We have wonderful neighbors all around us
- This is my favorite house I have ever lived in, I hope it makes the next owners as happy as it did us
