

WHAT DO YOU LOVE ABOUT YOUR HOME AND NEIGHBORHOOD?

The first thing we loved about our neighborhood was the monument sign at the entrance and the beautiful drive in. The HOA does a wonderful job with landscaping and seasonal decorating, and there are a lot of parks and trails throughout the subdivision.

We have very much enjoyed the lot we have! Because of where it's situated, we don't have back neighbors, which adds an extra sense of privacy, and gives us a larger backyard than most others in the neighborhood. The extra flex room was a great added perk, and the windows in the living/dining area fill the house with natural light most of the day, which make the space feel larger than it is. We will honestly miss this house!
