16034 MESA VERDE | BROOK FOREST

Nestled on the greenbelt in highly sought after Brook Forest, this beautifully updated home offers privacy, character, and style. Interior highlights include an open atrium with white rock and live plants, recessed lighting, custom shades on all windows, and a dramatic sunken living room anchored by a statement stucco fireplace. The kitchen has been beautifully updated with custom white oak cabinetry, quartz countertops, backsplash, built in pantry, Frigidaire appliances, pot filler, and vent hood. An impressive wet bar with quartz countertops, sink, and a statement wine wall adds both style and function for entertaining. The spacious primary suite features high ceilings and a spa inspired bath with custom white oak cabinetry, a freestanding soaking tub beneath a chandelier, rain shower with body sprays, dual vanities, and blackout Roman shades. Outside, the backyard creates a true retreat with added landscaping, bull rock for improved drainage, and a beautifully resurfaced pool with updated equipment installed in 2021.
