All promotional marketing and advertising estimates and claims related to energy savings or performance are based on simulated performance by third party suppliers using national utility companies under the following conditions: based on U.S. Department of Energy methodology and average energy use and costs. Actual energy savings and performance of any home or any of its features may vary widely and may be more or less than indicated. Energy use performance is dependent on the personal energy conservation choices of the occupants and changes in energy provider rates and programs. Square footages and dimensions are approximate and may vary in construction and depending on the standard measurement used, engineering and construction. All measurements and floor plans are in strict accordance with plans only vary from the actual plans and homes as built. Fixtures and other promotional materials are representative and may include or exclude floor plans, square footages. All floor plans are subject to change without notice. All measurements may be greater or less than the actual measurements based on the standard, elevations, options, upgrades, extra design features, decorations, floor coverings, specialty light fixtures, curtain panels and wall coverings, window treatments, such as shutters, drapes, etc. Installation of pool, spa, sound and alarm systems, if included, supplies and other design features not included and available that are not included as part of the home and may be available in all communities. See page 5844 for a complete schedule of Meritage Homes Corporation. © 2013 Meritage Homes Corporation.
