

WHAT I LOVE ABOUT MY HOME

This home offers a peaceful setting paired with everyday comfort, making it a truly special place to live.

One of my favorite features is the **abundance of natural morning light** that fills the living area, kitchen, and primary bedroom, creating a warm and inviting atmosphere to start the day.

The property also enjoys nearby ponds, walking trails, and parks, adding a charming, nature-filled touch that enhances the tranquil environment.

Located in a **quiet neighborhood**, the home offers privacy and a calm residential setting—ideal for peaceful living.

Located in the Village of Creekside Park, walking distance to Creekside Elementary, Creekside Park Junior High, Wentwoods Pool & Park, Village Green restaurants/shops, and much more.
