Home & Neighborhood

- We love the mid-century / unique look of the home ; it has character but is updated in the best ways
- We love the walking trails and golf course views
- We're very close to all the action: Cynthia Woods Mitchell Pavillion, Market Street, H-E-B, The Woodlands Mall, Northshore Park, East Shore, etc.
- Our neighbors are friendly and hang out a lot
- We love its large lot - great for dogs!
