## INVOICE

Services	qty	unit price	amount
----------	-----	------------	--------

Roof Replacement Service	1.0	\$13,500.00	\$13,500.00
--------------------------	-----	-------------	-------------

Our Roof Replacement Service provides a complete, professional installation using the GAF Lifetime Roofing System, ensuring maximum durability, weather protection, and long-term value. The process includes full tear-off and disposal of existing roofing materials, decking inspection and repairs, and the use of premium GAF-certified components to meet manufacturer installation standards.

All work complies with Texas Product Evaluation Report ICC-ESR 2689 and includes weather condition assessments to ensure optimal installation quality and longevity. The system comes backed by GAF's Lifetime Limited Warranty and optional enhanced warranty coverage for wind and algae resistance.

This service guarantees that your new roof not only enhances your home's protection and appearance but also meets manufacturer specifications for warranty eligibility, providing complete peace of mind and long-term performance.

Includes: Dump fees, hauling, disposal, and labor to remove composition shingles (1) layer and felt (1) layer. This also includes the sweeping of the jobsite with magnets to ensure nails are picked up.

Note: If additional layers felt or shingles are to be removed and disposed of, the cost is \$50 per 100 square feet of roofing.

Your installation will include (4) 4x8 feet sheets of decking for repairs. All sheets of decking beyond the first 4 sheets will cost an additional \$75 per sheet.

Roof installation will be scheduled for crews arriving by 6:30 AM. Please ensure the driveway and surrounding areas are clear for material delivery and equipment access. We will monitor the weather closely and may reschedule if there is a chance of rain to ensure a safe and high-quality installation.

Service Request - CLASS 3 GAF LIFETIME ROOFING SYSTEM	1.0	\$0.00	\$0.00
---	-----	--------	--------

This Class 3 GAF Lifetime Roofing System is installed using all GAF-manufactured components, ensuring complete compatibility and full eligibility for GAF's enhanced material warranty. Designed for superior protection against hail and high winds, this system delivers durability, performance, and peace of mind.

#### System Components:

- GAF Timberline® HDZ RS Class 3 Impact-Rated Shingles
- GAF Pro-Start® Starter Strip Shingles (at eaves and rakes)
- GAF FeltBuster® Synthetic Underlayment
- GAF StormGuard® Ice & Water Shield (in valleys and around roof penetrations)
- GAF Cobra® Ridge Ventilation System

GAF Hip & Ridge Cap Shingles

Installed per GAF manufacturer specifications using GAF-approved fasteners and flashing

System Benefits:

Class 3 Impact Rating (UL 2218) for added hail resistance

Unlimited MPH Wind Rating with proper installation of starter and ridge components

StainGuard® Algae Protection for long-term aesthetic value

Lifetime Limited Warranty on shingles and qualifying accessories

GAF System Plus Warranty Coverage:

50-year non-prorated material defect coverage

Covers shingles and all qualifying GAF components

Fully transferable once for added resale value

POOL LEAKS REPAIR Miss Barbara Murray 512-658-1857 1096 Gladstone Dr League City, TX 77573 Gate code 1096#		4,935.00	4,935.00T

### TWO POOL SKIMMERS RE GROUT

-positive pool leak is located on the two skimmers square join between the skimmer housing & the pool concrete gunite there's a hair line cracking the skimmer it's separate from the pool gunite that's a very common pool leak reason of this leak it's because the ground or the soil it's always settled or sinking from the weather temperatures changing  
-we have to chipped the loose skimmer grout to make the gap we need so we an install the new & fresh high performance grout to seal the skimmer joints  
-we charge \$985.00 to re grout the two pool skimmers  
-note we have to drain the pool below of the pool skimmer water line  
-one year warranty from the day we do

### POOL & SPA LIGHTS RESEAL

--the pool lights & Spa light niches are leaking through the lights niches hole on the electrical tubing where the electrical cord is located that cord hole need to be permanent re seal to prevent the water leak and electrical short on the swimming pool water  
-the pool light niche is the big case or base housing where the pool light is attached  
We charge \$750.00 to reseal both lights  
-we have to drain the pool below of pool lights water line to fix tight the lights niches leak  
-note: we not recommend to use any silicon it's gonna failed  
—ONE YEAR WARRANTY

-Pool & spa draining and acid wash complete for removal -the green water and removing the green algae - remove the stains  
-add fresh pool chemicals  
-\$1,500

-Spa plaster cracks repair  
\$1,000
