Features Love Most

The accessibility to the school back and forth is amazing for this location.

The view of the golf course is very nice especially being out of harms way from errant balls.

Having no neighbors front or back of you is a great feature.

The backyard is like your little oasis with so many things to do.

The Lake Windcrest community is one fo the best we have ever been apart of.

Having 4 bedrooms that each have their own bathroom is a great feature.

Being very close to the grocery store and just everyday shopping is key.
