

Home Features

- Former model home
- Wood-look, commercial grade flooring installed late 2025 throughout home. Comes with lifetime warranty.
- Upgraded kitchen cabinetry, countertops, and backsplash
- New AC system installed in 2025. Air conditioning comes with a 10 year warranty.
- Six mature trees (4 Crepe Myrtles, 1 Forest Pansy Redbud, and 1 Little Gem Magnolia) planted along back fence
- Large windows in main living area allows for plenty of natural light
- The covered patio is great for hosting. With the boundary line being the brick house on the right, there is more privacy and you don't ever have to replace a fence. There are also privacy screens on the porch.
- The office/flex room space is tucked away in the back for more privacy
- Park/sitting space across the street
- Upgraded countertops in every bathroom
- The butler pantry is great for extra storage
- The neighborhood has walking trails, two pools, playgrounds and a splash pad! The HOA covers front yard mowing. Also, top-rated Suchma Elementary is close by.
