Owner Interview

**Why did you decide to buy this home?**

We fell in love with the home and area the first time we saw it. Then we looked at other homes and kept going back to this one. I felt right at home. It's a really wonderful neighborhood with spacious lots. We have one of the largest lots in Oak Forest. It's centrally located with easy access to the freeway. I felt like I lived in a small town in a big city.

**What are, in your opinion, the best features of the home?**

I always liked the layout of the home. The open floor plan is fantastic. I can be in the kitchen cooking and watch tv at the same time or entertain friends and be involved with the conversations. The main bedroom is large with a big walk-in closet. Looking out the windows into the massive backyard is very relaxing and watching the wildlife is relaxing too.

**Why do you like most about the area?**

The area is quiet with wonderful neighbors. We were close to everything. Like downtown, restaurants, doctors and shopping. We love all the big trees and the openness with big lots in the area.

**Are there any places nearby you would recommend (parks, restaurants, stores, coffee?)**

We enjoyed a restaurant called Millie's Kitchen on Oak Forest Dr. and of course Pappasito's Cantina off 290 highway. It's nice that you can take the freeway or the side streets to Heights.
