Statutes and ordinances specifically referenced in the Restrictions are “Applicable Law” on the date of the Restrictions, and are not intended to apply to the Property if they cease to be applicable by operation of law, or if they are replaced or superseded by one or more other statutes or ordinances.

**“Architectural Control Committee”** or **“ACC”** means the committee created pursuant to this Declaration to review and approve or deny plans for the construction, placement, modification, alteration or remodeling of any Improvements on a Lot. As provided in *Article 7* below, the Declarant acts as the ACC and the ACC is not a committee of the Association until the Declarant has assigned its right to appoint and remove all ACC members to the Association in a Recorded written instrument.

**ARTICLE 2  
GENERAL AND USE RESTRICTIONS**

All of the Property shall be owned, held, encumbered, leased, used, occupied, and enjoyed subject to the following limitations and restrictions:

**2.1 General.**

2.1.1 Conditions and Restrictions. All Lots within the Property will be owned, held, encumbered, leased, used, occupied and enjoyed subject to the Restrictions.

2.1.2 Ordinances. Ordinances and requirements imposed by local governmental authorities are applicable to all Lots within the Property. Compliance with the Restrictions is not a substitute for compliance with Applicable Law. Please be advised that the Restrictions do not purport to list or describe each restriction which may be applicable to a Lot located within the Property. Each Owner is advised to review all ordinances, requirements, regulations and encumbrances affecting the use and improvement of their Lot prior to submitting plans to the ACC for approval. Furthermore, approval by the ACC should not be construed by the Owner that any Improvement complies with the terms and provisions of any ordinances, requirements, regulations or encumbrances which may affect the Owner's Lot. Certain encumbrances may benefit parties whose interests are not addressed by the ACC.

**NOTICE**

The Restrictions are subject to change from time to time. By owning or occupying a Lot, you agree to remain in compliance with the Restrictions, as they may change from time to time.

**2.2 Conceptual Plans.** All master plans, site plans, brochures, illustrations, information and marketing materials relating to the Property, the Common Area, or the Special Common Area (collectively, the "**Conceptual Plans**") are conceptual in nature and are intended to be used for illustrative purposes only. The land uses and Improvements, including but not limited to any amenity centers, reflected on the Conceptual Plans are subject to change at any time and from time to time, and it is expressly agreed and understood that land uses within the Property, the Common Area, or the Special Common Area may include uses which are not shown on the Conceptual Plans. Neither Declarant nor any Homebuilder or other developer of any portion of the Property, the Common Area, or the Special Common Area makes any representation or warranty concerning such land uses and Improvements shown on the Conceptual Plans or otherwise planned for the Property, the Common Area, or the Special Common Area and it is expressly agreed and understood that no Owner will be entitled to rely upon the Conceptual Plans or any statements made by the Declarant or any of Declarant's representatives regarding the proposed land uses, or proposed or planned Improvements in making the decision to purchase any land or Improvements within the Property. Additionally, nothing herein shall be construed to create any obligation for Declarant nor any Homebuilder to create Townhome Lots or construct a residence that shares a wall on any Lot. Each Owner who

acquires a Lot within the Property acknowledges that development of the Property, the Common Area, and/or the Special Common Area will likely extend over many years, and agrees that the Association will not engage in, or use Association funds to support, protest, challenge, or make any other form of objection to development of the Property, the Common Area, or the Special Common Area or changes in the Conceptual Plans as they may be amended or modified from time to time.

**2.3 Single-Family Residential Use.** The Lots shall be used solely for private single family residential purposes.

No professional, business, or commercial activity to which the general public is invited shall be conducted on any Lot, except an Owner or Resident may conduct business activities within a residence so long as: (i) such activity complies with all Applicable Law; (ii) the business activity is conducted without the employment of persons other than the residents of the home constructed in the Lot; (iii) the business activity does not involve customers, contractors, clients, or the general public visiting the residence to conduct activities related to the business; (iv) the existence or operation of the business activity is not apparent or detectable by sight, i.e., no sign may be erected advertising the business on any Lot, sound, or smell from outside the residence; (v) the business activity does not involve door-to-door solicitation of residents within the Property; (vi) the business does not, in the Board's judgment, generate a level of vehicular or pedestrian traffic or a number of vehicles parked within the Property which is noticeably greater than that which is typical of residences in which no business activity is being conducted; (vii) the business activity is consistent with the residential character of the Property and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Property as may be determined in the sole discretion of the Board; and (viii) the business does not require the installation of any machinery other than that customary to normal household operations. In addition, for the purpose of obtaining any business or commercial license, neither the residence nor Lot will be considered open to the public. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (a) such activity is engaged in full or part-time; (b) such activity is intended to or does generate a profit; or (c) a license is required.

Leasing of a residence shall not be considered a business or trade within the meaning of this subsection. This subsection shall not apply to any activity conducted by the Declarant or a Homebuilder.

Notwithstanding any provision in this Declaration to the contrary, until the expiration or termination of the Development Period:

(i) Declarant and/or its licensees may construct and maintain upon portions of the Common Area, the Special Common Area, any Lot, or portion of the Property owned by the Declarant, such facilities and may conduct such activities, which, in Declarant's sole opinion, may be reasonably required, convenient, or incidental to the construction or sale of single family residences constructed upon the Lots, including, but not limited to, business offices, signs, model homes, and sales offices. Declarant and/or its licensees shall have an easement over and across the Common Area and the Special Common Area for access and use of such facilities at no charge; and

(ii) Declarant and/or its licensees will have an access easement over and across the Common Area and the Special Common Area for the purpose of making, constructing and installing Improvements upon the Common Area and the Special Common Area.

#### **2.4 Provision of Benefits and Services to Service Areas.**

2.4.1 Declarant, in any Recorded written notice, may assign Lots to one or more Service Areas (by name or other identifying designation) as it deems appropriate, which Service Areas may be then existing or newly created, and may require that the Association provide benefits or services to such Lots in addition to those which the Association generally provides to the Property. Declarant may unilaterally amend any Recorded written notice to re-designate Service Area boundaries. All costs associated with the provision of services or benefits to a Service Area will be assessed against the Lots within the Service Area as a Service Area Assessment.

2.4.2 In addition to Service Areas which Declarant may designate, any group of Owners may petition the Board to designate their Lots as a Service Area for the purpose of receiving from the Association: (i) special benefits or services which are not provided to all Lots; or (ii) a higher level of service than the Association otherwise provides. Upon receipt of a petition signed by Owners of a Majority of the Lots within the proposed Service Area, the Board will investigate the terms upon which the requested benefits or services might be provided and notify the Owners in the proposed Service Area of such terms and associated expenses, which may include a reasonable administrative charge in such amount as the Board deems appropriate (provided, any such administrative charge will apply at a uniform rate per Lot among all Service Areas receiving the same service). Notwithstanding the foregoing, until expiration or termination of the Development Period, the Declarant shall have the right to withhold its consent for any petition to designate Lots as a Service Area in Declarant's sole and absolute discretion. If approved by the Board, the Declarant during the Development Period, and the Owners of at least sixty-seven percent (67%) of the total number of votes held by all Lots within the proposed Service Area, the Association will provide the requested benefits or services on the terms set forth in the proposal or in a manner otherwise acceptable to the Board.

The cost and administrative charges associated with such benefits or services will be assessed against the Lots within such Service Area as a Service Area Assessment.

2.4.3 The Association may, from time to time, include additional components of Improvements or Lots or remove components of Improvements or Lots from a Service Area; however, unless otherwise approved by the Declarant during the Development Period, in no event may the Association at any time remove from any Service Area components of any Improvements or Lots previously designated as a Service Area under this Declaration. During the Development Period, any addition to a Service Area must also be approved by the Declarant. After expiration or termination of the Development Period, any addition or removal of components of Improvements or Lots must be approved by two-thirds (2/3) of the total number of votes held by all Lots within a Service Area. During the Development Period, the Service Area may be modified or amended by the Declarant, acting alone. Any modification or amendment to the Service Area must be recorded in the Official Public Records of Brazoria County, Texas.

2.5 **Subdividing.** No Lot shall be further divided or subdivided, nor may any easements or other interests therein less than the whole be conveyed by the Owner thereof without the prior written approval of the ACC; provided, however, that when Declarant is the Owner thereof, Declarant may further divide and subdivide any Lot and convey any easements or other interests less than the whole, all without the approval of the ACC.

2.6 **Hazardous Activities.** No activities may be conducted on or within the Property and no Improvements may be constructed on or within any portion of the Property which, in the opinion of the Board, are or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms or fireworks may be discharged upon any portion of the Property unless discharged in conjunction with an event approved in advance by the Board and no open fires may be lighted or permitted except within safe and well-designed fireplaces or in contained barbecue units while attended and in use for cooking purposes. No portion of the Property may be used for the takeoff, storage, or landing of aircraft (including, without limitation, helicopters) except for medical emergencies.

2.7 **Insurance Rates.** Nothing shall be done or kept on the Property which would increase the rate of casualty or liability insurance or cause the cancellation of any such insurance on the Common Area or Special Common Area, or the Improvements located thereon, without the prior written approval of the Board.

2.8 **Mining and Drilling.** Unless otherwise provided in *Section 9.15*, no portion of the Property may be used for the purpose of mining, quarrying, drilling, boring, or exploring for or removing oil, gas, or other hydrocarbons, minerals of any kind, rocks, stones, sand, gravel, aggregate, or earth. This provision will not be construed to prevent the excavation of rocks, stones, sand, gravel, aggregate, or earth or the storage of such material for use as fill provided that such activities are conducted in conjunction with the construction of

Improvements and/or the development of the Property by the Declarant. Furthermore, this provision will not be interpreted to prevent the drilling of water wells by the Declarant or otherwise approved in advance by the ACC which are required to provide water to all or any portion of the Property. All water wells must also be approved in advance by the ACC and any applicable regulatory authority.

**2.9 Noise.** No exterior speakers, horns, whistles, bells, or other sound devices (other than security devices used exclusively for security purposes) shall be located, used, or placed on any portion of the Property. No noise or other nuisance shall be permitted to exist or operate upon any portion of the Property so as to be offensive or detrimental to any other portion of the Property or to its Residents. Without limiting the generality of the foregoing, if any noise or nuisance emanates from any Improvement on any Lot, the Association may (but shall not be obligated to) enter any such Improvement and take such reasonable actions necessary to terminate such noise (including silencing any burglar or break-in alarm).

**2.10 Rentals.** Nothing in this Declaration shall prevent the rental of any Lot and the Improvements thereon by the Owner thereof for residential purposes; provided that all rentals must be for terms of at least six (6) months. All leases shall be in writing. The Owner must provide to its lessee copies of the Restrictions. Notice of any lease, together with such additional information as may be required by the Board, will be remitted to the Association by the Owner on or before the expiration of ten (10) days after the effective date of the lease.

**2.11 Animals - Household Pets.** No animals, including pigs, hogs, swine, poultry, fowl, wild animals, horses, cattle, sheep, goats, or any other type of animal not considered to be a domestic household pet within the ordinary meaning and interpretation of such words may be kept, maintained, or cared for on or within the Property (as used in this paragraph, the term "domestic household pet" shall not mean or include non-traditional pets such as pot-bellied pigs, miniature horses, exotic snakes or lizards, ferrets, monkeys, chickens or other exotic animals). The Board may conclusively determine, in its sole discretion, whether a particular pet is a domestic household pet within the ordinary meaning and interpretation of such words. No Owner may keep on such Owner's Lot more than three (3) cats and dogs, in the aggregate. No animal may be allowed to make an unreasonable amount of noise, or to become a nuisance, and no domestic pets will be allowed on the Property other than within the Owner's residence, or the fenced yard space associated therewith, unless confined to a leash. The Association may restrict pets to certain areas on the Property. No animal may be stabled, maintained, kept, cared for, or boarded for hire or remuneration on the Property, and no kennels or breeding operation will be allowed. No animal may be allowed to run at large, and all animals must be kept within enclosed areas which must be clean, sanitary, and reasonably free of refuse, insects, and waste at all times. No pet may be left unattended in yards, porches or other outside area. All pet waste will be removed and appropriately disposed of by the owner of the pet. All pets must be registered, licensed and inoculated as required by Applicable Law. If, in the opinion of the Board, any pet becomes a source of unreasonable annoyance to others, or the owner of the pet

fails or refuses to comply with these restrictions, the Owner, upon written notice, may be required to remove the pet from the Property.

**2.12 Rubbish and Debris.** As determined by the Board, no rubbish or debris of any kind may be placed or permitted to accumulate on or within the Property, and no odors will be permitted to arise therefrom so as to render all or any portion of the Property unsanitary, unsightly, offensive, or detrimental to any other property or Residents. Refuse, garbage, and trash must be kept at all times in covered containers, and such containers must be kept within enclosed structures or appropriately screened from view. Each Owner will contract with an independent disposal service to collect all garbage or other wastes, if such service is not provided by a governmental entity or the Association.

**2.13 Trash Containers.** Trash containers and recycling bins must be stored in one of the following locations:

- (i) inside the garage of the single-family residence constructed on the Lot; or
- (ii) behind the single-family residence or fence constructed on the Lot in such a manner that the trash container and recycling bin is not visible from any street, alley, or adjacent Lot.

The Board shall have the right to specify additional locations on each Owner's Lot in which trash containers or recycling bins must be stored.

**2.14 Drainage.** There shall be no interference with the established drainage patterns over any of the Property, including the Lots, except by Declarant, unless adequate provision is made for proper drainage and such provision is approved in advance by the ACC. Specifically, and not by way of limitation, no Improvement, including landscaping, may be installed which impedes the proper drainage of water between Lots.

**2.15 Maintenance.** The Owners of each Lot shall jointly and severally have the duty and responsibility, at their sole cost and expense, to keep their Lot and all Improvements thereon in good condition and repair and in a well-maintained, safe, clean and attractive condition at all times. The Board, in its sole discretion, shall determine whether a violation of the maintenance obligations set forth in this *Section 2.15* has occurred. Such maintenance includes, but is not limited to the following, which shall be performed in a timely manner, as determined by the Board, in its sole discretion:

- (i) Prompt removal of all litter, trash, refuse, and wastes.
- (ii) Lawn mowing.
- (iii) Tree and shrub pruning.

- (iv) Watering.
- (v) Keeping exterior lighting and mechanical facilities in working order.
- (vi) Keeping lawn and garden areas alive, free of weeds, and attractive.
- (vii) Keeping planting beds free of turf grass.
- (viii) Keeping sidewalks and driveways in good repair.
- (ix) Complying with Applicable Law.
- (x) Repainting of Improvements.
- (xi) Repair of exterior damage, and wear and tear to Improvements.

**2.16 Street Landscape Area-Owner's Obligation to Maintain Landscaping.** Each Owner will be responsible, at such Owner's sole cost and expense, for maintaining mowing, replacing, pruning, and irrigating the landscaping between the boundary of such Owner's Lot and the curb of any adjacent right-of-way, street or alley (the "**ST Landscape Area**") unless the responsibility for maintaining the ST Landscape Area is performed by the Association.

**2.17 Antennas.** Except as expressly provided below, no exterior radio or television antennae or aerial or satellite dish or disc, shall be erected, maintained or placed on a Lot without the prior written approval of the ACC; provided, however, that:

- (i) an antenna designed to receive direct broadcast services, including direct-to-home satellite services, that is one meter or less in diameter; or
- (ii) an antenna designed to receive video programming services via multipoint distribution services, including multi-channel multipoint distribution services, instructional television fixed services, and local multipoint distribution services, that is one meter or less in diameter or diagonal measurement; or

(collectively, (i) through (iii) are referred to herein as the "**Permitted Antennas**") will be permitted subject to reasonable requirements as to location and screening as may be set forth in rules adopted by the ACC, consistent with Applicable Law, in order to minimize obtrusiveness as viewed from streets and adjacent property. Declarant and/or the Association will have the right, but not the obligation, to erect an aerial, satellite dish, or other apparatus for a master

antenna, cable, or other communication system for the benefit of all or any portion of the Property.

**2.18 Location of Permitted Antennas.** A Permitted Antenna may be installed solely on the Owner's Lot and shall not encroach upon any street, Common Area, Special Common Area or any other portion of the Property. A Permitted Antenna shall be installed in a location on the Lot from which an acceptable quality signal can be obtained and where least visible from the street and the Property, other than the Lot. In order of preference, the locations of a Permitted Antenna which will be considered least visible by the ACC are as follows:

(i) Attached to the back of the principal single-family residence constructed on the Lot, with no part of the Permitted Antenna any higher than the roof fascia, soffit, or bargeboard and screened from view of adjacent Lots and the street; then

(ii) Attached to the side of the principal single-family residence constructed on the Lot, with no part of the Permitted Antenna any higher than the roof fascia, soffit, or bargeboard and screened from view of adjacent Lots and the street.

The ACC may, from time to time, modify, amend, or supplement the rules regarding installation and placement of Permitted Antennas.

Satellite dishes one meter or less in diameter, e.g., DirecTV or Dish satellite dishes, are permitted, HOWEVER, you are required to comply with the rules regarding installation and placement. These rules may be modified by the ACC from time to time. Please contact the ACC for the current rules regarding installation and placement.

**2.19 Signs.** Unless otherwise prohibited by Applicable Law, no sign of any kind may be displayed to the public view on any Lot without the prior written approval of the ACC, except for:

(i) signs which are expressly permitted pursuant to the Design Guidelines or Rules and Regulations;

(ii) signs which are part of Declarant or Homebuilder's overall marketing, sale, or construction plans or activities for the Property;

(iii) one (1) temporary "For Sale" sign placed on the Lot. The sign must be professionally made and shall be limited to a maximum face area of five (5) square feet on each visible side and, if free standing, is mounted on a single or frame post. The overall height of the sign from the finished grade of the Lot at the spot where the sign is located may not exceed four (4) feet. The sign must be

removed within two (2) business days following the sale or lease of the Lot. Notwithstanding the foregoing, an Owner may not erect a "For Sale" sign on a Lot within the first twelve (12) months of acquiring a Lot;

(iv) political signs may be erected provided the sign: (a) is erected no earlier than the 90<sup>th</sup> day before the date of the election to which the sign relates; (b) is removed no later than the 10<sup>th</sup> day after the date of the election to which the sign relates; and (c) is ground-mounted. Only one sign may be erected for each candidate or ballot item. In addition, signs which include any of the components or characteristics described in Section 202.009(c) of the Texas Property Code are prohibited;

(v) a religious item on the entry door or door frame of a residence (which may not extend beyond the outer edge of the door frame), provided that the size of the item(s), individually or in combination with other religious items on the entry door or door frame of the residence, does not exceed twenty-five (25) square inches;

(vi) permits as may be required by legal proceedings; and

(vii) permits as may be required by any governmental entity.

Only two (2) Permitted Flagpoles are allowed per residence. A Permitted Flag or Permitted Flagpole need not be approved in advance by the ACC. Approval by the ACC is required prior to installing vertical freestanding flagpoles installed in the front or back yard area of any Lot ("**Freestanding Flagpole**").

**2.21 Flags – Installation and Display.** Unless otherwise approved in advance and in writing by the ACC, Permitted Flags, Permitted Flagpoles and Freestanding Flagpoles, installed in accordance with the Flagpole Application, must comply with the following:

(i) No more than one (1) Freestanding Flagpole OR no more than two (2) Permitted Flagpoles are permitted per Lot, on which only Permitted Flags may be displayed;

(iv) With the exception of flags displayed on Common Area, or Special Common Area, or any Lot which is being used for marketing purposes by the Declarant or a Homebuilder, the flag of the United States of America must be displayed in accordance with 4 U.S.C. Sections 5-10 and the flag of the State of Texas must be displayed in accordance with Chapter 3100 of the Texas Government Code;

(v) The display of a Permitted Flag, or the location and construction of a Permitted Flagpole or Freestanding Flagpole must comply with all Applicable Law, easements and setbacks of record;

(ix) Any external halyard of a Permitted Flagpole or Freestanding Flagpole must be secured so as to reduce or eliminate noise from flapping against the metal of the Permitted Flagpole or Freestanding Flagpole.

**2.22 Tanks.** The ACC must approve any tank used or proposed in connection with a residence, including tanks for storage of fuel, water, oil, or liquid petroleum gas (LPG), and including swimming pool filter tanks. No elevated tanks of any kind may be erected, placed or permitted on any Lot without the advance written approval of the ACC. All permitted tanks must be screened from view in accordance with a screening plan approved in advance by the ACC. This provision will not apply to a tank used to operate a standard residential gas grill.

**2.23 Temporary Structures.** No tent, shack, or other temporary building, Improvement, or structure shall be placed upon the Property without the prior written approval of the ACC; provided, however, that temporary structures necessary for storage of tools and equipment, and for office space for Declarant, Homebuilders, architects, and foremen during actual construction may be maintained with the prior approval of Declarant (unless placed by the Declarant), approval to include the nature, size, duration, and location of such structure.

**2.24 Outside Storage Buildings.** Outside storage buildings located in a fenced rear yard of a Lot are allowed with the prior written approval of the ACC. One (1) permanent storage building will be permitted if: (i) the surface area of the pad on which the storage building is constructed is no more than eighty (80) square feet; (ii) the height of the storage building, measured from the surface of the Lot, is no more than seven (7) feet; (iii) the exterior of the storage building is constructed of the same or substantially similar materials and of the same color as the principal residential structure constructed on the Lot; (iv) the roof of the storage building is the same material and color as the roof of the principal residential structure constructed on the Lot; and (v) the storage building is constructed within all applicable building setbacks. No storage building may be used for habitation.

**2.25 Unightly Articles; Vehicles.** No article deemed to be unsightly by the Board will be permitted to remain on any Lot so as to be visible from adjoining property or from public or private thoroughfares. Without limiting the generality of the foregoing, trailers, graders, trucks other than pickups, boats, tractors, campers, wagons, buses, motorcycles, motor scooters, all-terrain vehicles and garden maintenance equipment shall be kept at all times except when in actual use, in enclosed structures or screened from view and no repair or maintenance work shall be done on any of the foregoing, or on any automobile (other than minor emergency repairs), except in enclosed garages or other structures. Service areas, storage areas, compost piles and facilities for hanging, drying or airing clothing or household fabrics shall be appropriately screened from view, and no lumber, grass, plant waste, shrub or tree clippings, metals, bulk materials, scrap, refuse or trash shall be kept, stored, or allowed to accumulate on any portion of the Property except within enclosed structures or appropriately screened from view. No racing vehicles or other vehicles (including, without limitation, motorcycles or motor scooters) which are inoperable or do not have a current license tag shall be permitted to remain visible on any Lot or to be parked on any roadway within the Property, the Common Area or the Special Common Area.

**2.26 Mobile Homes, Travel Trailers and Recreational Vehicles.** No mobile homes, travel trailers or recreational vehicles shall be parked or placed on any street right of way, Lot, or used as a residence, either temporary or permanent, at any time. However, such vehicles may be parked temporarily for a period not to exceed seventy-two (72) consecutive hours during each two (2) month period.

**2.27 Basketball Goals; Permanent and Portable.** Portable basketball goals may be used in unfenced yards and on private driveways in the Property during periods of active play,

if the portable goals are removed from sight when not in use. Portable basketball goals must be maintained in good condition and repair, and may not be placed in any right of way. If determined unsightly by the ACC or placed in the right of way, the Association may cause the basketball goals to be removed without liability for damage to said equipment. Basketball goals may not be permanently installed on a Lot.

**2.28 Compliance with Restrictions.** Each Owner, his or her family, Residents of a Lot, tenants, and the guests, invitees, and licensees of the preceding shall comply strictly with the provisions of the Restrictions as the same may be amended from time to time. Failure to comply with any of the Restrictions shall constitute a violation of the Restrictions and may result in a fine against the Owner in accordance with *Section 6.14* of this Declaration, and shall give rise to a cause of action to recover sums due for damages or injunctive relief, or both, maintainable by the Declarant, the Board on behalf of the Association, the ACC, or by an aggrieved Owner. Without limiting any rights or powers of the Association, the Board may (but shall not be obligated to) remedy or attempt to remedy any violation of any of the provisions of Restrictions, and the Owner whose violation has been so remedied shall be personally liable to the Association for all costs and expenses of effecting (or attempting to effect) such remedy. If such Owner fails to pay such costs and expenses upon demand by the Association, such costs and expenses (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one-half percent (1-1/2%) per month) shall be assessed against and chargeable to the Owner's Lot(s). Any such amounts assessed and chargeable against a Lot shall be secured by the liens reserved in this Declaration for Assessments and may be collected by any means provided in this Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s). **Each such Owner shall release and hold harmless the Association and its officers, directors, employees and agents from any cost, loss, damage, expense, liability, claim or cause of action incurred or that may arise by reason of the Association's acts or activities under this Section 2.28 (including any cost, loss, damage, expense, liability, claim or cause of action arising out of the Association's negligence in connection therewith), except for such cost, loss, damage, expense, liability, claim or cause of action arising by reason of the Association's gross negligence or willful misconduct. "Gross negligence" as used herein does not include simple negligence, contributory negligence or similar negligence short of actual gross negligence.**

**2.29 Liability of Owners for Damage to Common Area or Special Common Area.** No Owner shall in any way alter, modify, add to or otherwise perform any work upon the Common Area or Special Common Area without the prior written approval of the Board. Each Owner shall be liable to the Association for any and all damages to: (i) the Common Area or Special Common Area and any Improvements constructed thereon; or (ii) any Improvements constructed on any Lot, the maintenance of which has been assumed by the Association, which damages were caused by the neglect, misuse or negligence of such Owner or Owner's family, or by any tenant or other Resident of such Owner's Lot, or any guest or invitee of such Owner or Resident. The full cost of all repairs of such damage shall be an Individual Assessment against

such Owner's Lot, secured by a lien against such Owner's Lot and collectable in the same manner as provided in *Section 6.12* of this Declaration.

**2.30 No Warranty of Enforceability.** Declarant makes no warranty or representation as to the present or future validity or enforceability of the Restrictions. Any Owner acquiring a Lot in reliance on one or more of the Restrictions shall assume all risks of the validity and enforceability thereof and, by acquiring the Lot, agrees to hold Declarant harmless therefrom.

**2.31 Shared Fences Between Lots.** The concept of shared fences is intended to be more space-efficient, material efficient, and cost-efficient than each Owner separately fencing his own Lot, with two fences abutting. Sharing fences requires cooperation and flexibility by and between Owners of adjoining Lots. A fence located on or near the dividing line between two Lots and intended to benefit both Lots constitutes a "**Party Wall**" and, to the extent not inconsistent with the provisions of this *Section 2.31*, is subject to the general rules of law regarding party walls and liability for property damage due to negligence, willful acts, or omissions.

**2.31.1 Encroachments & Easement.** If the Party Wall is on one Lot due to an error in construction, the Party Wall is nevertheless deemed to be on the dividing line for purposes of this Section. Each Lot sharing a Party Wall is subject to an easement for the existence and continuance of any encroachment by the Party Wall as a result of construction, repair, shifting, settlement, or movement in any portion of the Party Wall, so that the encroachment may remain undisturbed as long as the Party Wall stands. Each Lot is subject to a reciprocal easement for the maintenance, repair, replacement, or reconstruction of the Party Wall.

**2.31.2 Right to Repair.** If the Party Wall is damaged or destroyed from any cause, the Owner of either Lot may repair or rebuild the Party Wall to its previous condition, and the Owners of both Lots, their successors and assigns, have the right to the full use of the repaired or rebuilt Party Wall. No Party Wall may be constructed, repaired, or rebuilt without the advance written approval of the ACC in accordance with *Article 7* of this Declaration.

**2.31.3 Right of Access.** The Owner of the Lot on each side of the Party Wall hereby grants to the Owner of the Lot on the other side of the Party Wall a reciprocal access easement for maintenance, repair, replacement, or reconstruction of the Party Wall, as appropriate and necessary to effect the purposes and provisions of this Section.

**2.31.4 Maintenance Costs.** The Owners of the adjoining Lots share equally the costs of repair, reconstruction, or replacement of the Party Wall, subject to the right of one Owner to call for larger contribution from the other under any rule of law regarding liability for negligence or willful acts or omissions. If an Owner is solely responsible for damage to or destruction of the Party Wall, that Owner will bear the entire cost of repair, reconstruction, or replacement. If an Owner fails or refuses to pay his share of costs of repair or replacement of

the Party Wall, the Owner advancing monies has a right to file a claim of lien for the monies advanced in the Official Public Records of Brazoria County, Texas, and has the right to foreclose the lien as if it were a mechanic's lien. The right of an Owner to require contribution from another Owner under this Section is appurtenant to the Lot and passes to the Owner's successors in title.

2.31.5 Alterations. The Owner of a Lot sharing a Party Wall may not cut openings in the Party Wall or alter or change the Party Wall in any manner that affects the use, condition, or appearance of the Party Wall to the adjoining Lot. The Party Wall will always remain in the same location as when erected unless otherwise approved by the Owner of each Lot sharing the Party Wall and the ACC.

## 2.32 Townhome Party Walls.

2.32.1 General Rules of Law to Apply. Each wall built as a part of the original construction of a single family residence which serves and separates any two (2) adjoining single family residences shall constitute a "Townhome Party Wall". To the extent not inconsistent with the provisions of this Section, the general rules of law regarding Townhome Party Walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto. No alterations may be made to any Townhome Party Wall other than non-structural alterations to the interior surfaces of such walls (i.e., the surfaces of such walls facing the interior of a single family residence); provided, however, that under no circumstance or event will an Owner install or attach in or on a Townhome Party Wall any speaker, alarm, or any other device, item, component, or system designated for the creation or emission of sound. Without limitation of the foregoing, to the extent that the actions of an Owner result in damage to a Townhome Party Wall, the Owner responsible for such damage is obligated to restore and pay any and all costs associated with restoring the wall to its pre-damage condition.

2.32.2 Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a Townhome Party Wall shall be shared by the Owners who the wall serves in equal proportions.

2.32.3 Damage and Destruction. If a Townhome Party Wall is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who the wall serves may restore it, and the other Owner or Owners that the wall serves shall thereafter contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule or law regarding liability for negligent or willful acts or omissions.

2.32.4 Right to Contribution Runs with Land. The right of any Owner to contribution from any other owner under this Section shall be appurtenant to the land and shall pass to such owner's successors-in-title.

2.32.5 Roofs and Foundation. Common roofs and foundations which form a part of single family residences, if any, will be dealt with in the same fashion as Townhome Party Walls, as set forth in this Section.

2.32.6 Dispute Resolution. In the event of any dispute arising concerning a Townhome Party Wall, or under the provisions of this Section (the "Dispute"), the parties shall submit the Dispute to mediation. Should the parties be unable to agree on a mediator within ten (10) days after written request therefore by the Board, the Board shall appoint a mediator. If the Dispute is not resolved by mediation, the Dispute shall be resolved by binding arbitration. Either party may initiate the arbitration. Should the parties be unable to agree on an arbitrator within ten (10) days after written request therefore by the Board, the Board shall appoint an arbitrator. The decision of the arbitrator shall be binding upon the parties and shall be in lieu of any right of legal action that either party may have against the other. In the event an Owner fails to properly and on a timely basis (both standards to be determined by the Board in the Board's sole and absolute discretion) implement the decision of the mediator or arbitrator, as applicable, the Board may implement said mediator's or arbitrator's decision, as applicable. If the Board implements the mediator's or arbitrator's decision on behalf of an Owner, the Owner otherwise responsible therefor will be personally liable to the Association for the cost of obtaining the all costs and expenses incurred by the Association in conjunction therewith. If such Owner fails to pay such costs and expenses upon demand by the Association, such costs and expenses (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one-half percent (1-1/2%) per month) will be assessed against and chargeable to the Owner's Lot(s). Any such amounts assessed and chargeable against a Lot hereunder will be secured by the liens reserved in the Declaration for Assessments and may be collected by any means provided in the Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s).

2.33 Retaining Walls. As originally constructed, retaining walls within the Property may be located wholly or partly (i) within an individual Lot, (ii) on or near the boundary between two residential Lots, (iii) on or near the boundary between a residential Lot and a Common Area or Special Common Area, or (iv) on or near the boundary between a residential Lot, Common Area or Special Common Area and real property outside the development or the Property. For the retaining walls located on or near boundaries, each configuration may present different issues for the Owners on each side of the boundary. The terms and provisions relating to use, maintenance, repair and/or reconstruction of retaining walls are set forth below in the *Retaining Wall Supplement*, attached and incorporated herewith as **Appendix A-1** to this Declaration, and in the *Retaining Wall Maintenance Specifications*, attached and incorporated herewith as **Appendix A-2** to this Declaration. To the extent not inconsistent with the provisions of the Retaining Wall Supplement and the Retaining Wall Maintenance Specifications, retaining walls on or near boundaries between two tracts of land are subject to the general rules of law regarding party and retaining walls, and the corresponding liability for property damage due to negligence, willful acts, or omissions.

2.34 **Playscapes and Sports Courts.** Playscapes and sport courts are permissible at the sole discretion of the ACC. If allowed, these facilities must be properly sited and screened so as to minimize the visual and audio impact of the facility on adjacent properties. Sport Courts may not be lighted or enclosed with netting. Tennis courts are not permitted.

2.35 **Decorations and Lighting.** Unless otherwise permitted by *Section 2.19(v)*, no decorative appurtenances such as sculptures, birdbaths and birdhouses, fountains, or other decorative embellishments shall be placed on the residence or on the front yard or on any other portion of a Lot which is visible from any street, unless such specific items have been approved in writing by the ACC. Customary seasonal decorations for holidays are permitted without approval by the ACC but shall be removed within thirty (30) days of the applicable holiday. Outside lighting fixtures shall be placed so as to illuminate only the yard of the applicable Lot and so as not to affect or reflect into surrounding residences or yards. No mercury vapor, sodium or halogen light shall be installed on any Lot which is visible from any street unless otherwise approved by the ACC.

2.36 **Water Quality Facilities, Drainage Facilities and Drainage Ponds.** The Property may include, now or in the future, one or more water quality facilities, sedimentation, drainage and detention facilities, or ponds which serve all or a portion of the Property and are inspected, maintained and administered by the Association in accordance with all Applicable Law. Access to these facilities and ponds is limited to persons engaged by the Association or its agents to periodically maintain such facilities. Each Owner is advised that the water quality facilities, sedimentation, drainage and detention facilities and ponds are an active utility feature integral to the proper operation of the Property and may periodically hold standing water. Each Owner is advised that entry into the water quality facilities, sedimentation, drainage and detention facilities or ponds may result in injury and is a violation of the Rules and Regulations.

### ARTICLE 3 CONSTRUCTION RESTRICTIONS

3.1 **Approval for Construction.** Unless prosecuted by the Declarant, no Improvements shall hereafter be placed, maintained, erected, or be constructed upon any Lot without the prior written approval of the ACC in accordance with *Article 7* of this Declaration.

3.2 **Garages.** Each residence constructed upon a Lot shall have a private garage for not less than two (2) automobiles and off-street parking for a minimum of two (2) automobiles. The location, orientation and opening of each garage to be located on a Lot shall be approved in advance of construction by the ACC. No garage may be permanently enclosed or otherwise used for habitation unless approved in advance by the ACC.

3.3 **Fences; Sidewalks.** All fences and walls shall comply with all Applicable Law. Unless otherwise approved by the ACC, no fence, wall or hedge will be erected or maintained on any Lot nearer to the street than the front elevation of the residence constructed on the Lot,

except for fences erected in conjunction with the model homes or sales offices. The ACC will have the sole discretion to determine the front elevation of the residence for the purpose of this *Section 3.3*. No chain-link, metal cloth or agricultural fences may be installed or maintained on a Lot, except by Declarant. If required by the Plat, the Owner of each Lot shall construct, at such Owner's sole cost and expense and prior to occupying any Improvement, a sidewalk on such Owner's Lot, located and designed in conformance with the Plat.

**3.4 Construction Activities.** The Restrictions will not be construed or applied so as to unreasonably interfere with or prevent normal construction activities during the construction of Improvements by the Declarant or a Homebuilder upon or within the Property. Specifically, no such construction activities will be deemed to constitute a nuisance or a violation of the Restrictions by reason of noise, dust, presence of vehicles or construction machinery, posting of signs or similar activities, provided that such construction is pursued to completion with reasonable diligence and conforms to usual construction practices in the area. If during the course of construction upon any Lot there is excessive accumulation of debris of any kind which would render the Lot or any portion thereof unsanitary, unsightly, offensive, or detrimental to it or any other portion of the Property, then the ACC may contract for or cause such debris to be removed, and the Owner of the Lot will be liable for all reasonable expenses incurred in connection therewith.

**3.5 Roofing.** The roofs of all buildings shall be constructed or covered with fiberglass or dimensional shingles of a weathered wood color or other color approved by the ACC. Any other type of roofing material shall be permitted only with the advance written approval of the ACC. In addition, roofs of buildings may be constructed with "**Energy Efficiency Roofing**" with the advance written approval of the ACC. For the purpose of this *Section 3.5*, "**Energy Efficiency Roofing**" means shingles that are designed primarily to: (i) be wind and hail resistant; (ii) provide heating and cooling efficiencies greater than those provided by customary composite shingles; or (iii) provide solar generation capabilities. The ACC will not prohibit an Owner from installing Energy Efficient Roofing provided that the Energy Efficient Roofing shingles: (a) resemble the shingles used or otherwise authorized for use within the community; (b) are more durable than, and are of equal or superior quality to, the shingles used or otherwise authorized for use within the community; and (c) match the aesthetics of adjacent property. An Owner who desires to install Energy Efficient Roofing will be required to comply with the architectural review and approval procedures set forth the Restrictions. In conjunction with any such approval process, the Owner should submit information which will enable the ACC to confirm the criteria set forth in this *Section 3.5*. Any other type of roofing material shall be permitted only with the advance written approval of the ACC.

**3.6 Swimming Pools.** Any swimming pool constructed on a Lot must be enclosed with a fence or other enclosure device completely surrounding the swimming pool which, at a minimum, satisfies all Applicable Law and be approved in advance by the ACC. Nothing in this *Section 3.6* is intended or shall be construed to limit or affect an Owner's obligation to

comply with any Applicable Law concerning swimming pool enclosure requirements. Unless otherwise approved in advance by the ACC, above-ground or temporary swimming pools are not permitted on a Lot.

**3.7 Compliance with Setbacks.** No residence or any other permanent structure or Improvement may be constructed on any Lot nearer to a street than the minimum building setback lines shown on the Plat and no building shall be located on any utility easements. The ACC may require additional setbacks in conjunction with the review and approval of proposed Improvements in accordance with *Article 7* of the Declaration.

**3.8 Solar Energy Device.** Solar Energy Devices may be installed with the advance written approval of the ACC in accordance with the procedures set forth below.

**3.8.1 Application.** To obtain ACC approval of a Solar Energy Device, the Owner shall provide the ACC with the following information: (i) the proposed installation location of the Solar Energy Device; and (ii) a description of the Solar Energy Device, including the dimensions, manufacturer, and photograph or other accurate depiction (the "**Solar Application**"). A Solar Application may only be submitted by an Owner unless the Owner's tenant provides written confirmation at the time of submission that the Owner consents to the Solar Application. The Solar Application shall be submitted in accordance with the provisions of *Article 7* of the Declaration.

**3.8.2 Approval Process.** The ACC will review the Solar Application in accordance with the terms and provisions of *Article 7* of the Declaration. The ACC will approve a Solar Energy Device if the Solar Application complies with *Section 3.8.3* below UNLESS the ACC makes a written determination that placement of the Solar Energy Device, despite compliance with *Section 3.8.3*, will create a condition that substantially interferes with the use and enjoyment of the property within the Property by causing unreasonable discomfort or annoyance to persons of ordinary sensibilities. The ACC's right to make a written determination in accordance with the foregoing sentence is negated if all Owners of Lots immediately adjacent to the Owner/applicant provide written approval of the proposed placement. Any proposal to install a Solar Energy Device on Common Area or Special Common Area or property owned or maintained by the Association must be approved in advance and in writing by the Board, and the Board need not adhere to this *Section 3.8* when considering any such request.

**3.8.3 Approval Conditions.** Unless otherwise approved in advance and in writing by the ACC, each Solar Application and each Solar Energy Device to be installed in accordance therewith must comply with the following:

- (i) The Solar Energy Device must be located on the roof of the residence located on the Owner's Lot, entirely within a fenced area of the Owner's Lot, or entirely within a fenced patio located on the Owner's Lot. If the Solar

Energy Device will be located on the roof of the residence, the ACC may designate the location for placement unless the location proposed by the Owner increases the estimated annual energy production of the Solar Energy Device, as determined by using a publicly available modeling tool provided by the National Renewable Energy Laboratory, by more than 10 percent above the energy production of the Solar Energy Device if installed in the location designated by the ACC. If the Owner desires to contest the alternate location proposed by the ACC, the Owner should submit information to the ACC which demonstrates that the Owner's proposed location meets the foregoing criteria. If the Solar Energy Device will be located in the fenced area of the Owner's Lot or patio, no portion of the Solar Energy Device may extend above the fence line.

(ii) If the Solar Energy Device is mounted on the roof of the principal residence located on the Owner's Lot, then: (a) the Solar Energy Device may not extend higher than or beyond the roofline; (b) the Solar Energy Device must conform to the slope of the roof and the top edge of the Solar Device must be parallel to the roofline; and (c) the frame, support brackets, or visible piping or wiring associated with the Solar Energy Device must be silver, bronze or black.

**3.9 Rainwater Harvesting Systems.** Rain barrels or rainwater harvesting systems (a "Rainwater Harvesting System") may be installed with the advance written approval of the ACC.

3.9.1 Application. To obtain ACC approval of a Rainwater Harvesting System, the Owner shall provide the ACC with the following information: (i) the proposed installation location of the Rainwater Harvesting System; and (ii) a description of the Rainwater Harvesting System, including the color, dimensions, manufacturer, and photograph or other accurate depiction (the "Rain System Application"). A Rain System Application may only be submitted by an Owner unless the Owner's tenant provides written confirmation at the time of submission that the Owner consents to the Rain System Application.

3.9.2 Approval Process. The decision of the ACC will be made in accordance with *Article 7* of this Declaration. Any proposal to install a Rainwater Harvesting System on Common Area or Special Common Area must be approved in advance and in writing by the Board, and the Board need not adhere to this *Section 3.9* when considering any such request.

3.9.3 Approval Conditions. Unless otherwise approved in advance and in writing by the ACC, each Rain System Application and each Rainwater Harvesting System to be installed in accordance therewith must comply with the following:

(i) The Rainwater Harvesting System must be consistent with the color scheme of the residence constructed on the Owner's Lot, as reasonably determined by the ACC.

(ii) The Rainwater Harvesting System does not include any language or other content that is not typically displayed on such a device.

(iii) The Rainwater Harvesting System is in no event located between the front of the residence constructed on the Owner's Lot and any adjoining or adjacent street.

(iv) There is sufficient area on the Owner's Lot to install the Rainwater Harvesting System, as reasonably determined by the ACC.

3.9.4 Guidelines. If the Rainwater Harvesting System will be installed on or within the side yard of a Lot, or would otherwise be visible from a street, Common Area, Special Common Area, or another Owner's Lot, the ACC may regulate the size, type, shielding of, and materials used in the construction of the Rainwater Harvesting System. Accordingly, when submitting a Rain System Application, the application should describe methods proposed by the Owner to shield the Rainwater Harvesting System from the view of any street, Common Area, Special Common Area, or another Owner's Lot. When reviewing a Rain System Application for a Rainwater Harvesting System that will be installed on or within the side yard of a Lot, or would otherwise be visible from a street, Common Area, Special Common Area, or another Owner's Lot, any additional regulations imposed by the ACC to regulate the size, type, shielding of, and materials used in the construction of the Rainwater Harvesting System, may not prohibit the economic installation of the Rainwater Harvesting System, as reasonably determined by the ACC.

3.10 Xeriscaping. As part of the installation and maintenance of landscaping on an Owner's Lot, an Owner may submit plans for and install drought tolerant landscaping ("Xeriscaping") upon written approval by the ACC. All Owners implementing Xeriscaping shall comply with the following:

3.10.1 Application. Approval by the ACC is required prior to installing Xeriscaping. To obtain the approval of the ACC for Xeriscaping, the Owner shall provide the ACC with the following information: (i) the proposed site location of the Xeriscaping on the Owner's Lot; (ii) a description of the Xeriscaping, including the types of plants, border materials, hardscape materials and photograph or other accurate depiction and (iii) the percentage of yard to be covered with gravel, rocks and cacti (the "Xeriscaping Application"). A Xeriscaping Application may only be submitted by an Owner unless the Owner's tenant provides written confirmation at the time of submission that the Owner consents to the Xeriscaping Application. The ACC is not responsible for: (a) errors or omissions in the Xeriscaping Application submitted to the ACC for approval; (b) supervising installation or construction to confirm compliance with an approved Xeriscaping Application or (c) the compliance of an approved application with Applicable Law.

3.10.2 Approval Conditions. Unless otherwise approved in advance and in writing by the ACC, each Xeriscaping Application and all Xeriscaping to be installed in accordance therewith must comply with the following:

(i) The Xeriscaping must be aesthetically compatible with other landscaping in the community as reasonably determined by the ACC. For purposes of this *Section 3.10*, "aesthetically compatible" shall mean overall and long-term aesthetic compatibility within the community. For example, an Owner's Lot plan may be denied if the ACC determines that: (a) the proposed Xeriscaping would not be harmonious with already established turf and landscaping in the overall community; and/or (b) the use of specific turf or plant materials would result in damage to or cause deterioration of the turf or landscaping of an adjacent property owner, resulting in a reduction of aesthetic appeal of the adjacent property Owner's Lot.

(ii) No Owners shall install gravel, rocks or cacti that in the aggregate encompass over ten percent (10%) of such Owner's front yard or ten percent (10%) of such Owner's back yard.

(iii) The Xeriscaping must not attract diseases and insects that are harmful to the existing landscaping on neighboring Lots, as reasonably determined by the ACC.

3.10.3 Process. The decision of the ACC will be made within a reasonable time, or within the time period otherwise required by the principal deed restrictions which govern the review and approval of improvements. A Xeriscaping Application submitted to install Xeriscaping on property owned by the Association or property owned in common by members of the Association will not be approved. Any proposal to install Xeriscaping on property owned by the Association or property owned in common by members of the Association must be approved in advance and in writing by the Board, and the Board need not adhere to the requirements set forth in this *Section 3.10* when considering any such request.

3.10.4 Approval. Each Owner is advised that if the Xeriscaping Application is approved by the ACC, installation of the Xeriscaping must: (i) strictly comply with the Xeriscaping Application; (ii) commence within thirty (30) days of approval; and (iii) be diligently prosecuted to completion. If the Owner fails to cause the Xeriscaping to be installed in accordance with the approved Xeriscaping Application, the ACC may require the Owner to: (a) modify the Xeriscaping Application to accurately reflect the Xeriscaping installed on the Property; or (b) remove the Xeriscaping and reinstall the Xeriscaping in accordance with the approved Xeriscaping Application. Failure to install Xeriscaping in accordance with the approved Xeriscaping Application or an Owner's failure to comply with the post-approval requirements constitutes a violation of this Declaration and may subject the Owner to fines and penalties. Any requirement imposed by the ACC to resubmit a Xeriscaping Application or

remove and relocate Xeriscaping in accordance with the approved Xeriscaping Application shall be at the Owner's sole cost and expense.

**ARTICLE 4**

Each Owner of a Lot which has been assigned use of Special Common Area in a Recorded instrument will have a right and easement of enjoyment in and to all of such Special Common Area for its intended purposes, and an access easement, if applicable, by and through such Special Common Area, which easement will be appurtenant to and will pass with title to such Owner's Lot, subject to *Section 4.2.2* above, and subject to the following restrictions and reservations:

(ii) The right of Declarant to grant additional Lots use rights in and to Special Common Area in a subsequently filed Recorded instrument;

Not later than the 10<sup>th</sup> anniversary of the date this Declaration is Recorded, or sooner as determined by Declarant, the Board shall hold a meeting of Members of the Association for the purpose of electing one-third of the Board (the "Initial Member Election Meeting"), which Board member(s) must be elected by Owners other than the Declarant. Declarant shall continue to have the sole right to appoint and remove two-thirds of the Board from and after the Initial Member Election Meeting until expiration or termination of the Development Period.**

**4.4 Voting Rights.** The right to cast votes and the number of votes which may be cast for election of members to the Board (except as provided by *Section 4.3*) and on all other matters to be voted on by the Members will be calculated as set forth below.

4.4.2 Declarant Votes. In addition to the votes to which Declarant is entitled by reason of *Section 4.4.1*, for every one (1) vote outstanding in favor of any other person or entity, Declarant will have four (4) additional votes until the expiration or termination of the Development Period.

4.4.3 Co-Owner Votes. When more than one person or entity owns a portion of the fee simple interest in any Lot, all such persons or entities will be Members. The vote or votes (or fraction thereof) for such Lot will be exercised by the person so designated in writing to the Secretary of the Association by the Owner of such Lot, and in no event will the vote for such Lot exceed the total votes to which such Lot is otherwise entitled under this *Section 4.4*.

4.5 Powers. The Association will have the powers of a Texas nonprofit corporation. It will further have the power to do and perform any and all acts that may be necessary or proper, for or incidental to, the exercise of any of the express powers granted to it by Applicable Law or this Declaration. Without in any way limiting the generality of the two preceding sentences, the Board, acting on behalf of the Association, will have the following powers at all times:

To make, establish and promulgate, and in its discretion to amend from time to time, or repeal and re-enact, such rules, regulations, policies, Bylaws and Community Manual, as applicable, which are not in conflict with this Declaration, as it deems proper, covering any and all aspects of the Property, the Common Area, the Special Common Area (including the operation, maintenance and preservation thereof) or the Association. The expense incurred by the Association in connection with the entry upon any Lot and the maintenance and repair work conducted thereon or therein will be a personal obligation of the Owner of the Lot so entered, will be deemed an Individual Assessment against such Lot, will be secured by a lien

upon such Lot, and will be enforced in the same manner and to the same extent as provided in *Article 6* hereof for Assessments. The Association will have the power and authority from time to time, in its own name and on its own behalf, or in the name of and on behalf of any Owner who consents thereto, to commence and maintain actions and suits to enforce, by mandatory injunction or otherwise, or to restrain and enjoin, any breach or threatened breach of the Restrictions. The Association is also authorized to settle claims, enforce liens and take all such action as it may deem necessary or expedient to enforce the Restrictions; provided, however, that the Board will never be authorized to expend any Association funds for the purpose of bringing suit against Declarant, or its successors or assigns. The Association may not alter or demolish any Improvements on any Lot other than Common Area or Special Common Area in enforcing these Restrictions before a judicial order authorizing such action has been obtained by the Association, or before the written consent of the Owner(s) of the affected Lot(s) has been obtained. **EACH SUCH OWNER AND RESIDENT WILL RELEASE AND HOLD HARMLESS THE ASSOCIATION, ITS OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS SECTION 4.5.5 (INCLUDING ANY COST, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING OUT OF THE ASSOCIATION'S NEGLIGENCE IN CONNECTION THEREWITH), EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING BY REASON OF THE ASSOCIATION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. 4.6 Conveyance of Common Area and Special Common Area to the Association. The Association may acquire, hold, and dispose of any interest in tangible and intangible personal property and real property. Declarant, and its assignees, reserves the right, from time to time and at any time, to designate by written and Recorded instrument portions of the Property being held by the Declarant for the benefit of the Association. Upon the Recording of such designation, the portion of the Property identified therein will be considered Common Area or Special Common Area for the purpose of this Declaration. Declarant and its assignees may also assign, transfer or convey to the Association interests in real or personal property within or for the benefit of the Property, for the Property and the general public, or otherwise, as determined in the sole and absolute discretion of the Declarant. All or any real or personal property assigned, transferred and/or conveyed by the Declarant to the Association shall be deemed accepted by the Association upon Recordation, and without further action by the Association, and shall be considered Common Area or Special Common Area without regard to whether such real or personal property is designated by the Declarant as Common Area or Special Common Area. If requested by the Declarant, the Association will execute a written instrument, in a form requested by the Declarant, evidencing acceptance of such real or personal property; provided, however, execution of a written consent by the Association shall in no event be a precondition to acceptance by the Association. The assignment, transfer, and/or conveyance of real or personal property to the Association may be by deed without warranty, may reserve easements in favor of the Declarant or a third party designated by

Declarant over and across such property, and may include such other provisions, including restrictions on use, determined by the Declarant, in the Declarant's sole and absolute discretion. Property assigned, transferred, and/or conveyed to the Association may be improved or unimproved and may consist of fee simple title, easements, leases, licenses, or other real or personal property interests. Upon Declarant's written request, the Association will re-convey to Declarant any unimproved real property that Declarant originally conveyed to the Association for no payment.

**4.7 Indemnification.** To the fullest extent permitted by Applicable Law but without duplication (and subject to) any rights or benefits arising under the Certificate or Bylaws of the Association, the Association will indemnify any person who was, or is, a party, or is threatened to be made a party to any threatened pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that such person is, or was, a director, officer, committee member, employee, servant or agent of the Association against expenses, including attorneys' fees, reasonably incurred by such person in connection with such action, suit or proceeding if it is found and determined by the Board or a court of competent jurisdiction that he or she: (i) acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Association; or (ii) with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by settlement, or upon a plea of *nolo contendere* or its equivalent, will not of itself create a presumption that the person did not act in good faith or in a manner which was reasonably believed to be in, or not opposed to, the best interests of the Association or, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

**4.8 Insurance.** The Board may purchase and cause to be maintained, at the expense of the Association, insurance on behalf of any person who is acting as a director, officer, committee member, employee, servant or agent of the Association against any liability asserted against or incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Association would have the power to indemnify such person against such liability or otherwise.

**4.9 Bulk Rate Contracts.** Without limitation on the generality of the Association powers set out in *Section 4.5* hereinabove (except that during the Development Period, all Bulk Rate Contracts must be approved in advance and in writing by the Declarant), the Association will have the power to enter into Bulk Rate Contracts at any time and from time to time. The Association may enter into Bulk Rate Contracts with any service providers chosen by the Board (including Declarant, and/or any entities in which Declarant, or the owners or partners of Declarant are owners or participants, directly or indirectly). The Bulk Rate Contracts may be entered into on such terms and provisions as the Board may determine in its sole and absolute discretion. The Association may, at its option and election, add the charges payable by such Owner under such Bulk Rate Contract to the Assessments against such Owner's Lot. In this regard, it is agreed and understood that, if any Owner fails to pay any charges due by such

Owner under the terms of any Bulk Rate Contract, then the Association will be entitled to collect such charges by exercising the same rights and remedies it would be entitled to exercise under this Declaration with respect to the failure by such Owner to pay Assessments, including without limitation the right to foreclose the lien against such Owner's Lot which is reserved under the terms and provisions of this Declaration. In addition, in the event of nonpayment by any Owner of any charges due under any Bulk Rate Contract and after the lapse of at least twelve (12) days since such charges were due, the Association may, upon five (5) days' prior written notice to such Owner (which may run concurrently with such 12 day period), in addition to all other rights and remedies available pursuant to Applicable Law, terminate, in such manner as the Board deems appropriate, any utility service or other service provided at the cost of the Association and not paid for by such Owner (or the Resident of such Owner's Lot) directly to the applicable service or utility provider. Such notice will consist of a separate mailing or hand delivery at least five (5) days prior to a stated date of termination, with the title "termination notice" or similar language prominently displayed on the notice. The notice will include the office or street address where the Owner (or the Resident of such Owner's Lot) can make arrangements for payment of the bill and for re-connection or re-institution of service. No utility or cable television service will be disconnected on a day, or immediately preceding a day, when personnel are not available for the purpose of collection and reconnecting such services.

**4.10 Protection of Declarant's Interests.** Despite any assumption of control of the Board by Owners other than Declarant, until the expiration or termination of the Development Period, the Board is prohibited from taking any action which would discriminate against Declarant, or which would be detrimental to the sale of Lots or any other portion of the Property owned by Declarant. Declarant shall be entitled to determine, in its sole and absolute discretion, whether any such action discriminates or is detrimental to Declarant. The Board will be required to continue the same level and quality of maintenance, operations and services as that provided immediately prior to assumption of control of the Board by Owners other than Declarant until the expiration or termination of the Development Period.

**4.11 Administration of Common Area and the Special Common Area.** The administration of the Common Area or the Special Common Area by the Association shall be in accordance with the provisions of Applicable Law and the Restrictions, and of any other agreements, documents, amendments or supplements to the foregoing which may be duly adopted or subsequently required by any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans (including, for example, the Federal Home Loan Mortgage Corporation) or by any governmental or quasi-governmental agency having regulatory jurisdiction over the Common Area or the Special Common Area or by any title insurance company selected by Declarant to insure title to any portion of the Common Area. Declarant and/or its assignees may construct and maintain upon portions of the Common Area or the Special Common Area such facilities and may conduct such activities which, in Declarant's sole opinion, may be required, convenient, or incidental to the construction or sale of Improvements on the Property, including, but not limited to, business offices, signs, model homes, and sales offices. Declarant and its assignees shall have an easement over and across the

Common Area or the Special Common Area for access and shall have the right to use such facilities and to conduct such activities at no charge.

**4.12 Right of Action by Association.** The Association shall not have the power to institute, defend, intervene in, settle or compromise litigation or administrative proceedings: (i) in the name of or on behalf of any Lot Owner (whether one or more); or (ii) pertaining to a Claim, as defined in *Section 12.1* below, relating to the design or construction of Improvements on a Lot. This *Section 4.12* may not be amended or modified without Declarant's written and acknowledged consent and Members entitled to cast at least one hundred percent (100%) of the total number of votes of the Association, which must be part of the Recorded amendment instrument.

## ARTICLE 5 INSURANCE

### 5.1 Insurance.

5.1.1 Non-Townhome Lot Insurance. Each Owner will be required to purchase and maintain commercially standard insurance on the Improvements located upon such Owner's Lot. The Association will not be required to maintain insurance on the Improvements constructed upon any Lot.

5.1.2 Townhome Lot Insurance. Each Owner of a Townhome Lot will be obligated to maintain: (i) commercially standard property insurance on such Owner's Townhome Lot, in an amount sufficient to cover one hundred percent (100%) of the replacement cost for the repair or reconstruction of any Improvements located thereon in event of damage or destruction from any insured hazard. Furthermore, the Association may set forth minimum insurance coverage requirements for the Townhome Lots. Copies of insurance policies, together with such additional information as may be required by the Board, must be remitted to the Association by the Owner on or before the expiration of ten (10) days after the Association's written request. In the event an Owner fails to properly and on a timely basis (both standards to be determined by the Board in the Board's sole and absolute discretion) provide evidence of property insurance or obtain property insurance on such Owner's Townhome Lot in an amount sufficient to cover one hundred percent (100%) of the replacement cost, such failure will constitute a violation of the Declaration and the Board may obtain insurance on such Owner's Townhome Lot in such form as determined by the Board, in its sole and absolute discretion. If the Board obtains an insurance policy on behalf of an Owner, the Owner otherwise responsible therefor will be personally liable to the Association for the cost of obtaining the policy as well as all costs and expenses incurred by the Association in conjunction therewith. If such Owner fails to pay such costs and expenses upon demand by the Association, such costs and expenses (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one-half percent (1-1/2%) per month) will be assessed against and chargeable to the Owner's Townhome Lot(s).

Any such amounts assessed and chargeable against a Townhome Lot hereunder will be secured by the liens reserved in the Declaration for Assessments and may be collected by any means provided in the Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Townhome Lot(s). The Association will not be required to maintain insurance on the Improvements constructed upon any Townhome Lot.

5.1.3 Association Insurance. The Association may obtain such insurance as it may deem necessary, including but not limited to such policies of liability and property damage insurance as the Board, in its discretion, may deem necessary. Insurance premiums for such policies will be a common expense to be included in the assessments levied by the Association. The acquisition of insurance by the Association will be without prejudice to the right and obligation of any Owner to obtain additional individual insurance. During the Development Period, Declarant reserves the right to satisfy the insurance obligations of the Association with a master insurance program controlled by Declarant.

**ARE YOU COVERED?**

**The Association will not provide insurance which covers an Owner's Lot or any Improvements or personal property located on a Lot.**

5.2 Restoration. In the event of any fire or other casualty, unless otherwise approved by the ACC, the Owner will promptly repair, restore and replace any damaged or destroyed structures to their same exterior condition existing prior to the damage or destruction thereof. Such repair, restoration or replacement will be commenced and completed in a good and workmanlike manner using exterior materials substantially similar to those originally used in the structures damaged or destroyed. To the extent that the Owner fails to commence such repair, restoration or replacement of substantial or total damage or destruction within one hundred and twenty (120) days after the occurrence of such damage or destruction, and thereafter prosecute the same to completion, or if the Owner does not clean up any debris resulting from any damage within thirty (30) days after the occurrence of such damage, the Association may commence, complete or effect such repair, restoration, replacement or clean-up, and such Owner will be personally liable to the Association for the cost of such work; provided, however, that if the Owner is prohibited or delayed by Applicable Law from commencing such repair, restoration, replacement or clean-up, the rights of the Association under this provision will not arise until the expiration of thirty (30) days after such prohibition or delay is removed. If the Owner fails to pay such cost upon demand by the Association, the cost thereof (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, than at the rate of one and one-half percent (1½%) per month) will be added to the Assessment chargeable to the Owner's Lot. Any such amounts added to the Assessments chargeable against a Lot will be secured by the liens reserved in the Declaration for Assessments and may be collected by any means provided in this Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot. **EACH SUCH OWNER WILL RELEASE AND HOLD HARMLESS THE ASSOCIATION AND ITS OFFICERS, DIRECTORS, COMMITTEE MEMBERS,**

EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS SECTION 5.2, EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR COST OF ACTION ARISING BY REASON OF THE ASSOCIATION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. "GROSS NEGLIGENCE" AS USED HEREIN DOES NOT INCLUDE SIMPLE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.

5.3 Mechanic's and Materialmen's Lien. Each Owner whose structure is repaired, restored, replaced or cleaned up by the Association pursuant to the rights granted under this Article 5, hereby grants to the Association an express mechanic's and materialmen's lien for the reasonable cost of such repair, restoration, or replacement of the damaged or destroyed Improvement to the extent that the cost of such repair, restoration or replacement exceeds any insurance proceeds allocable to such repair, restoration or replacement and delivered to the Association. Upon request by the Board, and before the commencement of any reconstruction, repair, restoration or replacement, such Owner will execute all documents sufficient to effectuate such mechanic's and materialmen's lien in favor of the Association.

## ARTICLE 6 COVENANT FOR ASSESSMENTS

### 6.1 Assessments.

6.1.1 Established by the Board. Assessments established by the Board pursuant to the provisions of this Article 6 will be levied against each Lot in amounts determined pursuant to Section 6.9 below. The total amount of Assessments will be determined by the Board pursuant to Section 6.3, 6.4, 6.5, 6.6, 6.7 and/or 6.8.

6.1.2 Personal Obligation; Lien. Each Assessment, together with such interest thereon and costs of collection as hereinafter provided, will be the personal obligation of the Owner of the Lot against which the Assessment is levied and will be secured by a lien hereby granted and conveyed by Declarant to the Association against each such Lot and all Improvements thereon. The Association may enforce payment of such Assessments in accordance with the provisions of this Article.

6.1.3 Declarant Subsidy. Declarant may, but is not obligated to, reduce Assessments which would otherwise be levied against Lots for any fiscal year by the payment of a subsidy to the Association. Any subsidy paid to the Association by Declarant may be treated as a contribution or a loan, in Declarant's sole and absolute discretion. Any subsidy and the characterization thereof may be disclosed as a line item in the annual budget prepared by the Board and attributable to such Assessments. The payment of a subsidy in any given year will not obligate Declarant to continue payment of a subsidy to the Association in future years.

6.2 **Maintenance Fund.** The Board will establish a maintenance fund into which will be deposited all monies paid to the Association and from which disbursements will be made in performing the functions of the Association under this Declaration. The funds of the Association may be used for any purpose authorized by the Restrictions and Applicable Law.

6.3 **Regular Assessments.** Prior to the beginning of each fiscal year, the Board will prepare a budget for the purpose of determining amounts sufficient to pay the estimated net expenses of the Association (the "**Regular Assessments**") which sets forth: (i) an estimate of the expenses to be incurred by the Association during such year in performing its functions and exercising its powers under the Restrictions, including, but not limited to, the cost of all management, repair and maintenance, the cost of providing street and other lighting, the cost of administering and enforcing the Restrictions, (ii) an estimate the amount needed to maintain a reasonable provision for contingencies and an appropriate replacement reserve, and will give due consideration to any expected income and any surplus from the prior year's fund; and which (iii) excludes the operation, maintenance, repair and management costs and expenses associated with any Service Area and Special Common Area. Assessments sufficient to pay such estimated net expenses will then be levied at the level of Assessments set by the Board in its sole and absolute discretion, and the Board's determination will be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including nonpayment of any Assessment, the Association may at any time, and from time to time, levy further Assessments in the same manner. All such Regular Assessments will be due and payable to the Association annually on or before the first day of the month, or in such other manner as the Board may designate in its sole and absolute discretion.

6.4 **Working Capital Assessment.** Each Owner will pay a one-time working capital assessment (the "**Working Capital Assessment**") to the Association in such amount, if any, as may be determined by the Board from time to time in its sole and absolute discretion. Such Working Capital Assessment need not be uniform among all Lots, and the Board is expressly authorized to levy Working Capital Assessments of varying amounts depending on the size, use and general character of the Lots then being made subject to such levy. The Association may use the working capital to discharge operating expenses. The levy of any Working Capital Assessment will be effective only upon the Recordation of a written notice, signed by a duly authorized officer of the Association, setting forth the amount of the Working Capital Assessment and the Lots to which it applies.

Notwithstanding the foregoing provision, the following transfers will not be subject to the Working Capital Assessment: (i) foreclosure of a deed of trust lien, tax lien, or the Association's Assessment lien; (ii) transfer to, from, or by the Association; or (iii) voluntary transfer by an Owner to one or more co-owners, or to the Owner's spouse, child, or parent. Additionally, the Declarant and an Owner who is a Homebuilder will not be subject to the Working Capital Assessment; however, the Working Capital Assessment will be payable by any Owner who acquires a Lot from the Declarant or the Homebuilder. In the event of any dispute regarding the application of the Working Capital Assessment to a particular Owner, the

determination by the Declarant during the Development Period, and the Board thereafter, regarding application of the exemption will be binding and conclusive without regard to any contrary interpretation of this *Section 6.4*. The Working Capital Assessment will be in addition to, not in lieu of, any other Assessments levied in accordance with this *Article 6* and will not be considered an advance payment of such Assessments. The Working Capital Assessment hereunder will be due and payable by the transferee to the Association immediately upon each transfer of title to the Lot, including upon transfer of title from one Owner of such Lot to any subsequent purchaser or transferee thereof. The Declarant during the Development Period, and thereafter the Board, will have the power to waive the payment of any Working Capital Assessment attributable to a Lot (or all Lots) by the Recordation of a waiver, which waiver may be temporary or permanent.

**6.5 Special Assessments.** In addition to the Regular Assessments provided for above, the Board may levy special assessments (the "**Special Assessments**") whenever in the Board's opinion such Special Assessments are necessary to enable the Board to carry out the functions of the Association under the Restrictions. The amount of any Special Assessments will be at the reasonable discretion of the Board. In addition to the Special Assessments authorized above, the Association may, in any fiscal year, levy a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area or Special Common Area. Any Special Assessment levied by the Association for the purpose of defraying, in whole or in part, costs of any construction, reconstruction, repair or replacement of capital improvement upon the Common Area will be levied against all Owners based on Assessment Units. Any Special Assessments levied by the Association for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon any Special Common Area will be levied against all Owners who have been assigned the obligation to pay Special Common Area Assessments and based on Assessment Units.

**6.6 Special Common Area Assessments.** Prior to the beginning of each fiscal year, the Board will prepare a separate budget covering the estimated expenses to be incurred by the Association to operate, maintain, repair, or manage any Special Common Area. The budget will be an estimate of the amount needed to operate, maintain, repair and manage such Special Common Area including a reasonable provision for contingencies and an appropriate replacement reserve, and will give due consideration to any expected income and surplus from the prior year's fund. The level of assessments levied to pay for expenses associated with a Special Common Area (the "**Special Common Area Assessments**") will be set by the Board in its sole and absolute discretion, and the Board's determination will be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including non-payment of any individual Special Common Area Assessment, the Association may at any time, and from time to time, levy further Special Common Area Assessments in the same manner as aforesaid. All such Special Common Area Assessments will be due and payable to the Association at the beginning of the fiscal year or during the fiscal year in equal monthly

installments on or before the first day of each month, or in such other manner as the Board may designate in its sole and absolute discretion.

**6.7 Service Area Assessments.** Prior to the beginning of each fiscal year, the Board will prepare a separate budget for each Service Area reflecting the estimated Service Area Expenses to be incurred by the Association in the coming year which may include a reasonable provision for contingencies and an appropriate replacement reserve. The total amount of assessments levied to pay for Service Area Expenses for each Service Area (the "**Service Area Assessments**") will be allocated either: (i) equally; (ii) based on Assessment Units; (iii) based on the benefit received among all Lots within the benefited Service Area; or (iv) based on the benefit received among certain designated Lots in the benefited Service Area. All amounts that the Association collects as Service Area Assessments will be expended solely for the benefit of the Service Area for which they were collected and will be accounted for separately from the Association's general funds.

**6.8 Individual Assessments.** In addition to any other Assessments, the Board may levy an individual assessment (the "**Individual Assessment**") against an Owner and the Owner's Lot. Individual Assessments may include, but are not limited to: interest, late charges, and collection costs on delinquent Assessments; reimbursement for costs incurred in bringing an Owner or the Owner's Lot into compliance with the Declaration; fines for violations of the Restrictions; transfer-related fees and resale certificate fees; fees for estoppel letters and project documents; insurance deductibles; reimbursement for damage or waste caused by willful or negligent acts of the Owner, the Owner's guests, invitees or Residents of the Owner's Lot; common expenses that benefit fewer than all of the Lots, which may be assessed according to benefit received; fees or charges levied against the Association on a per-Lot basis; and "pass through" expenses for services to Lots provided through the Association and which are paid by each Lot according to the benefit received.

**6.9 Amount of Assessment.**

**6.9.1 Assessments to be Levied.** The Board shall levy Assessments against each "Assessment Unit" (as defined in *Section 6.9.2* below). Unless otherwise provided in this Declaration, Assessments levied pursuant to *Section 6.3* and *Section 6.5* shall be levied uniformly against each Assessment Unit allocated to a Lot. Special Common Area Assessments levied pursuant to *Section 6.6* will be levied uniformly against each Assessment Unit allocated to a Lot that has been assigned the obligation to pay Special Common Area Assessments for specified Special Common Area. Service Area Assessments levied pursuant to *Section 6.7* will be levied either: (i) equally; (ii) based on Assessment Units allocated to the Lots within the Service Area; (iii) based on the benefit received among all Lots within the Service Area to which such Service Area Assessment relates; or (iv) based on the benefit received among certain designated Lots in the benefited Service Area to which such Service Area Assessment relates.

6.9.2 Assessment Unit. Each Lot shall constitute one "Assessment Unit" unless otherwise provided in *Section 6.9.3 and 6.9.4.*

6.9.3 Declarant Exemption. Notwithstanding anything in this Declaration to the contrary, no Assessments shall be levied upon Lots owned by Declarant.

6.9.4 Other Exemptions. Declarant may, in its sole discretion, elect to: (i) exempt any un-platted or unimproved portion of the Property or any Lot from any Assessments levied or charged pursuant to this *Article 6*; or (ii) delay the levy of Assessments against any un-platted, unimproved or improved portion of the Property. Declarant or the Board may also exempt any portion of the Property which is dedicated and accepted by public authority from Assessments.

6.10 Late Charges. If any Assessment is not paid by the due date applicable thereto, the Owner responsible for the payment may be required by the Board, at the Board's election at any time and from time to time, to pay a late charge in such amount as the Board may designate, and the late charge (and any reasonable handling costs) will be levied as an Individual Assessment against the Lot owned by such Owner, collectible in the manner as provided for collection of Assessments, including foreclosure of the lien against such Lot; provided, however, such charge will never exceed the maximum charge permitted under Applicable Law.

6.11 Owner's Personal Obligation; Interest. Assessments levied as provided for herein will be the personal and individual debt of the Owner of the Lot against which are levied such Assessments. No Owner may exempt himself from liability for such Assessments. In the event of default in the payment of any such Assessment, the Owner of the Lot will be obligated to pay interest on the amount of the Assessment at the highest rate allowed by applicable usury laws then in effect on the amount of the Assessment from the due date therefor (or if there is no such highest rate, then at the rate of one and one half percent (1 1/2%) per month), together with all costs and expenses of collection, including reasonable attorney's fees. Such amounts will be levied as an Individual Assessment against the Lot owned by such Owner.

6.12 Assessment Lien and Foreclosure. The payment of all sums assessed in the manner provided in this Article is, together with late charges as provided in *Section 6.10* and interest as provided in *Section 6.11* hereof and all costs of collection, including attorney's fees as herein provided, secured by the continuing Assessment lien granted to the Association pursuant to *Section 6.1.2* above, and will bind each Lot in the hands of the Owner thereof, and such Owner's heirs, devisees, personal representatives, successors or assigns. The aforesaid lien will be superior to all other liens and charges against such Lot, except only for: (i) tax and governmental assessment liens; (ii) all sums secured by a Recorded first mortgage lien or first deed of trust lien of record, to the extent such lien secures sums borrowed for the acquisition or improvement of the Lot in question and (iii) home equity loans or home equity lines of credit which are secured by a Recorded second mortgage lien or Recorded second deed of trust lien of

record; provided that, in the case of subparagraphs (ii) and (iii) above, such Mortgage was Recorded before the delinquent Assessment was due. The Association will have the power to subordinate the aforesaid Assessment lien to any other lien. Such power will be entirely discretionary with the Board, and such subordination may be signed by an authorized officer, agent or attorney of the Association. The Association may, at its option and without prejudice to the priority or enforceability of the Assessment lien granted hereunder, prepare a written notice of Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien and a description of the Lot. Such notice may be signed by one of the authorized officers, agents, or attorneys of the Association and will be Recorded. Each Owner, by accepting a deed or ownership interest to a Lot subject to this Declaration, will be deemed conclusively to have granted a power of sale to the Association to secure and enforce the Assessment lien granted hereunder. The Assessment liens and rights to foreclosure thereof will be in addition to and not in substitution of any other rights and remedies the Association may have by law and under this Declaration, including the rights of the Association to institute suit against such Owner personally obligated to pay the Assessment and/or for foreclosure of the aforesaid lien. In any foreclosure proceeding, such Owner will be required to pay the costs, expenses and reasonable attorney's fees incurred. The Association will have the power to bid (in cash or by credit against the amount secured by the lien) on the property at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. Upon the written request of any Mortgagee, the Association will report to said Mortgagee any unpaid Assessments remaining unpaid for longer than sixty (60) days after the same are due. The lien hereunder will not be affected by the sale or transfer of any Lot; except, however, that in the event of foreclosure of any lien superior to the Assessment lien, the lien for any Assessments that were due and payable before the foreclosure sale will be extinguished, provided that past-due Assessments will be paid out of the proceeds of such foreclosure sale only to the extent that funds are available after the satisfaction of the indebtedness secured by the Mortgage. The provisions of the preceding sentence will not, however, relieve any subsequent Owner (including any Mortgagee or other purchaser at a foreclosure sale) from paying Assessments becoming due and payable after the foreclosure sale. Upon payment of all sums secured by a lien of the type described in this *Section 6.12*, the Association will upon the request of the Owner, and at such Owner's cost, execute a release of lien relating to any lien for which written notice has been Recorded as provided above, except in circumstances in which the Association has already foreclosed such lien. Such release will be signed by an authorized officer, agent, or attorney of the Association. In addition to the lien hereby retained, in the event of nonpayment by any Owner of any Assessment and after the lapse of at least twelve (12) days since such payment was due, the Association may, upon five (5) days' prior written notice (which may run concurrently with such twelve (12) day period) to such Owner, in addition to all other rights and remedies available pursuant to Applicable Law, terminate, in such manner as the Board deems appropriate, any utility or cable service provided through the Association and not paid for directly by an Owner or Resident to the utility or service provider. Such notice will consist of a separate mailing or hand delivery at least five (5) days prior to a stated date of disconnection, with the title "termination notice" or similar language prominently displayed on

the notice. The notice will include the office or street address where the Owner or the Owner's tenant can make arrangements for payment of the bill and for reconnection of service. Utility or cable service will not be disconnected on a day, or immediately preceding a day, when personnel are not available for the purpose of collection and reconnecting such services. Except as otherwise provided by Applicable Law, the sale or transfer of a Lot will not relieve the Owner of such Lot or such Owner's transferee from liability for any Assessments thereafter becoming due or from the lien associated therewith. If an Owner conveys its Lot and on the date of such conveyance Assessments against the Lot remain unpaid, or said Owner owes other sums or fees under this Declaration to the Association, the Owner will pay such amounts to the Association out of the sales price of the Lot, and such sums will be paid in preference to any other charges against the Lot other than liens superior to the Assessment lien and charges in favor of the State of Texas or a political subdivision thereof for taxes on the Lot which are due and unpaid. The Owner conveying such Lot will remain personally liable for all such sums until the same are fully paid, regardless of whether the transferee of the Lot also assumes the obligation to pay such amounts. The Board may adopt an administrative transfer fee to cover the expenses associated with updating the Association's records upon the transfer of a Lot to a third party; provided, however, that no transfer fee will be due upon the transfer of a Lot from Declarant to a third party.

**Yes, the Association can foreclose on your Lot!**  
**If you fail to pay assessments to the Association, you may lose title to your Lot if the Association forecloses its assessment lien.**

**6.13 Exempt Property.** The following areas will be exempt from the Assessments provided for in this Article:

- (i) All area dedicated and accepted by a public authority;
- (ii) The Common Area and the Special Common Area; and
- (iii) Any portion of the Property owned by Declarant.

**6.14 Fines and Damages Assessment.**

**6.14.1 Board Assessment.** The Board may assess fines against an Owner for violations of the Restrictions which have been committed by an Owner, a Resident, or the Owner or Residents guests, agents or invitees. Any fine and/or charge for damage levied in accordance with this *Section 6.14* will be considered an Individual Assessment pursuant to this Declaration. Each day of violation may be considered a separate violation if the violation continues after written notice to the Owner. The Board may assess damage charges against an Owner for pecuniary loss to the Association from property damage or destruction of Common Area or any facilities caused by the Owner, Resident, or their guests, agents, or invitees. The Manager will have authority to send notices to alleged violators, informing them of their violations and asking them to comply with the Rules and Regulations and/or informing them of

potential or probable fines or damage assessments. The Board may from time to time adopt a schedule of fines.

6.14.2 Lien Created. The payment of each fine and/or damage charge levied by the Board against the Owner of a Lot is, together with interest as provided in *Section 6.11* hereof and all costs of collection, including attorney's fees as herein provided, secured by the lien granted to the Association pursuant to *Section 6.1.2* of this Declaration. Unless otherwise provided in this *Section 6.14*, the fine and/or damage charge will be considered an Assessment for the purpose of this Article and will be enforced in accordance with the terms and provisions governing the enforcement of assessments pursuant to this *Article 6*.

## ARTICLE 7 ARCHITECTURAL CONTROL COMMITTEE

Declarant has a substantial interest in ensuring that Improvements within the Property maintain and enhance Declarant's reputation as a community developer and do not impair Declarant's ability to market and sell all or any portion of the Property. Until Declarant has delegated its right to appoint and remove all members of the ACC to the Board as provided in *Section 7.2.1* below, the ACC will be acting solely in Declarant's interest and will owe no duty to any other Owner or the Association. Notwithstanding any provision in this Declaration to the contrary, Declarant may appoint a single person to exercise the rights of the ACC.

7.1 Construction of Improvements. No Improvement may be erected, placed, constructed, painted, altered, modified or remodeled on any Lot, and no Lot may be re-subdivided or consolidated with other Lots or Property, by anyone other than Declarant without the prior written approval of the ACC.

### 7.2 Architectural Control Committee.

7.2.1 Composition. The ACC will be composed of not more than three (3) persons (who need not be Members or Owners) appointed as provided below, who will review Improvements proposed to be made by any Owner other than Declarant. Declarant will have the right to appoint and remove (with or without cause) all members of the ACC. Declarant may assign its right to appoint all members of the ACC to the Association by Recorded written instrument, and thereafter, the Board will have the right to appoint and remove (with or without cause) all members of the ACC. Any assignment by Declarant of the right to appoint and remove all members of the ACC may be withdrawn until expiration of twenty-four (24) months after the expiration of the Development Period. If Declarant withdraws its assignment of the right to appoint and remove all members of the ACC, then on the date of such withdrawal, Declarant will have the right to appoint and remove (with or without cause) all members of the ACC. Declarant's right to appoint all members of the ACC will automatically be assigned to the Association upon the expiration of twenty-four (24) months after the expiration of the Development Period. Declarant, at its option, may create and assign specific

duties and responsibilities to one or more sub-committees consisting of members and/or nonmembers of the ACC. In the event responsibilities and duties are assigned to a sub-committee, those responsibilities and duties will no longer be discharged by the ACC unless the sub-committee exercising such duties and responsibilities is dissolved by Declarant. The right to create, dissolve, and appoint members of such sub-committees will reside exclusively with Declarant until such time as Declarant has assigned its right to appoint members of the ACC to the Association. The ACC will have the right to employ consultants and advisors as it deems necessary or appropriate.

7.2.2 Submission and Approval of Plans and Specifications. Construction plans and specifications or, when an Owner desires solely to re-subdivide or consolidate Lots, a proposal for such re-subdivision or consolidation, will be submitted in accordance with the Design Guidelines, if any, or any additional rules adopted by the ACC together with any review fee which is imposed by the ACC in accordance with *Section 7.2.3* to the ACC at the offices of Declarant, at such address as may hereafter be designated in writing from time to time. No re-subdivision or consolidation will be made, nor any Improvement placed or allowed on any Lot, until the plans and specifications and the builder which the Owner intends to use to construct the proposed structure or Improvement have been approved in writing by a Majority of the members of the ACC. The ACC may, in reviewing such plans and specifications consider any information that it deems proper; including, without limitation, any permits, environmental impact statements or percolation tests that may be required by the ACC or any other entity; and harmony of external design and location in relation to surrounding structures, topography, vegetation, and finished grade elevation. The ACC may postpone its review of any plans and specifications submitted for approval pending receipt of any information or material which the ACC, in its sole discretion, may require. Site plans must be approved by the ACC prior to the clearing of any Lot, or the construction of any Improvements. The ACC may refuse to approve plans and specifications for proposed Improvements, or for the re-subdivision or consolidation of any Lot on any grounds that, in the sole and absolute discretion of the ACC, are deemed sufficient, including, but not limited to, purely aesthetic grounds.

7.2.3 Design Guidelines. Declarant shall have the right, but shall have no obligation to, adopt Design Guidelines and, during the Development Period, will have the power from time to time, to adopt (unless previously adopted by Declarant), amend, modify, or supplement the Design Guidelines, if any. Upon expiration or termination of the Development Period, the ACC, or any sub-committee thereof created pursuant to *Section 7.2.1*, will have the power from time to time, to adopt (if not previously adopted by Declarant), to amend, modify, or supplement the Design Guidelines, if any; provided, however, that any amendment to the Design Guidelines made by a sub-committee will only apply to the Improvements under the jurisdiction of such sub-committee, and during the Development Period, any such amendment, modification or supplement must be approved in advance and in writing by the Declarant. In the event of any conflict between the terms and provisions of the Design Guidelines, if any, and the terms and provisions of this Declaration, the terms and provisions of this Declaration will control. In addition, the ACC will have the power and authority to impose a fee for the review

of plans, specifications and other documents and information submitted to it pursuant to the terms of this Declaration. Such charges will be held by the ACC and used to defray the administrative expenses incurred by the ACC in performing its duties hereunder; provided, however, that any excess funds held by the ACC will be distributed to the Association at the end of each calendar year. The ACC will not be required to review any plans until a complete submittal package, as required by this Declaration and the Design Guidelines, is assembled and submitted to the ACC. The ACC will have the authority to adopt such additional procedural and substantive rules and guidelines (including, without limitation, the imposition of any requirements for certificates of compliance or completion relating to any Improvement and the right to approve in advance any contractor selected for the construction of Improvements), not in conflict with this Declaration, as it may deem necessary or appropriate in connection with the performance of its duties hereunder.

7.2.4 Actions of the Architectural Control Committee. The ACC may, by resolution unanimously adopted in writing, designate one or more of its members, or an agent acting on its behalf, to take any action or perform any duties for and on behalf of the ACC, except the granting of variances. In the absence of such designation, the vote of a Majority of all of the members of the ACC taken at a duly constituted meeting will constitute an act of the ACC.

7.2.5 Failure to Act. In the event that any plans and specifications are submitted to the ACC as provided herein, and the ACC fails either to approve or reject such plans and specifications for a period of sixty (60) days following such submission, rejection of such plans and specifications by the ACC will be presumed. In furtherance, and not in limitation, of the foregoing, any failure of the ACC to act upon a request for a variance will not be deemed a consent to such variance, and the ACC's written approval of all requests for variances will be expressly required.

7.2.6 Variances. The ACC may grant variances, in its sole and absolute discretion, from compliance with any of the provisions of the Design Guidelines, if any, or this Declaration. All variances must be evidenced in writing and must be signed by at least a Majority of the members of the ACC. Each variance must also be Recorded; provided however, that failure to record a variance will not affect the validity thereof or give rise to any claim or cause of action against the ACC, including the Declarant or its designee, the Association, or the Board. If a variance is granted, no violation of the covenants, conditions, or restrictions contained in this Declaration or the Design Guidelines, if any, will be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such variance will not operate to waive or amend any of the terms and provisions of this Declaration or the Design Guidelines, if any, for any purpose except as to the particular property and in the particular instance covered by the variance, and such variance will not be considered to establish a precedent for any future waiver, modification, or amendment of the terms and provisions of this Declaration or the Design Guidelines, if any.

7.2.7 Duration of Approval. The approval of the ACC of any plans and specifications, and any variances granted by the ACC, will be valid for a period of one hundred and twenty (120) days only. If construction in accordance with such plans and specifications or variance is not commenced within such one hundred and twenty (120) day period and diligently prosecuted to completion within either: (i) one year after issuance of approval of such plans and specifications; or (ii) such other period thereafter as determined by the ACC, in its sole and absolute discretion, the Owner will be required to resubmit such plans and specifications or request for a variance to the ACC, and the ACC will have the authority to re-evaluate such plans and specifications in accordance with this *Section 7.2.7* and may, in addition, consider any change in circumstances which may have occurred since the time of the original approval.

7.2.8 No Waiver of Future Approvals. The approval of the ACC to any plans or specifications for any work done or proposed in connection with any matter requiring the approval or consent of the ACC will not be deemed to constitute a waiver of any right to withhold approval or consent as to any plans and specifications on any other matter, subsequently or additionally submitted for approval by the same or a different person, nor will such approval or consent be deemed to establish a precedent for future approvals by the ACC.

7.2.9 Non-Liability of Committee Members. NEITHER DECLARANT, THE BOARD, THE ARCHITECTURAL CONTROL COMMITTEE, NOR ANY MEMBER WILL BE LIABLE TO ANY OWNER OR TO ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR INJURY ARISING OUT OF THE PERFORMANCE OF THE ARCHITECTURAL CONTROL COMMITTEE'S DUTIES UNDER THIS DECLARATION.

## ARTICLE 8 MORTGAGE PROVISIONS

The following provisions are for the benefit of holders, insurers and guarantors of first Mortgages on Lots within the Property. The provisions of this Article apply to the Declaration and the Bylaws of the Association.

8.1 Notice of Action. An institutional holder, insurer, or guarantor of a first Mortgage which provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Lot to which its Mortgage relates (thereby becoming an "Eligible Mortgage Holder"), will be entitled to timely written notice of:

- (i) Any condemnation loss or any casualty loss which affects a material portion of the Property or which affects any Lot on which there is an eligible Mortgage held, insured, or guaranteed by such Eligible Mortgage Holder;
- or

(ii) Any delinquency in the payment of assessments or charges owed for a Lot subject to the Mortgage of such Eligible Mortgage Holder, where such delinquency has continued for a period of sixty (60) days, or any other violation of the Restrictions relating to such Lot or the Owner or Resident which is not cured within sixty (60) days; or

(iii) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

8.2 **Examination of Books.** The Association will permit Mortgagees to examine the books and records of the Association during normal business hours.

8.3 **Taxes, Assessments and Charges.** All taxes, assessments and charges that may become liens prior to first lien mortgages under Applicable Law will relate only to the individual Lots and not to any other portion of the Property.

## ARTICLE 9 GENERAL PROVISIONS

9.1 **Term.** The terms, covenants, conditions, restrictions, easements, charges, and liens set out in this Declaration will run with and bind the Property, and will inure to the benefit of and be enforceable by the Association, and every Owner, including Declarant, and their respective legal representatives, heirs, successors, and assigns, for a term beginning on the date this Declaration is Recorded, and continuing through and including January 1, 2065, after which time this Declaration will be automatically extended for successive periods of ten (10) years unless a change (the word "change" meaning a termination, or change of term or renewal term) is approved in a resolution adopted by Members entitled to cast at least sixty-seven percent (67%) of the total number of votes of the Association, voting in person or by proxy at a meeting duly called for such purpose, written notice of which will be given to all Members at least thirty (30) days in advance and will set forth the purpose of such meeting; provided, however, that such change will be effective only upon the Recording of a certified copy of such resolution. The foregoing sentence shall in no way be interpreted to mean sixty-seven percent (67%) of a quorum as established pursuant to the Bylaws. Notwithstanding any provision in this *Section 9.1* to the contrary, if any provision of this Declaration would be unlawful, void, or voidable by reason of any Applicable Law restricting the period of time that covenants on land may be enforced, such provision will expire twenty-one (21) years after the death of the last survivor of the now living, as of the date of the Recording of this document, descendants of Elizabeth II, Queen of England.

9.2 **Eminent Domain.** In the event it becomes necessary for any public authority to acquire all or any part of the Common Area or Special Common Area for any public purpose during the period this Declaration is in effect, the Board is hereby authorized to negotiate with such public authority for such acquisition and to execute instruments necessary for that

purpose. Should acquisitions by eminent domain become necessary, only the Board need be made a party, and in any event the proceeds received will be held by the Association for the benefit of the Owners. In the event any proceeds attributable to acquisition of Common Area are paid to Owners, such payments will be allocated on the basis of Assessment Units and paid jointly to the Owners and the holders of Mortgages or deeds of trust on the respective Lot. In the event any proceeds attributable to acquisition of Special Common Area are paid to Owners who have been assigned the obligation to pay Special Common Area Assessments attributable to such Special Common Area, such payment will be allocated on the basis of Assessment Units and paid jointly to such Owners and the holders of Mortgages or deeds of trust on their respective Lot.

**9.3 Amendment.** This Declaration may be amended or terminated by the Recording of an instrument executed and acknowledged by: (i) Declarant acting alone; or (ii) by the president and secretary of the Association setting forth the amendment and certifying that such amendment has been approved by Declarant (until expiration or termination of the Development Period) and Members entitled to cast at least sixty-seven percent (67%) of the total number of votes entitled to be cast by members of the Association. The foregoing sentence shall in no way be interpreted to mean sixty-seven percent (67%) of a quorum as established pursuant to the Bylaws. No amendment will be effective without the written consent of Declarant, its successors or assigns, during the Development Period.

**9.4 Enforcement.** The Association and the Declarant will have the right to enforce, by a proceeding at law or in equity, the Restrictions. The Association and/or the Declarant may initiate, defend, or intervene in any action brought to enforce any provision of the Restrictions. Such right of enforcement will include both damages for and injunctive relief against the breach of any provision hereof. Every act or omission whereby any provision of the Restrictions is violated, in whole or in part, is hereby declared to be a nuisance and may be enjoined or abated by any Owner of a Lot (at such Owner's own expense), Declarant or the Association. Any violation of any Applicable Law pertaining to the ownership, occupancy, or use of any portion of the Property is hereby declared to be a violation of this Declaration and subject to all of the enforcement procedures set forth herein. Failure to enforce any right, provision, covenant, or condition set forth in the Restrictions will not constitute a waiver of the right to enforce such right, provision, covenants or condition in the future. Failure of the Declarant or the Association to enforce the terms and provisions of the Restrictions shall in no event give rise to any claim or liability against the Declarant, the Association, or any of their partners, directors, officers, or agents.

**9.5 Higher Authority.** The terms and provisions of this Declaration are subordinate to Applicable Law. Generally, the terms and provisions of this Declaration are enforceable to the extent they do not violate or conflict with Applicable Law.

**9.6 Severability.** If any provision of this Declaration is held to be invalid by any court of competent jurisdiction, such invalidity will not affect the validity of any other provision

of this Declaration, or, to the extent permitted by Applicable Law, the validity of such provision as applied to any other person or entity.

9.7 **Conflicts**. If there is any conflict between the provisions of this Declaration, the Certificate, the Bylaws, or any Rules and Regulations adopted pursuant to the terms of such documents, the provisions of this Declaration, the Certificate, the Bylaws, and the Rules and Regulations, in such order, will govern.

9.8 **Gender**. Whenever the context so requires, all words herein in the male gender will be deemed to include the female or neuter gender, all singular words will include the plural, and all plural words will include the singular.

9.9 **Acceptance by Owners**. Each Owner of a Lot or other real property interest in the Property, by the acceptance of a deed of conveyance, or each subsequent purchaser, accepts the same subject to all terms, restrictions, conditions, covenants, reservations, easements, liens and charges, and the jurisdiction rights and powers created or reserved by this Declaration or to whom this Declaration is subject, and all rights, benefits and privileges of every character hereby granted, created, reserved or declared. Furthermore, each Owner agrees that no assignee or successor to Declarant hereunder will have any liability for any act or omission of Declarant which occurred prior to the effective date of any such succession or assignment. All impositions and obligations hereby imposed will constitute covenants running with the land within the Property, and will bind any person having at any time any interest or estate in the Property, and will inure to the benefit of each Owner in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance.

9.10 **Damage and Destruction**. The Association shall undertake the following actions subsequent to damage or destruction to all or any part of the Common Area or Special Common Area covered by insurance:

9.10.1 **Claims**. Promptly after damage or destruction by fire or other casualty to all or any part of the Common Area or the Special Common Area covered by insurance, the Board, or its duly authorized agent, will proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair of the damage. Repair, as used in this *Section 9.10.1*, means repairing or restoring the Common Area or the Special Common Area to substantially the same condition as existed prior to the fire or other casualty.

9.10.2 **Repair Obligations**. Any damage to or destruction of the Common Area or the Special Common Area will be repaired unless a Majority of the Board decides within sixty (60) days after the casualty not to repair. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair, or both, are not made available to the Association within said period, then the period will be extended until such information will be made available.

9.10.3 Restoration. In the event that it should be determined by the Board that the damage or destruction of the Common Area or the Special Common Area will not be repaired and no alternative Improvements are authorized, then the affected portion of the Common Area or the Special Common Area will be restored to its natural state and maintained as an undeveloped portion of the Common Area or the Special Common Area by the Association in a neat and attractive condition.

9.10.4 Special Assessment for Common Area. If insurance proceeds are paid to restore or repair any damaged or destroyed Common Area, and such proceeds are not sufficient to defray the cost of such repair or restoration, the Board will levy a Special Assessment, as provided in *Article 6*, against all Owners. Additional Assessments may be made in like manner at any time during or following the completion of any repair.

9.10.5 Special Assessment for Special Common Area. If insurance proceeds are paid to restore or repair any damaged or destroyed Special Common Area, and such proceeds are not sufficient to defray the cost of such repair or restoration, the Board will levy a Special Common Area Assessment, as provided in *Article 6*, against all Owners who have been assigned the obligation to pay Special Common Area Assessments attributable to such Special Common Area. Additional Assessments may be made in like manner at any time during or following the completion of any repair.

9.10.6 Proceeds Payable to Owners. In the event that any proceeds of insurance policies are paid to Owners as a result of any damage or destruction to any Common Area, such payments will be allocated based on Assessment Units and paid jointly to the Owners and the holders of Mortgages or deeds of trust on their Lots.

9.10.7 Proceeds Payable to Owners Responsible for Special Common Area. In the event that any proceeds of insurance policies are paid to Owners as a result of any damage or destruction to Special Common Area, such payments will be allocated based on Assessment Units and will be paid jointly to the Owners who have been assigned the obligation to pay Special Common Area Assessments attributable to such Special Common Area and the holders of first Mortgages or deeds of trust on their Lots.

**9.11 No Partition**. Except as may be permitted in this Declaration or amendments thereto, no physical partition of the Common Area or Special Common Area or any part thereof will be permitted, nor will any person acquiring any interest in the Property or any part thereof seek any such judicial partition thereof unless the portion of the Property, the Common Area or the Special Common Area in question has been removed from the provisions of this Declaration pursuant to *Section 11.4* below. This *Section 9.11* will not be construed to prohibit the Board from acquiring and disposing of tangible personal property or from acquiring title to real property that may or may not be subject to this Declaration, nor will this provision be constructed to prohibit or affect the creation of a condominium regime in accordance with the Texas Uniform Condominium Act.

**9.12 Notices.** Any notice permitted or required to be given to any person by this Declaration will be in writing and may be delivered either personally or by mail, or as otherwise required by Applicable Law. If delivery is made by mail, it will be deemed to have been delivered on the third (3rd) day (other than a Sunday or legal holiday) after a copy of the same has been deposited in the United States mail, postage prepaid, addressed to the person at the address given by such person to the Association for the purpose of service of notices. Such address may be changed from time to time by notice in writing given by such person to the Association.

**9.13 View Impairment.** Neither Declarant nor the Association guarantee or represent that any view over and across the Lots, or any open space or Common Area or Special Common Area within the Property will be preserved without impairment. Neither the Declarant, the ACC, nor the Association shall have any obligation to relocate, prune, or thin trees, or perform other landscaping. The Association (with respect to any Common Area or Special Common Area) will have the right to add trees and other landscaping from time to time, subject to Applicable Law. There shall be no express or implied easements for view purposes or for the passage of light and air.

**9.14 Safety and Security.** Each Owner and Resident of a Lot, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property within the Property, the Common Area and the Special Common Area. The Association may, but shall not be obligated to, maintain or support certain activities within the Property, the Common Area and the Special Common Area designed to promote or enhance the level of safety or security which each person provides for himself or herself and his or her property. However, neither the Association nor Declarant shall in any way be considered insurers or guarantors of safety or security within the Property, the Common Area, or the Special Common Area, nor shall either be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. No representation or warranty is made that any systems or measures, including security monitoring systems or any mechanism or system for limiting access to the Property, the Common Area or the Special Common Area, cannot be compromised or circumvented; or that any such system or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands, and shall be responsible for informing any Residents of such Owner's Lot that the Association, its Board and committees, and the Declarant are not insurers or guarantors of security or safety and that each person within the Property assumes all risks of personal injury and loss or damage to the property, including any residences or Improvements constructed upon any Lot and the contents thereof, resulting from acts of third parties.

**9.15 Notice Concerning Mineral Reservation.** Each Owner is hereby informed that Declarant has conveyed to an affiliated entity all right, title and interest, if any, of Declarant in all minerals, resources, and groundwater, including but not limited to oil, gas and hydrocarbons, in, on or under, and/or that may be produced from, the Property. The

conveyance instrument (the “**Mineral Deed**”) includes a provision whereby the owner of the minerals, resources and groundwater, if any, conveyed by such Mineral Deed will not be permitted to use the surface of the Property (to a depth of thirty feet below the finished grade of the Property) for the purpose of exploring for, developing or producing such minerals, resources and groundwater on and after the date of the first conveyance of a completed residence on the Property (the “**Surface Waiver**”). This Surface Waiver applies only to the interest, if any, in the minerals, resources and groundwater conveyed by the Mineral Deed. (The minerals, resources and groundwater, or some portion thereof or some interest therein, may have been conveyed or reserved by third parties prior to Declarant's conveyance to its affiliate, and any such portion or interest would not be affected by the Surface Waiver contained in the Mineral Deed. No representation or warranty, express or implied, is made as to the ownership of the minerals, resources and groundwater or any portion thereof or any interest therein. Further, no representation or warranty, express or implied, is made with respect to whether the owner(s), if any, of any interest in or portion of the minerals, resources and groundwater not conveyed by the Mineral Deed has/have waived their rights to use the surface of the Property or the terms of any such waiver of surface rights.) The Surface Waiver in the Mineral Deed does not prevent the owner of the minerals, resources, and groundwater conveyed by the Mineral Deed from exploring, developing, drilling, producing, withdrawing, capturing, pumping, extracting, mining or transporting the minerals, resources, and groundwater by pooling, unitization, directional drilling or any other manner or method that does not require entry upon the surface of the Property. Each Owner should carefully review the title commitment delivered in connection with its acquisition of a Lot to determine the full extent to which the Mineral Deed and any other mineral conveyances affect the Lots and the Property. In addition, if the Declaration includes a prohibition against mineral, resource, and/or groundwater extraction, drilling, or mining, such provision is not binding on the owner(s) of the minerals, resources and groundwater.

## ARTICLE 10 EASEMENTS

**10.1 Right of Ingress and Egress.** Declarant, its agents, employees, designees, successors and assigns will have a right of ingress and egress over and the right of access to the Common Area or the Special Common Area to the extent necessary to use the Common Area or the Special Common Area and the right to such other temporary uses of the Common Area or the Special Common Area as may be required or reasonably desirable (as determined by Declarant in its sole discretion) in connection with the construction and development of the Property. The Property shall be subject to a perpetual non-exclusive easement for the installation and maintenance of, including the right to read meters, service or repair lines and equipment, and to do everything and anything necessary to properly maintain and furnish the Community Systems and the facilities pertinent and necessary to the same, which easement shall run in favor of Declarant. Declarant shall have the right, but not the obligation, to install and provide the Community Systems and to provide the services available through the Community Systems to any and all Lots within the Property. Neither the Association nor any

Owner shall have any interest therein. Any or all of such services may be provided either directly through the Association and paid for as part of the Assessments or directly to Declarant, any affiliate of Declarant, or a third party, by the Owner who receives the services. The Community Systems shall be the property of Declarant unless transferred by Declarant, whereupon any proceeds of such transfer shall belong to Declarant. Declarant shall have the right but not the obligation to convey, transfer, sell or assign all or any portion of the Community Systems or all or any portion of the rights, duties or obligations with respect thereto, to the Association or to any person or entity. The rights of Declarant with respect to the Community Systems installed by Declarant and the services provided through such Community Systems are exclusive, and no other person or entity may provide such services through the Community Systems installed by Declarant without the prior written consent of Declarant. In recognition of the fact that interruptions in cable television and other Community Systems services will occur from time to time, no person or entity described above shall in any manner be liable, and no user of any Community System shall be entitled to any refund, rebate, discount or offset in applicable fees, for any interruption in Community Systems services, regardless of whether or not same is caused by reasons within the control of the then-provider of such services.

**10.2 Reserved Easements.** All dedications, limitations, restrictions and reservations shown on any Plat and all grants and dedications of easements, rights-of-way, restrictions and related rights made by Declarant or any third party prior to the Property becoming subject to this Declaration are incorporated herein by reference and made a part of this Declaration for all purposes as if fully set forth herein, and will be construed as being adopted in each and every contract, deed or conveyance executed or to be executed by or on behalf of Declarant. Declarant reserves the right to relocate, make changes in, and additions to said easements, rights-of-way, dedications, limitations, reservations and grants for the purpose of most efficiently and economically developing the Property.

**10.3 Improvements, Roadway and Utility Easements.** Declarant hereby reserves unto itself and Declarant's agents and employees, a perpetual non-exclusive easement over, under, and across the Property, or any areas conveyed or maintained by the Association, including but not limited to any Service Area, or any areas reserved or held as Common Area or Special Common Area, for installation, operation, maintenance, repair, relocation, removal and/or modification of any Improvements, roadways, walkways, pathways, street lighting, sewer lines, water lines, utility lines, drainage or storm water lines, and/or other pipelines, conduits, wires, and/or any public utility function on, beneath or above the surface of the ground that serve the Property, and any other property owned by Declarant, with the right of access to the same at any time. Declarant will be entitled to unilaterally assign the easements reserved hereunder to any third party who owns, operates or maintains the facilities and Improvements described in this *Section 10.3*. The exercise of the easement reserved herein will not extend to permitting entry into any residence, nor will it unreasonably interfere with the use of any Lot or residence or Improvement constructed thereon. In addition, Declarant may

designate all or any portion of the easements or facilities constructed therein as Common Area, Special Common Area, or a Service Area.

**10.4 Subdivision Entry and Fencing Easement.** Declarant reserves for itself and the Association, an easement over and across the Property, Common Area and any Special Common Area for the installation, maintenance, repair, or replacement of subdivision entry facilities, walls, and/or fencing which serves the Property. Declarant will have the right, from time to time, to Record a written notice which identifies the subdivision entry facilities fencing to which the easement reserved hereunder applies. Declarant may designate all or any portion of the subdivision entry facilities, walls, and/or fencing as Common Area, Special Common Area, or Service Area by Recorded written notice. The exercise of the easements reserved hereunder will not extend to permitting entry into any residence, nor will it unreasonably interfere with the use of any Lot or residence or Improvement constructed thereon.

**10.5 Landscape and Monument Sign Easement.** Declarant hereby reserves for itself and the Association, an easement over and across the Property, Common Area and any Special Common Area for the installation, maintenance, repair or replacement of landscaping, signs, and/or monument signs which serve the Property, the Common Area, the Special Common Area or any other property owned by the Declarant. Declarant will have the right, from time to time, to Record a written notice, which identifies those portions of the Property, Common Area, Special Common Area or property owned by the Declarant to which the easement reserved hereunder applies. Declarant may designate all or any portion of the easement areas reserved hereunder as Common Area, Special Common Area, or Service Area. The exercise of the easements reserved hereunder will not extend to permitting entry into any residence, nor will it unreasonably interfere with the use of any Lot or residence or Improvement constructed thereon.

## ARTICLE 11 DEVELOPMENT RIGHTS

**11.1 Development by Declarant.** It is contemplated that the Property will be developed pursuant to a plan, which may, from time to time, be amended or modified. Declarant reserves the right, but will not be obligated, to pursue the development, construction and marketing of the Property, the right to direct the size, shape, and composition of the Property, the right to create and/or designate Lots and Common Areas, Special Common Areas, and Service Areas to subdivide all or any portion of the Property pursuant to the terms of this *Section 11.1*, subject to any limitations imposed on portions of the Property by any applicable Plat. These rights may be exercised with respect to any portions of the Property, the Common Area, or the Special Common Area. As each area is developed or dedicated, Declarant may designate the use, classification and such additional covenants, conditions and restrictions as Declarant may deem appropriate for that area.

11.2 **Special Declarant Rights.** Notwithstanding any provision of this Declaration to the contrary, at all times, Declarant will have the right and privilege: (i) to erect and maintain advertising signs (illuminated or non-illuminated), sales flags, other sales devices and banners for the purpose of aiding the sale of Lots in the Property; (ii) to maintain Improvements upon Lots as sales, model, management, business and construction offices; and (iii) to maintain and locate construction trailers and construction tools and equipment within the Property, the Common Area, or the Special Common Area. The construction, placement or maintenance of Improvements by Declarant will not be considered a nuisance, and Declarant hereby reserves the right and privilege for itself to conduct the activities enumerated in this *Section 11.2* until twenty-four (24) months after expiration or termination of the Development Period.

11.3 **Addition of Land.** Declarant may, at any time and from time to time, add additional lands to the Property. Upon the Recording of a notice of addition of land, such land will be considered part of the Property for purposes of this Declaration, and such added lands will be considered part of the Property subject to this Declaration and the terms, covenants, conditions, restrictions and obligations set forth in this Declaration, and the rights, privileges, duties and liabilities of the persons subject to this Declaration will be the same with respect to such added land as with respect to the lands originally covered by this Declaration. To add lands to the Property, Declarant will be required only to Record a notice of addition of land containing the following provisions:

- (i) A reference to this Declaration, which reference will state the document number or volume and initial page number wherein this Declaration is Recorded;
- (ii) A statement that such land will be considered Property for purposes of this Declaration, and that all of the terms, covenants, conditions, restrictions and obligations of this Declaration will apply to the added land; and
- (iii) A legal description of the added land.

11.4 **Withdrawal of Land.** Declarant may, at any time and from time to time, reduce or withdraw from the Property, and remove and exclude from the burden of this Declaration and the jurisdiction of the Association any portion of the Property. Upon any such withdrawal and removal this Declaration and the covenants, conditions, restrictions and obligations set forth herein will no longer apply to the portion of the Property withdrawn. To withdraw lands from the Property hereunder, Declarant will be required only to Record a notice of withdrawal of land containing the following provisions:

- (i) A reference to this Declaration, which reference will state the document number or volume and initial page number wherein this Declaration is recorded;

(ii) A statement that the provisions of this Declaration will no longer apply to the withdrawn land; and

(iii) A legal description of the withdrawn land.

**11.5 Assignment of Declarant's Rights.** Notwithstanding any provision in this Declaration to the contrary, Declarant may, by written instrument, assign, in whole or in part, any of its privileges, exemptions, rights and duties under this Declaration to any person or entity and may permit the participation, in whole, in part, exclusively, or non-exclusively, by any other person or entity in any of its privileges, exemptions, rights and duties hereunder.

## ARTICLE 12 DISPUTE RESOLUTION

**12.1 Introduction and Definitions.** The Association, the Owners, Declarant, all persons subject to this Declaration, and any person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, the "**Parties**") agree to encourage the amicable resolution of disputes involving the Property and to avoid the emotional and financial costs of litigation and arbitration if at all possible. Accordingly, each Party hereby covenants and agrees that this Article applies to all Claims as hereafter defined. This *Article 12* may only be amended with the prior written approval of the Declarant, the Association (acting through a Majority of the Board), and Owners holding 100% of the votes in the Association. As used in this Article only, the following words, when capitalized, have the following specified meanings:

12.1.1 "**Claim**" means:

(i) Claims relating to the rights and/or duties of Declarant, the Association, or an Owner, under the Restrictions.

(ii) Claims relating to the acts or omissions of the Declarant or the Association during control and administration of the Association, any claim asserted against the ACC, and any claims asserted against a the Board or a person serving as a Board member or officer of the Association, or the ACC.

(iii) Claims relating to the design or construction of Improvements on the Common Areas, the Special Common Areas or Lots located within the Property.

12.1.2 "**Claimant**" means any Party having a Claim against any other Party.

12.1.3 "**Respondent**" means any Party against which a Claim has been asserted by a Claimant.

**12.2 Mandatory Procedures.** Claimant may not initiate any proceeding before any administrative tribunal seeking redress of resolution of its Claim until Claimant has complied with the procedures of this Article. As provided in *Section 12.8* below, a Claim will be resolved by binding arbitration.

**12.3 Claim Affecting Common Areas or Special Common Areas.** In accordance with *Section 4.12* of this Declaration, the Association does not have the power or right to institute, defend, intervene in, settle, or compromise litigation or administrative proceedings: (i) in the name of or on behalf of any Lot Owner (whether one or more); or (ii) pertaining to a Claim, as defined in *Section 12.1* above, relating to the design or construction of Improvements on a Lot (whether one or more). In the event the Association or a Lot Owner asserts a Claim related to the Common Areas or Special Common Areas, as a precondition to providing the Notice defined in *Section 12.4*, initiating the mandatory dispute resolution procedures set forth in this *Article 12*, or taking any other action to prosecute a Claim related to the Common Areas or Special Common Areas, the Association or a Lot Owner, as applicable, must:

**12.3.1 Independent Report on the Condition of the Common Areas or Special Common Areas.** Obtain an independent third-party report (the "**Common Area Report**") from a licensed professional engineer which: (i) identifies the Common Areas or Special Common Areas subject to the Claim including the present physical condition of the Common Areas or the Special Common Areas; (ii) describes any modification, maintenance, or repairs to the Common Areas or Special Common Areas performed by the Lot Owner(s) and/or the Association; and (iii) provides specific and detailed recommendations regarding remediation and/or repair of the Common Areas or Special Common Areas subject to the Claim. For the purposes of this Section, an independent third-party report is a report obtained directly by the Association or a Lot Owner and paid for by the Association or a Lot Owner, as applicable, and not prepared by a person employed by or otherwise affiliated with the attorney or law firm that represents or will represent the Association or a Lot Owner in the Claim. As a precondition to providing the Notice described in *Section 12.4*, the Association or Lot Owner must provide at least ten (10) days prior written notice of the inspection to each party subject to a Claim which notice shall identify the independent third-party engaged to prepare the Common Area Report, the specific Common Areas or Special Common Areas to be inspected, and the date and time the inspection will occur. Each party subject to a Claim may attend the inspection, personally or through an agent. Upon completion, the Common Area Report shall be provided to each party subject to a Claim. In addition, before providing the Notice described in *Section 12.4*, the Association or the Lot Owner, as applicable, shall have permitted each party subject to a Claim the right, for a period of ninety (90) days, to inspect and correct, any condition identified in the Common Area Report.

**12.3.2 Claim by the Association - Owner Meeting and Approval.** If the Claim is prosecuted by the Association, obtain approval from Members holding sixty-seven percent (67%) of the votes in the Association to provide the Notice described in *Section 12.4*, initiate the mandatory dispute resolution procedures set forth in this *Article 12*, or take any other action to

prosecute a Claim, which approval from Members must be obtained at a special meeting of Members called in accordance with the Bylaws. The notice of meeting required hereunder will be provided pursuant to the Bylaws but the notice must also include: (i) the nature of the Claim, the relief sought, the anticipated duration of prosecuting the Claim, and the likelihood of success; (ii) a copy of the Common Area Report; (iii) a copy of any proposed engagement letter, with the terms of such engagement between the Association and an attorney to be engaged by the Association to assert or provide assistance with the claim (the "Engagement Letter"); (iv) a description of the attorney fees, consultant fees, expert witness fees, and court costs, whether incurred by the Association directly or for which it may be liable if it is not the prevailing party or that the Association will be required, pursuant to the Engagement Letter or otherwise, to pay if the Association elects to not proceed with the Claim; (v) a summary of the steps previously taken, and proposed to be taken, to resolve the Claim; (vi) an estimate of the impact on the value of each Lot if the Claim is prosecuted and an estimate of the impact on the value of each Lot after resolution of the Claim; (vii) an estimate of the impact on the marketability of each Lot if the Claim is prosecuted and during prosecution of the Claim, and an estimate of the impact on the value of each Lot during and after resolution of the Claim; (viii) the manner in which the Association proposes to fund the cost of prosecuting the Claim; and (ix) the impact on the finances of the Association, including the impact on present and projected reserves, in the event the Association is not the prevailing party. The notice required by this paragraph must be prepared and signed by a person other than, and not employed by or otherwise affiliated with, the attorney or law firm that represents or will represent the Association or Lot Owner, as applicable, in the Claim. In the event Members approve providing the Notice described in *Section 12.4*, or taking any other action to prosecute a Claim, the Members holding a Majority of the votes in the Association, at a special meeting called in accordance with the Bylaws, may elect to discontinue prosecution or pursuit of the Claim.

**12.4 Notice.** Claimant must notify Respondent in writing of the Claim (the "Notice"), stating plainly and concisely: (i) the nature of the Claim, including date, time, location, persons involved, and Respondent's role in the Claim; (ii) the basis of the Claim (i.e., the provision of the Restrictions or other authority out of which the Claim arises); (iii) what Claimant wants Respondent to do or not do to resolve the Claim; and (iv) that the Notice is given pursuant to this Section. For Claims governed by Chapter 27 of the Texas Property Code, the time period for negotiation in *Section 12.5* below, is equivalent to the sixty (60) day period under Section 27.004 of the Texas Property Code. If a Claim is subject to Chapter 27 of the Texas Property Code, the Claimant and Respondent are advised, in addition to compliance with *Section 12.5*, to comply with the terms and provisions of Section 27.004 during such sixty (60) day period. *Section 12.5* does not modify or extend the time period set forth in Section 27.004 of the Texas Property Code. Failure to comply with the time periods or actions specified in Section 27.004 could affect a Claim if the Claim is subject to Chapter 27 of the Texas Property Code. The one hundred and twenty (120) day period for mediation set forth in *Section 12.6* below, is intended to provide the Claimant and Respondent with sufficient time to resolve the Claim in the event resolution is not accomplished during negotiation. If the Claim is not

resolved during negotiation, mediation pursuant to *Section 12.6* is required without regard to the monetary amount of the Claim.

If the Claimant is the Association, the Notice will also include: (a) a true and correct copy of the Common Area Report; (b) a copy of the Engagement Letter; (c) copies of all reports, studies, analyses, and recommendations obtained by the Association related to the Common Area or Special Common Area which forms the basis of the Claim; (d) a true and correct copy of the special meeting notice provided to Members in accordance with *Section 12.3.2* above; and (e) reasonable and credible evidence confirming that Members holding sixty-seven percent (67%) of the votes in the Association approved providing the Notice. If the Claimant is not the Association and pertains to the Common Areas or the Special Common Areas, the Notice will also include a true and correct copy of the Common Area Report.

**12.5 Negotiation.** Claimant and Respondent will make every reasonable effort to meet in person to resolve the Claim by good faith negotiation. Within sixty (60) days after Respondent's receipt of the Notice, Respondent and Claimant will meet at a mutually acceptable place and time to discuss the Claim. If the Claim involves all or any portion of the Property, then at such meeting or at some other mutually-agreeable time, Respondent and Respondent's representatives will have full access to the Property that is subject to the Claim for the purposes of inspecting the Property. If Respondent elects to take corrective action, Claimant will provide Respondent and Respondent's representatives and agents with full access to the Property to take and complete corrective action.

**12.6 Mediation.** If the parties negotiate, but do not resolve the Claim through negotiation within one-hundred twenty (120) days from the date of the Notice (or within such other period as may be agreed on by the parties), Claimant will have thirty (30) additional days within which to submit the Claim to mediation under the auspices of a mediation center or individual mediator on which the parties mutually agree. The mediator must have at least five (5) years of experience serving as a mediator and must have technical knowledge or expertise appropriate to the subject matter of the Claim. If Claimant does not submit the Claim to mediation within the 30-day period, Respondent will submit the Claim to mediation in accordance with this *Section 12.6*.

**12.7 Termination Of Mediation.** If the Parties do not settle the Claim within thirty (30) days after submission to mediation, or within a time deemed reasonable by the mediator, the mediator will issue a notice of termination of the mediation proceedings indicating that the Parties are at an impasse and the date that mediation was terminated. Thereafter, Claimant may file suit or initiate arbitration proceedings on the Claim, as appropriate and permitted by this Article.

**12.8 Binding Arbitration-Claims.** All Claims must be settled by binding arbitration. Claimant or Respondent may, by summary proceedings (e.g., a plea in abatement or motion to

stay further proceedings), bring an action in court to compel arbitration of any Claim not referred to arbitration as required by this *Section 12.8*.

12.8.1 Governing Rules. If a Claim has not been resolved after mediation as required by *Section 12.6*, the Claim will be resolved by binding arbitration in accordance with the terms of this *Section 12.8* and the rules and procedures of the American Arbitration Association (“AAA”) or, if the AAA is unable or unwilling to act as the arbitrator, then the arbitration shall be conducted by another neutral reputable arbitration service selected by Respondent in Brazoria County, Texas. Regardless of what entity or person is acting as the arbitrator, the arbitration shall be conducted in accordance with the AAA’s “Construction Industry Dispute Resolution Procedures” and, if they apply to the disagreement, the rules contained in the Supplementary Procedures for Consumer-Related Disputes. If such Rules have changed or been renamed by the time a disagreement arises, then the successor rules will apply. Also, despite the choice of rules governing the arbitration of any Claim, if the AAA has, by the time of Claim, identified different rules that would specifically apply to the Claim, then those rules will apply instead of the rules identified above. In the event of any inconsistency between any such applicable rules and this *Section 12.8*, this *Section 12.8* will control. Judgment upon the award rendered by the arbitrator shall be binding and not subject to appeal, but may be reduced to judgment in any court having jurisdiction. Notwithstanding any provision to the contrary or any applicable rules for arbitration, any arbitration with respect to Claims arising hereunder shall be conducted by a panel of three (3) arbitrators, to be chosen as follows:

(i) One arbitrator shall be selected by Respondent, in its sole and absolute discretion;

(ii) One arbitrator shall be selected by the Claimant, in its sole and absolute discretion; and

(iii) One arbitrator shall be selected by mutual agreement of the arbitrators having been selected by Respondent and the Claimant, in their sole and absolute discretion.

12.8.2 Exceptions to Arbitration; Preservation of Remedies. No provision of, nor the exercise of any rights under, this *Section 12.8* will limit the right of Claimant or Respondent, and Claimant and the Respondent will have the right during any Claim, to seek, use, and employ ancillary or preliminary remedies, judicial or otherwise, for the purposes of realizing upon, preserving, or protecting upon any property, real or personal, that is involved in a Claim, including, without limitation, rights and remedies relating to: (i) exercising self-help remedies (including set-off rights); or (ii) obtaining provisions or ancillary remedies such as injunctive relief, sequestration, attachment, garnishment, or the appointment of a receiver from a court having jurisdiction before, during, or after the pendency of any arbitration. The institution and maintenance of an action for judicial relief or pursuit of provisional or ancillary remedies or

exercise of self-help remedies shall not constitute a waiver of the right of any party to submit the Claim to arbitration nor render inapplicable the compulsory arbitration provisions hereof.

12.8.3 Statute of Limitations. All statutes of limitation that would otherwise be applicable shall apply to any arbitration proceeding under this *Section 12.8*.

12.8.4 Scope of Award; Modification or Vacation of Award. The arbitrator shall resolve all Claims in accordance with the applicable substantive law. The arbitrator may grant any remedy or relief that the arbitrator deems just and equitable and within the scope of this *Section 12.8* and subject to *Section 12.9* below (attorney's fees and costs may not be awarded by the arbitrator); provided, however, that for a Claim, or any portion of a Claim governed by Chapter 27 of the Texas Property Code, or any successor statute, in no event shall the arbitrator award damages which exceed the damages a Claimant would be entitled to under Chapter 27 of the Texas Property Code. In all arbitration proceedings the arbitrator shall make specific, written findings of fact and conclusions of law. In all arbitration proceedings the parties shall have the right to seek vacation or modification of any award that is based in whole, or in part, on (i) factual findings that have no legally or factually sufficient evidence, as those terms are defined in Texas law; (ii) conclusions of law that are erroneous; (iii) an error of federal or state law; or (iv) a cause of action or remedy not expressly provided under existing state or federal law. In no event may an arbitrator award speculative, consequential, or punitive damages for any Claim.

12.8.5 Other Matters. To the maximum extent practicable, an arbitration proceeding hereunder shall be concluded within one hundred and eighty (180) days of the filing of the Claim for arbitration by notice from either party to the other. Arbitration proceedings hereunder shall be conducted in Brazoria County, Texas. The arbitrator shall be empowered to impose sanctions and to take such other actions as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the Texas Rules of Civil Procedure and Applicable Law. Each party agrees to keep all Claims and arbitration proceedings strictly confidential, except for disclosures of information required in the ordinary course of business of the parties or by Applicable Law or regulation. In no event shall any party discuss with the news media or grant any interviews with the news media regarding a Claim or issue any press release regarding any Claim without the written consent of the other parties to the Claim.

12.9 Allocation Of Costs. Notwithstanding any provision in this Declaration to the contrary, each party bears all of its own costs incurred prior to and during the proceedings described in the Notice, Negotiation, Mediation, and Arbitration sections above, including its attorney's fees. Respondent and Claimant will equally divide all expenses and fees charged by the mediator and arbitrator.

**12.10 General Provisions.** A release or discharge of Respondent from liability to Claimant on account of the Claim does not release Respondent from liability to persons who are not party to Claimant's Claim.

**12.11 Period of Limitation.**

12.11.1 For Actions by an Owner. The exclusive period of limitation for any of the Parties to bring any Claim, including, but not limited to, a Claim of construction defect or defective design of Improvements on the Common Areas, Special Common Areas or Lots, shall be the earliest of: (i) for Claims alleging construction defect or defective design, two (2) years and one (1) day from the date that the Owner discovered or reasonably should have discovered evidence of the Claim; (ii) for Claims other than those alleging construction defect or defective design, four (4) years and one (1) day from the date that the Owner discovered or reasonably should have discovered evidence of the Claim.

12.11.2 For Actions by the Association. The exclusive period of limitation for the Association to bring any Claim, including, but not limited to, a Claim of construction defect or defective design of the Common Areas or Special Common Areas, shall be the earliest of: (i) for Claims alleging construction defect or defective design, two (2) years and one (1) day from the date that the Association or its agents discovered or reasonably should have discovered evidence of the Claim; (ii) for Claims other than those alleging construction defect or defective design of the Common Areas or Special Common Areas, four (4) years and one (1) day from the date that the Association discovered or reasonably should have discovered evidence of the Claim.

**12.12 Funding Arbitration and Litigation.** The Association must levy a Special Assessment to fund the estimated costs of arbitration, including estimated attorney's fees, conducted pursuant to this *Article 12* or any judicial action initiated by the Association. The Association may not use its annual operating income or reserve funds or savings to fund arbitration or litigation, unless the Association's annual budget or a savings account was established and funded from its inception as an arbitration and litigation reserve fund.

## APPENDIX A-1

### RETAINING WALL SUPPLEMENT

**SECTION 1. GENERAL.** Retaining walls are used to stabilize soil, modify slopes, level sites, and adjust for grade or elevation differences between adjoining parcels of land, such as between two Lots. As used in this Supplement, "parcel" means any piece of real property that contains, abuts, or is benefitted by a retaining wall, such as a residential Lot, Common Area or Special Common Area.

1.1. Definitions Based on Location. As originally constructed, retaining walls within the development or the Property may be located (i) wholly within an individual Lot and not near or along a boundary of the Lot (an "**Internal Wall**"), (ii) on or along the boundary between two residential Lots or between a residential Lot and a Common Area or Special Common Area (a "**Shared Boundary Wall**"), or (iii) on or along the boundary between a Bakers Landing parcel and either a public street or a parcel of land that is not subject to the Declaration (a "**Perimeter Wall**"). Internal Walls, Shared Boundary Walls, and Perimeter Walls may be referred to, collectively and individually, as "retaining walls."

1.2. Definitions Based on Elevation. In its relation to the retaining wall, the parcel having the higher elevation is referred to as the "Higher Parcel," and the parcel having the lower elevation is referred to as the "Lower Parcel."

1.3. Deemed Benefit. A Shared Boundary Wall is hereby deemed to benefit the parcel on each side of the wall ~ to be mutually beneficial ~ even though the wall may be entirely within the legal boundaries of only one of the parcels. Accordingly, the Owner of each parcel has an interest in, and an obligation for, the Shared Boundary Wall. Although a Perimeter Wall also benefits the parcel on each side of the wall, this Supplement cannot create an obligation for the parcel that is not subject to the Declaration.

1.4. Applicability. In addition to applying to Owners of residential Lots with or benefitted by retaining walls, this Supplement also applies to the Association as the Owner of a Common Area or Special Common Area with or benefitted by a retaining wall. Although Perimeter Walls on and within the boundaries of Bakers Landing are subject to this Supplement, the parcel on the other side of a Perimeter Wall and the Owner of that parcel are not subject to the Documents, including but not limited to this Supplement.

1.5. Rule of Law. To the extent not inconsistent with the provisions of this Supplement, a retaining wall is subject to the general rules of law regarding party walls, retaining walls, and liability for property damage due to negligence, willful acts, or omissions.

1.6. Materials. Unless the ACC grants a variance, the material used to repair or reconstruct an existing retaining wall must substantially match the original retaining wall in

quality and appearance. If the repair or reconstruction is on a segment of a continuous wall, an effort must be made to blend the work with the continuous wall of which it is part. The surfaces of new retaining walls that are visible from a street, Common Area, Special Common Area, or adjacent parcel must be made of stone or other masonry material approved in writing by the ACC. Wood, including railroad ties, may not be used for retaining walls.

**SECTION 2. ALLOCATION OF RESPONSIBILITY.** This Section addresses the responsibility for maintaining a retaining wall, depending on its location.

2.1. Continuous Retaining Walls. A "continuous" retaining wall is one that extends ~ on either side ~ beyond the boundaries of a particular parcel, thereby serving two or more parcels on at least one side of the wall. In applying this Supplement to a continuous retaining wall, each parcel Owner is responsible for only the segment of the continuous retaining wall that abuts the Owner's parcel. Owners of parcels with segments of a continuous retaining wall may be required to cooperate in performing maintenance, repair, and reconstruction ~ if and when needed.

2.2. Owner of a Higher Parcel with a Perimeter Wall. This Section contravenes a possible common misperception that a retaining wall on the perimeter of a subdivision is automatically a "common area" or "special common area" and the responsibility of the Association. Unless a publicly recorded document to which Declarant or the Association is a party specifically assigns Perimeter Wall responsibility, the Owner of a Higher Parcel with a Perimeter Wall is responsible for the Perimeter Wall. If the Higher Parcel is a residential Lot, the Owner of the residential Lot is responsible. If the Higher Parcel is a Common Area or a Special Common Area, the Association is responsible.

2.3. Owner of a Parcel with an Internal Retaining Wall. A retaining wall that is entirely within the boundaries of a parcel and not on or near a boundary between two parcels is solely the responsibility of the parcel Owner, who acts as Owner of the Higher Parcel and as Owner of the Lower Parcel for purposes of keeping the retaining wall in good repair.

#### NOTICE

*Individual home Owners may be responsible for portions of retaining walls on the perimeter of Bakers Landing, along public streets, and around Common Areas and Special Common Areas.*

2.4. Owner of the Higher Parcel. The Owner of the Higher Parcel is solely responsible for all aspects of the retaining wall, except what is identified below for the Owner of the Lower Parcel. This allocation of responsibility is warranted because the Owner of the Higher Parcel has more control over the conditions that affect the stability and structural integrity of the retaining wall. Regarding a Shared Boundary Wall between a residential Lot

and a Common Area or a Special Common Area, this Section's allocation of responsibility may contravene a possible common misperception that a retaining wall bordering a Common Area or Special Common Area is automatically the responsibility of the Association. If the Common Area or Special Common Area is the Higher Parcel, the Association is responsible. However, if the residential Lot is the Higher Parcel, the Owner of the residential Lot is responsible. Specifically, the Owner of the Higher Parcel, at the Owner's sole cost and expense, has the following retaining wall responsibilities:

- a. From time to time, as conditions warrant, perform the Maintenance Guidelines published in the Retaining Wall Maintenance Specifications for Bakers Landing.
- b. From time to time, as needed, perform the Routine Repairs published in the Retaining Wall Maintenance Specifications for Bakers Landing.
- c. Obtain and maintain property insurance on the retaining wall to the extent such insurance is reasonably available.

2.5. Owner of the Lower Parcel. The Owner of a Lower Parcel has the following retaining wall responsibilities, at the Owner's sole cost and expense:

- a. Maintain the grounds up to the retaining wall, even if the retaining wall is inside the boundaries of the Higher Parcel.
- b. Provide access to the Owner of the Higher Parcel for purposes of periodic inspection, repair, and replacement of the retaining wall.
- c. Prevent or refrain from taking any action on the Lower Parcel that may damage the retaining wall.
- d. Report to the Owner of the Higher Parcel any condition or change of condition that may have an adverse effect on the retaining wall, if the condition is known to the Owner of the Lower Parcel.

2.6. Allocations Varied by Agreement. Nothing in this Section may be construed to prevent the Owners of parcels that share a retaining wall from agreeing in writing to a different allocation of responsibilities between themselves. Such an agreement is not binding on a subsequent Owners of either parcel unless the agreement is in the form of a deed restrictions or mutual covenant, signed by the Owners of both parcels, and recorded in the Official Public Records of Harris, Texas. In the absence of such an agreement, the above allocations apply.

### SECTION 3. SHARED BOUNDARY WALLS.

3.1. Encroachments & Easement. If the retaining wall is on one parcel or another due to an error in construction, the retaining wall is nevertheless deemed to be on the dividing line for purposes of this Section. The Owner of the parcel on each side of the retaining wall hereby grants to the Owner of the parcel on the other side of the retaining wall the following easements across his parcel:

a. A reciprocal access easement for maintenance, repair, replacement, or reconstruction of the retaining wall, as appropriate and necessary to effect the purposes and provisions of this Supplement.

b. An easement for the existence and continuance of any encroachment by the retaining wall as a result of construction, repair, shifting, settlement, or movement in any portion of the retaining wall, so that the encroachment may remain undisturbed as long as the retaining wall stands.

3.2. Use by Higher and Lower Parcel Owners. The Owner of the Higher Parcel hereby grants to the Owner of the Lower Parcel a non-exclusive and perpetual right and easement of enjoyment and use over (1) the exterior surface of the retaining wall for use as a perimeter wall or fence of the Lower Parcel, and (2) any lower portion of the Higher Parcel that is contiguous to the Lower Parcel and appears to be part of it. The Owner of the Lower Parcel hereby grants to the Owner of the Higher Parcel a non-exclusive and perpetual right and easement of enjoyment and use over any elevated portion of the Lower Parcel that is contiguous to the Higher Parcel and appears to be part of it.

3.3. Additional Fences in Connection with Retaining Wall. The Owner of either the Higher Parcel or the Lower Parcel may construct a fence in connection with the retaining wall. The Owner of the Higher Parcel may construct or install a fence inside the retaining wall on the elevated surface of the Higher Parcel, or, with the prior approval of the Lower Parcel Owner, on the retaining wall itself. The Owner of the Lower Parcel may construct or install a fence on his Lot, provided the fence does not interfere with his duty to maintain the grounds up to the retaining wall.

3.4. Right to Repair. If the retaining wall is damaged or destroyed from any cause, the Owner of either Lot may repair or rebuild the retaining wall to its previous condition, and the Owners of both Lots, their successors and assigns, have the right to the full use of the repaired or rebuilt retaining wall.

3.5. Maintenance Costs. Regardless of which Lot contains the retaining wall, the Owners of the adjoining Lots share equally the costs of repair, reconstruction, or replacement of the retaining wall, subject to the right of one Owner to call for larger contribution from the other under any rule of law regarding liability for negligence or willful acts or omissions. If an Owner is responsible for damage to or destruction of the retaining wall, that Owner will bear the entire cost of repair, reconstruction, or replacement. If an Owner fails or refuses to pay his share of costs of repair or replacement of the retaining wall, available remedies include the following:

a. The Owner advancing monies has a right to file a claim of lien for the monies advanced in the Official Public Records of Brazoria County, Texas, and has the right to foreclose the lien as if it were a mechanic's lien; provided the claim of lien is filed within ninety (90) days after the date of repairs or replacements to the retaining wall, and suit is filed within one year after the date the lien is filed. The right of an Owner to contribution from another Owner under this Section is appurtenant to the land and passes to the Owner's successors in title.

b. The Association may (but is not required to) perform or fund the defaulting Owner's share of the work on the retaining wall, the cost of which may be levied against the defaulting Owner and his Lot as an individual assessment.

3.6. Alterations. The Owner of a parcel with a Shared Boundary Wall may not alter the retaining wall in any manner that affects the use, condition, or appearance of the retaining wall to the other parcel, without the prior written consent of the ACC and the Owner of the other parcel. The retaining wall will always remain in the same location as when erected, unless a change of location is approved by the Owners of both parcels and the ACC.

**SECTION 4. PERIMETER WALL NOTICE.** Notice is hereby given that a Bakers Landing parcel with a Perimeter Wall may have no lawful right to access the adjacent parcel for purposes of inspecting, maintaining, repairing, and reconstructing the Perimeter Wall, if and when needed. If such access is needed, the Bakers Landing parcel Owner is solely responsible for obtaining permission to lawfully access the adjacent parcel. By acquiring an ownership interest in a Higher Parcel with a Perimeter Wall, each Owner acknowledges that if access to the adjacent Lower Parcel is not available, other options for repairing or replacing the Perimeter Wall may result in excavation and removal of soil from the Higher Parcel, the practical loss of portions of the elevated and usable surface of the Higher Parcel, and substantially more expense than if the Owner of the Higher Lot had unfettered access to the adjacent Lower Parcel to perform the required work.

## APPENDIX A-2

### RETAINING WALL MAINTENANCE SPECIFICATIONS

#### FOR BAKERS LANDING

**1.1. INTRODUCTION.** Because deterioration of a retaining wall on or along a boundary may have an adverse effect on more than one parcel of land, as well as on the appearance of Bakers Landing overall, adherence to the following Maintenance Guidelines and Routine Repairs is expected to prolong the stability, functionality, and attractiveness of a retaining wall. These Retaining Wall Maintenance Specifications apply to every Lot, Common Area and Special Common Area in Bakers Landing on which a retaining wall is located, or which has a retaining wall on or along one or more of its boundaries. However, if a Lot, Common Area or Special Common Area is subject to a parcel-specific publicly recorded document that addresses retaining walls, the parcel-specific document controls the property to which it pertains for the purposes of that document.

**1.2. MAINTENANCE GUIDELINES.** Recommended guidelines for routine maintenance of retaining walls include:

- a. If the wall was engineered with a designated drainage system, periodically inspect and probe the system to ensure it is not clogged, and inspect the wall for evidence that water is leaking through the wall in places other than the designated system.
- b. Maintain the grade at the top and sides of the retaining wall to ensure that water is diverted away from the wall and that changes of grade do not interfere with the wall's engineered drainage system (if any).
- c. Periodically inspect the base of the retaining wall to ensure a proper grade that slopes away from the wall, and to ensure that the ground on which the wall stands is not eroding or moving.
- d. Monitor increases in weight on top of the wall, and periodically inspect the vertical face of the wall for bowing which may occur with increased pressure on the wall.
- e. Monitor plantings above and around the wall to avoid types of plants that have a reputation for active and destructive root systems, or that may adversely affect moisture levels behind or below the wall.
- f. Monitor normal cosmetic hairline cracks for increases in width that warrant repair. Periodically inspect the wall for missing or deteriorated joint

fillers, joint sealant, and mortar joints, particularly after severe freeze and thaw cycles, and after severe wet and dry cycles, both of which may create extra stress on a wall. Periodically inspect the wall for signs of distress, such as severe cracking, tilting or bulging of the wall, and dislodged rocks and stones used to construct the wall.

g. Protect the wall from excavation, trenching, and burrowing animals.

**1.3. ROUTINE REPAIRS.** Routine repairs to retaining walls typically include all of the following:

a. Clear clogs in the wall's drainage system so water can drain the way the wall was engineered.

b. Treat wash-outs when they are small and manageable, using either backfill or flowfill.

c. When chunks of mortar break away, promptly rebuild the mortar joint with professional repainting.

d. Professionally repair hairline cracks that are 1/4 inch in width or great.
