

WHY WE LOVE OUR HOME @

2709 Arabelle Grove

MOVING
HOUSTON
TEAM

POWERED BY

PLACE

- 1) First floor living (perfect for when we had dogs and could let them outside right off the living room, perfect for when we had our child - limiting the amount of kid stuff we had to carry up and down the stairs)
- 2) Lots of natural lighting throughout all rooms!
- 3) Lake Arabelle community - gated and very safe, lots of community events (4th of July parade/get together, huge Halloween event with food trucks, Easter egg hunts, back to school event with food trucks, etc)

Bonus: Exercise Room!
