This one-of-a-kind luxury property truly is spectacular. Nestled on one of the largest lots in Royal Lakes, this stunning custom home sits on 1.3 acres. Featuring 5 bedrooms, 4 full baths & 2 half baths, this home is beautifully designed inside & out. New roof in 2024, new water filtration system, plantation shutters, custom roman shades, wood tile thru-out, freshly painted walls, trim and doors. Resort style backyard with a pool, spa & waterfall. Two large covered patio areas, a convenient poolside bathroom, and a Texas sized backyard. A private staircase from the back patio/porte-cache leads to an impressive upstairs space featuring a 67x20 game room, media room or living quarter with bedroom and full bath. The island kitchen is perfection with upgraded Bosch stainless appliances, 42" oak cabinets and expansive sit-up bar. Each bedroom has its own private bathroom. Expanded driveway and custom basketball court with regulation striping & lighted goal. Long list of updates available!
