The Company has explained to me, and I now fully understand, the apparent condition of my fireplace, appliance, chimney or vent system at this time. I understand that the Company has performed a visual inspection and is not responsible for hidden or concealed defects. We have discussed visible defects and the Company has recommended corrective actions. Since hidden construction defects and conditions of use are beyond the control of the Company, I understand that no guarantee or warranty of fire safety of any appliance is given or implied.
