10 E Stony Bridge Circle, The Woodlands, Texas, 77381

**Staircase Railing:** Replaced the original wooden railing with a modern iron railing.

**Entry Hall Flooring:** Upgraded the entry hall flooring with Porcelain Tile.

**Primary Bathroom:** Installed a new vanity with Carrara marble countertop and Porcelain Tile flooring. The bathtub was removed, but plumbing connections remain in place for a future installation (previously located where the tall white cabinets are now).

**Kitchen Updates:** Updated the upper Kitchen Cabinets.

**Upstairs Bathroom:** Upgraded with a Marble countertop, new sinks, and updated wall tile in the shower/tub area.

**Garage:** Finished wall treatment, added ceiling attic storage, and applied an epoxy coating to the floor.
