Tucked on one of Fairfield's largest cul-de-sac lots, this stunner delivers serious space, style, and lifestyle. A grand foyer welcomes you into a soaring two-story living room with cozy fireplace and wrought iron stair rails, flowing into formal dining and a private study with closet (ideal flex bedroom). The island kitchen shines with granite counters, stainless appliances, and a reverse osmosis system.

Retreat to the first-floor primary suite, with generous secondary bedrooms and spacious closets, plus a game room and media/flex room upstairs. Step outside to your private backyard oasis—sparkling pool and spa, covered patio with cedar ceiling, and a large covered front porch. Detached garage, ample parking, outdoor storage room, whole-home generator, and water softener add real value. Zoned to highly rated schools, minutes to Hwy 290 and the Grand Parkway, and surrounded by Fairfield's resort-style amenities. A rare find.
