

Notice to purchasers of real property

The real property described below, which you are about to purchase, is in the Bayview Municipal Utility District. The District has taxing authority separate from any other taxing authority, and may subject to voter approval, issue an unlimited amount of bonds and levy an unlimited rate of tax in payment of such bonds. As of this date, the rate of taxes levied by the District on real property located in the District is \$ 0.3806 on each \$100 of assessed valuation. If the District has not levied taxes, the most recent projected rate of tax, as of this date, is \$ n/a on each \$100 of assessed valuation. The total amount of bonds which has been approved by the voters and which have been or may, at this date, be issued is \$5,000,000 and the aggregate initial principal amounts of all bonds issued for one or more of the specified facilities of the District and payable in whole or in part from property taxes is \$5,000,000.

The District has the authority to adopt and impose a standby fee on property in the District that has water, sewer, sanitary or drainage facilities, or other services available but not connected and which does not have a house, building, or other improvement located thereon and does not substantially utilize the utility capacity available to the property. The District may exercise the authority without holding an election on the matter. As of this date, the amount of the standby fee is \$ -0-. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. Any person may request a certificate from the District stating the amount, if any, of unpaid standby fees on a tract of property in the District.

The District is located in whole or in part within the corporate boundaries of the City of Kemah, County of Galveston. The taxpayers of the District are subject to the taxes imposed by the municipality and by the District until the District is dissolved. By law, a District located within the corporate boundaries of a municipality may be dissolved by municipal ordinance without the consent of the District or the voters of the District.

The purpose of this District is to provide water, sewer, drainage or flood control facilities and services within the District through the issuance of bonds payable in whole or in part from property taxes. The cost of these utility facilities is not included in the purchase price of your property, and these utility facilities are owned or to be owned by the district. The legal description of the property which you are acquiring is as follows: _____.
