## WHAT I LOVE ABOUT MY HOME

- The incredible natural light throughout the home, especially the beautiful morning sunshine pouring through the large kitchen windows.
- The wonderful neighbors who make this community feel so welcoming.
- The huge amount of storage throughout the home.
- The spacious **3-car air-conditioned garage**, perfect for working, playing, hobbies, or extra storage year-round.
- The peace and quiet of living on a very quiet street.
- The large office, ideal for working from home or flexible living space.
- The open layout and generous space make entertaining effortless—we love being able to host a seated dinner for 12 comfortably.
- We love this location because of its convenient proximity to shopping, dining, and easy access to Grand Parkway 99 while still enjoying the comfort of a peaceful neighborhood.
