

# DISCLOSURE OF RELATIONSHIP WITH CONTRACT PROVIDER OR ADMINISTRATOR

**RESIDENTIAL SERVICE CONTRACTS.** A residential service contract is a product under which a residential service contract provider or administrator (Provider), for a fee, agrees to repair or replace certain equipment or items in a property. Co-payments typically apply to most service calls. Providers are licensed and regulated by the Texas Department of Licensing and Regulation. The extent of coverage and the cost of coverage will vary. Before buying a residential service contract, the buyer should read the contract and consider comparing it with the extent of coverage and costs from several other Providers. **YOU MAY CHOOSE ANY PROVIDER.**

**THE PURCHASE OF A RESIDENTIAL SERVICE CONTRACT IS OPTIONAL.** The TREC promulgated residential contract forms contain a paragraph in which the parties may negotiate whether the seller will reimburse the buyer the cost of a residential service contract. The choice of the Provider and extent of coverage lies with the buyer. **NEITHER A BROKER/SALES AGENT NOR A SELLER MAY CONDITION THE SALE OF A PROPERTY ON THE BUYER'S PURCHASE OF A RESIDENTIAL SERVICE CONTRACT.**

The compensation is not contingent upon a party to the real estate transaction purchasing a contract or services from the Provider.

The compensation is the fee for the services that Listing Broker or Other Broker, either directly or through an agent, provides to the company. As required by the Real Estate Settlement Procedures Act and HUD Regulation X, any fees paid to a settlement services provider are limited to the reasonable value of services actually rendered.
