

# WHAT BUYERS WANT TO KNOW....

## 910 Betsy Hill Dr

In Your Own Words...tell us why you originally purchased the home.

We originally purchased the home for the location, near our areas of work, safe neighborhood and new build. This was our first home and the features we feel make it the most inviting is the open floor plan and kitchen layout where everyone can gather and hang out.

| Average Monthly Utility Cost |      |             |
|------------------------------|------|-------------|
| Electricity                  | Gas  | Water/Sewer |
| \$150                        | \$35 | \$75        |
