NOTICE TO PURCHASERS

The real property, described below, that you are about to purchase is located in the East End District, effective May 24, 2018, and formerly known as the Greater East End Management District (the "District"). The District has taxing authority separate from any other taxing authority, and may, subject to voter approval, issue an unlimited amount of bonds and levy an unlimited rate of tax in payment of such bonds. As of this date, the District has not levied taxes, but the most recent projected rate of debt service tax is \$0.00 on each \$100 of assessed valuation. The total amount of bonds, excluding refunding bonds and any bonds or any portion of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters and which have been or may, at this date, be issued is \$0.00, and the aggregate initial principal amounts of all bonds issued for one or more of the specified facilities of the District and payable in whole or in part from property taxes is \$0.00.

The District has the authority to adopt and impose a standby fee on property in the District that has water, sanitary sewer, or drainage facilities and services available but not connected and which does not have a house, building, or other improvement located thereon and does not substantially utilize the utility capacity available to the property. The District may exercise the authority without holding an election on the matter. As of this date, the most recent amount of the standby fee is \$0.00. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. Any person may request a certificate from the District stating the amount, if any, of unpaid standby fees on a tract of property in the District.

The District has the authority to levy an assessment on property within the District. The District may exercise this authority without holding an election on the matter. As of this date, the rate of assessments levied by the District on all non-exempt commercial real property located in the District is \$0.15 per \$100 of valuation for such property and any improvements thereon, as reflected on the tax rolls of the latest certified values provided by the Harris County Appraisal District, in accordance with the provisions of the District's current Service Plan. Copies of the Service Plan are available during regular working hours at 3211 Harrisburg, Houston, Texas, 77003.

The District is located in whole or in part within the corporate boundaries of the City of Houston. The taxpayers of the District are subject to the taxes imposed by the municipality and assessments or taxes imposed by the District until the District is dissolved. By law, a district located within the corporate boundaries of a municipality may be dissolved by municipal ordinance without the consent of the district or the voters of the district.

The purpose of this District is to promote, develop, encourage and maintain employment, commerce, transportation, tourism, recreation, economic development, safety, work force training and public welfare. The cost of these services and improvements is not included in the purchase price of your property.
