ARTICLE 2 **DEFINITIONS**

2.01. “Association” shall mean and refer to Peach Creek Plantation Property Owners Association, its successors and assigns.

2.02. “Subdivision” shall mean and refer to Peach Creek Plantation, Section One, Peach Creek Plantation, Section Two, Peach Creek Plantation, Section Three, ZOE Estates, Blue Teal Estates, Boar’s Run Court, and Dossey Estates, all located in Montgomery County, Texas, and Peach Creek Estates, Section One, in San Jacinto County, Texas, and such additions thereto as may hereafter be brought within the jurisdiction of the Association, including future sections, if any of Peach Creek Plantation or Peach Creek Estates.

2.03. “Common Area” shall mean all real property (including the improvements thereto), if any, within the Subdivision owned by the Declarant and/or the Association for the common use, benefit and/or enjoyment of the Owners.

2.04. “Lot” or “Lots” shall mean and refer to the numbered lots as shown on the recorded plat(s) of the Subdivision, and any lot or tract resulting from the subdivision or re-subdivision of any and intended for the construction or placement of a residence, and any other lots brought within the jurisdiction of the Association.

2.05. “Owner” shall mean and refer to the record owner, whether one or more persons or entities, of the fee simple title to any lot which is a part of the Subdivision. In the event of an executory contract for installment sale or contract for deed covering any Lot, the “Owner” shall be the seller named in the contract. “Owner” does not include those persons or entities having an interest merely as security for the performance of an obligation, persons or entities who own only an easement, or those having an interest in the mineral estate only.

2.06. “Developer” and/or “Declarant” shall mean and refer to Peach Creek Plantation, Ltd., and to any successor that acquires all of the unsold lots owned by the Declarant in the Subdivision by merger, consolidation or conveyance and to whom the Declarant’s status, rights and

privileges as the developer of the Subdivision are specifically assigned in a written document recorded in the Official Public Records of Real Property of Montgomery County, Texas or San Jacinto County, Texas.

2.07. “Restrictions” shall mean and refer to the Declaration of Covenants, Conditions, and Restrictions for Peach Creek Plantation, as recorded in the Official Public Records of Real Property of Montgomery County, Texas under Clerk’s File Number 2009-020967 and any and all other restrictions applicable to the Subdivision or any portion thereof, together with any amendments or supplements thereto, and to any similar declaration applicable to other properties that may be subjected to the jurisdiction of the Association.

2.08. “Member” shall mean and refer to those persons entitled to membership in the Association.

ARTICLE 3 **QUALIFICATIONS FOR MEMBERSHIP**

3.01. Membership. The membership of the Association shall consist of all the Owners of the lots within the Subdivision. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation, persons or entities who own only an easement, or those having an interest in the mineral estate only. Membership shall be appurtenant to and may not be separated from ownership of any lot.

3.02. Proof of Membership. The rights of membership shall not be exercised by any person until satisfactory proof has been furnished to the Secretary of the Association that the person is qualified as a Member. Such proof may consist of a copy of a duly executed and acknowledged deed, or title insurance policy evidencing ownership of a lot in the Subdivision. Such deed or policy shall be deemed conclusive in the absence of a conflicting claim based on a later deed or policy.

3.03. No Additional Qualification. The sole qualification for membership shall be ownership of a lot in the Subdivision. No initiation fees, costs, or dues shall be assessed against any person as a condition of membership except such assessments, levies, and charges as are specifically authorized under the Restrictions.

ARTICLE 4 **VOTING RIGHTS**

4.01. Voting. Voting shall be on a one vote per lot basis. The Owner or Owners of each lot are entitled to one vote for each lot owned in the Subdivision. If record title to a particular lot is in the name of two or more persons, all co-owners shall be Members and may attend any meeting of the Association but the voting rights appurtenant to each such lot may not be divided and fractional votes shall not be allowed. Any one of said co-owners may exercise the vote appurtenant to each such lot so owned at any meeting of the Members and such vote shall be binding and conclusive on all of the other co-owners of said lot who are not present; provided however, if one of the non-attending co-owners has given the Association notice of objection to the attending

co-owner's vote, no vote shall be cast for said lot except upon notice of unanimous consent by all such co-owners being given to the Association. In the event more than one vote is cast for a single lot by an Owner, none of the votes so cast shall be counted and all of such votes shall be deemed void.

4.02. Methods of Voting. At all meetings of Members, the voting rights of a Member may be cast or given:

- a. in person or by proxy at a meeting of the Association;
- b. by absentee ballot; or
- c. by electronic ballot by electronic mail or facsimile.

Absentee ballots may not be counted, even if properly delivered, if the Member attends any meeting to vote in person so that any vote cast at a meeting by the Member supersedes any vote submitted by absentee or electronic ballot previously submitted for that proposal. Absentee or electronic ballots may not be counted on the final vote of a proposal if the motion was amended at a meeting of the Members to be different from the exact language on the absentee or electronic ballot. Any solicitation for votes by absentee ballot by the Association must include an absentee ballot that contains each proposed action and provides an opportunity to vote for or against the proposed action, instructions for delivery of the completed absentee ballot, including the delivery location, all of which are required by Section 209.00592 of the TEXAS PROPERTY CODE.

4.03. Proxies. All proxies shall be in writing and filed with the Secretary of the Association. Every proxy shall be revocable and shall automatically cease on conveyance by the Member of his lot, or on receipt of notice by the Secretary of the death or judicially declared incompetence of such Member. No proxy shall be valid after eleven (11) months from the date of its execution, unless otherwise specifically provided in the proxy.

4.04. Quorum. The presence, either in person, by proxy, by absentee or mailed ballot, or by electronic ballot by electronic mail or facsimile, at any meeting, of Members entitled to cast at least ten (10%) percent of the total eligible votes of the Association shall constitute a quorum for any action. If at the required quorum is not present, the meeting may be adjourned and immediately reconvened for the sole purpose of conducting Director elections. The quorum required for election of Directors at the reconvened meeting shall be the number of votes cast in person, by proxy, by absentee ballot, or electronic ballot.

4.05. Required Vote. The vote of the majority of the votes entitled to be cast by the Members present or represented by proxy, and Members who have voted by absentee or mailed ballot or by electronic or faxed ballot at a meeting at which a quorum is present shall be the act of the meeting of the Members, unless the vote of a greater number is required by statute, the Restrictions, the Certificate of Formation or these Bylaws.

4.06. Cumulative Voting. Cumulative voting shall not be permitted.

4.07. Election Vote Tabulators. A person who is a candidate in an Association election or who is otherwise the subject of an Association vote, or a person related to that person within the third degree of consanguinity or affinity, as determined under Chapter 573 of the TEXAS GOVERNMENT CODE, may not tabulate or otherwise be given access to the ballots cast in the election or vote.

4.08. Recount Procedures. Members may, not later than the fifteenth (15th) day after the date of a meeting at which an election was held, require a recount of votes in accordance with Section 209.0057 of the Texas Property Code.

ARTICLE 5

MEETINGS OF MEMBERS

5.01. Annual Meetings. The annual meeting of the Members of the Association shall be held at the hour of 10:00 a.m. on the first (1st) Saturday in October of each year, beginning on the first (1st) Saturday in October, 2012, or at such other date and time as the Board of Directors shall determine. If the day for the annual meeting of the Members is a legal holiday, the meeting shall be held at the same hour on the following Saturday.

5.02. Special Meetings. Special meetings of the Members may be called by the President, the Board of Directors, or by Members representing at least ten (10%) percent of the total votes entitled to be cast by the Members.

5.03. Place. Meetings of the Members shall be held within the Subdivision or at a convenient meeting place as close thereto as possible as the Board may specify in writing.

5.04. Notice of Meetings. Written notice of all Members' meetings shall be given by or at the direction of the Secretary of the Association (or other persons authorized to call the meeting) by mailing or personally delivering a copy of such notice at least ten (10) but not more than sixty (60) days before such meeting to each Member entitled to vote at such meeting, addressed to the Member's address last appearing on the books of the Association, or supplied by such Member to the Association for the purpose of notice. Such notice shall specify the place, day and hour of the meeting and, in the case of a special meeting, the nature of the business to be undertaken. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the Member at the address last appearing on the books of the Association with postage thereon paid.

5.05. Order of Business at Meetings. The order of business at all meetings of the Members shall be as follows:

- (1) Roll call;

- (8) New business.

5.06. Action without Meeting by Unanimous Consent. Any action required or permitted by the Certificate of Formation, these Bylaws, or the Code to be taken at a meeting of the Members of the Association may be taken without a meeting if all the Members entitled to vote with respect to the subject matter sign a written consent setting forth the action so taken.

5.07. Action by Non-Unanimous Consent. Any action required or permitted by the Certificate of Formation, these Bylaws, or the Code to be taken at any annual or special meeting of Members may be taken, subject to any statutory requirements, without a meeting, without prior notice, and without a vote, if the Members having not less than the minimum number of votes that would be necessary to take such action (had the matter arisen at a membership meeting at which the all Members entitled to vote on the action were present and voted) sign a written consent or consents setting forth the action so taken.

ARTICLE 6

BOARD OF DIRECTORS

6.01. Number. The affairs of the Association shall be managed by the Board of Directors consisting of no less than five (5) Directors, all of whom must be Members of the Association. The initial members of the Board of Directors have been chosen by the Declarant. Except for the initial Directors and Directors chosen to fill a vacancy on the Board, Directors will be elected by the Members of the Association.

Any Board member whose term has expired must be elected by the owners who are members of the Association. A Board member may be appointed by the Board only to fill a vacancy caused by a resignation, death or disability, as provided in these bylaws. A Board member appointed to fill a vacant position shall serve the unexpired term of the predecessor Board member.

6.02. Term. The Directors set forth in the Certificate of Formation shall hold office until the first annual meeting of the Members of the Association or until their successors are elected and qualified. At the first annual meeting of the Members, five (5) Directors will be elected, who will be divided into three classes. There will be one (1) Director in the first class, who will hold office until the first annual meeting of Members after his election or until his successor is elected and qualified; there will be two (2) Directors in the second class, who will hold office until the second annual meeting of Members after their election or until their successor are elected and qualified; and there will be two (2) Directors in the third class, who will hold office until the third annual meeting of members after their election or until their successors are elected and qualified. At each annual meeting of Members thereafter, a Director or Directors will be elected for the class whose term of office expires at that meeting, and he/they will hold office until the third annual meeting of Members after his/their election or until his/their successor(s) is elected and qualified.

6.03. Director Appointments. Any Board member whose term has expired must be elected by the Members of the Association. A Board member may be appointed by the Board only

to fill a vacancy caused by a resignation, death or disability, as provided in these bylaws. A Board member appointed to fill a vacant position shall serve the unexpired term of the predecessor Board member.

6.04. Removal. Directors may be removed from office with or without cause by a majority of all of the votes entitled to be cast by the Members of the Association.

6.05. Vacancies. In the event of a vacancy on the Board caused by the death, resignation, or removal of a Director, the remaining Directors shall, by majority vote, elect a successor who shall serve for the unexpired term of his predecessor in office.

Any directorship to be filled by reason of an increase in the number of directors shall be filled by election at an annual meeting or at a special meeting of Members called for that purpose.

6.06. Compensation. No Director shall receive compensation for any service he may render to the Association. A Director may, however, be reimbursed by the Board for actual expenses incurred by him in the performance of his duties.

6.07. Powers and Duties. The Board shall have the powers and duties, and shall be subject to limitations on such powers and duties, as enumerated in these Bylaws or in the Restrictions or as set forth in the Certificate of Formation of the Association. In addition, the Board of Directors shall have the following powers and duties:

- a. cause to be kept a complete record of all its acts and corporate affairs and to present a statement thereof to the members at the annual meeting of the Members;
- b. supervise all officers, agents and employees of this Association, and see that their duties are properly performed;
- c. as more fully provided in the Restrictions to:
 - (1) adjust the amount of the maintenance charges and assessments;
 - (2) send written notice of each assessment to every Owner subject thereto; and
 - (3) foreclose the lien against any property for which assessments are not timely paid and/or bring an action at law against each Owner personally obligated to pay the same;
- d. issue, or to cause an appropriate officer to issue, upon demand by any person, a certificate setting forth whether or not any Assessment has been paid. A reasonable charge may be made by the Board for the issuance of these certificates. If a certificate states an assessment has been paid, such certificate shall be conclusive evidence of such payment;

- e. procure and maintain, if possible, adequate liability and hazard insurance on property owned by the Association;
- f. cause all officers or employees having fiscal responsibilities to be bonded, as it may deem appropriate;
- g. cause any private roads, streets and drives in the Common Area of the Subdivision to be maintained;
- h. cause the Common Area to be maintained;
- i. cause the Restrictions of the Subdivision to be enforced and administered;
- j. to adopt a Fine Schedule and to impose, implement and levy fines as set out in the Fine Schedule, and as may be deemed necessary or desirable, as determined by the Board of Directors, for the interpretation and implementation of the Declaration, the Articles of Incorporation and the Bylaws.
- k. cause the architectural control of the Subdivision;
- l. employ such accountants, attorneys, contractors or other persons or entities as the Board deems necessary to manage and administer the affairs of the Association;
- m. manage the affairs of the Association;
- n. exercise all powers and authority granted to property owners associations by Section 204.010 of the Texas Property Code; and
- n. perform all acts and do all things provided for or contemplated to be done by the Association in the Restrictions and/or the Certificate of Formation.

Directors shall exercise ordinary business judgment in managing the affairs of the Association. Directors shall act as fiduciaries with respect to the interests of the Members. In acting in their official capacity as Directors of this Association, directors shall act in good faith and take actions they reasonably believe to be in the best interests of the Association and that are not unlawful. In all instances, the Directors shall not take any action that they should reasonably believe would be contrary to the Association's best interests or would be unlawful. A Director shall not be liable if, in the exercise of ordinary care, the director acts in good faith relying on written financial and legal statements provided by an accountant or attorney retained by the Association.

6.08. Actions of Board of Directors. The Board of Directors shall try to act by consensus. However, the vote of a majority of Directors present and voting at a meeting at which a quorum is present shall be sufficient to constitute the act of the Board of Directors unless the act of a greater number is required by law, the Certificate of Formation or these Bylaws. A Director who is present at a meeting and abstains from a vote is considered to be present and voting for the purpose of

determining the decision of the Board of Directors. For the purpose of determining the decision of the Board of Directors, a Director who is represented by proxy in a vote is considered present.

6.9. Association Contracts. The Association may enter into an enforceable contract with a current Association board member, a person related to a current Association board member within the third degree by consanguinity or affinity, as determined under Chapter 573, GOVERNMENT CODE, a company in which a current Association board member has a financial interest in at least 51 percent (51%) of profits, or a company in which a person related to a current Association member within the third degree by consanguinity or affinity, as determined under Chapter 573, GOVERNMENT CODE, has a financial interest in at least 51 percent (51%) of profits, if the following conditions are satisfied:

- a. the board member, relative, or company bids on the proposed contract and the Association has received at least two other bids for the contract from persons not associated with the board member, relative, or company, if reasonably available in the community; and
- b. the board member:
 - (1) is not given access to the other bids;
 - (2) does not participate in any board discussion regarding the contract; and
 - (3) does not vote on the award of the contract.

ARTICLE 7

NOMINATION AND ELECTION OF DIRECTORS

7.01. Nomination of Directors. At least ten (10) days before the Association disseminates absentee ballots to Association members for the purpose of voting in a Board member election, the Association must provide notice to the Association members soliciting candidates interested in running for a position on the Board. The notice must contain instructions for an eligible candidate to notify the Association of the candidate's request to be placed on the ballot and the deadline to submit the candidate's request. The notice must also state (a) the number of positions available on the Board that will be filled at the upcoming election; (b) the phone number, fax number, email address and/or physical address at which the member may notify the Association that he or she wishes to have his or her name placed on the ballot for the election; and (c) any other information necessary to inform the members how to have their name listed on the ballot for the election. The deadline may not be earlier than the 10th day after the date the Association provides the notice required herein. The Association shall include on each absentee ballot for a Board member election the name of each eligible candidate from whom the Association received a request to be placed on the ballot. At least ten (10) days before the Association disseminates absentee ballots to Association members for the purpose of voting in a Board member election, the Association must provide notice to the Association members soliciting candidates interested in running for a position on the Board. Notification will be made pursuant to Property Code 209.00593.

Candidates for the Board of Directors of the Association may also be nominated (i) by petition signed by an eligible Member, provided such petition shall be received by the Secretary at least twenty (20) days before the annual meeting, or (ii) at the annual meeting by motion and second by eligible Members.

Members with a felony conviction or a conviction for a crime involving moral turpitude, within twenty (20) years before the date of election, are not eligible to serve.

7.02. Election. Directors are elected at the annual meeting of Members of the Association. Members, or their proxies, may cast, in respect to each directorship to be filled, as many votes as they are entitled to exercise under the provisions of these Bylaws. The nominees receiving the highest number of votes shall be elected. No Member may cumulate votes.

7.03. Rules and Procedures. The Board of Directors may adopt rules and procedures for the conduct of annual elections of Directors, provided that such rules and procedures are not inconsistent with these Bylaws.

ARTICLE 8

MEETINGS OF DIRECTORS

8.01. Regular Meetings. Regular meetings of the Board of Directors shall be held no less often than quarterly at such place and at such time as may be fixed from time to time by resolution of the Board. The first regular meeting of each new Board shall be held within thirty (30) days after the annual meeting of Members. Notice of the time and place of such meeting shall be mailed by U.S. mail, emailed or delivered to each member of the Board of Directors not less than ten (10) nor more than twenty (20) days before the date of the meeting. No notice of regular meetings of the Board of Directors (except for first regular meeting of each new Board) shall be required.

8.02. Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President of the Board of Directors or by any two (2) Directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. Notice of any special meeting must be given to each Director not less than ten (10) days (except in the case of emergencies), or more than twenty (20) days prior to the date fixed for such meeting by written notice delivered personally or sent by U.S. mail or email to each Director at his address as shown in the records of the Association.

8.03. Meetings with Notice to Members. Members shall be given notice of the date, hour, place, and general subject of a regular or special meeting of the Board, including a general description of any matter to be brought up for deliberation in executive session. The notice shall be (a) mailed to each Member not later than the tenth (10th) day or earlier than the sixtieth (60th) day before the date of the meeting; or (b) provided at least seventy-two (72) hours before the start of the meeting by (i) posting the notice in a conspicuous manner reasonably designed to provide notice to the Members in a place located on the Association's common property, or on conspicuously located private property within the subdivision, or (ii) by posting the notice on an Internet website

maintained by the Association, and (iii) by sending the notice by e-mail to each owner who has registered an e-mail address with the Association.

A board meeting may be held by electronic or telephonic means provided that (1) a board member may hear and be heard by every other board member, (2) except for any portion of the meeting conducted in executive session, (a) that all owners in attendance at the meeting may hear all board members, and (b) Owners are allowed to listen using any electronic or telephonic communication methods used or expected to be used by the board member to participate, and (3) notice of meeting includes instructions for owners to access any communication method required to be assessable hereunder.

8.04. Meetings without Notice to Members. A board may take action outside of a meeting, including voting by electronic or telephonic means, without prior notice to owners as required herein, if each board member is given a reasonable opportunity to express the board member's opinion to all other board members and to vote. Any action taken without notice to the Members must be summarized orally, including an explanation of any known actual or estimated expenditures approved at the meeting, and documented in the minutes at the next regular or special meeting of the Board. The Board may not, unless done in an open board meeting for which prior notice was given to owners as required herein, consider or vote on fines; damage assessments; initiation of foreclosure actions; initiation of enforcement actions, excluding temporary restraining orders or violations involving a threat to health or safety; increases in assessments; levying of special assessments; appeals from a denial of architectural control approval; or the suspension of a right of a particular Member before the Member has an opportunity to attend a Board meeting to present the Member's position, including any defense on the issue, lending or borrowing, the adoption of an amendment to any dedicatory instruments, the approval of an annual budget or the approval of an amendment to an annual budget which raises the budget by more than 10%, sale of purchase of real property, the filling of a vacancy on the board, the construction of capital improvements other than the repair, replacement, or enhancement of existing capital improvements, or the election of an officer.

8.05. Quorum. A quorum for the transaction of business by the Board of Directors shall be a majority of the number of Directors constituting the Board of Directors as fixed by these Bylaws.

8.06. Voting Requirement. The act of the majority of Directors present at a meeting at which a quorum is present shall be the act of the Board of Directors unless any provision of the Certificate of Formation or these Bylaws requires the vote of a greater number.

8.07. Open Meetings. Regular and special Board meetings shall be open to Members, subject to the right of the Board to adjourn a meeting and reconvene in closed executive session to consider actions involving personnel, pending or threatened litigation, contract negotiations, enforcement actions, confidential communications with the Association's attorney, matters involving the invasion of privacy of individual owners, or matters that are to remain confidential by request of the affected parties and agreement of the Board. Following any executive session, any decision made in the executive session shall be summarized orally and placed in the minutes, in general

terms, without breaching the privacy of individual owners, violating any privilege, or disclosing information that was to remain confidential at the request of the affected parties. The oral summary shall include a general explanation of any expenditures approved in executive session.

The Chairman and all Members of each such committee must be Members of the Association.

9.02. Authority of Committees. The Board of Directors may grant to any committee thus established by the Board such authority and power consistent with these Bylaws as the Board shall deem required to carry out the intended purposes and functions of such committee.
