

“From the owners”

After many wonderful years, we're thrilled to share our home with its next owners.

What we've loved most about this house is how it truly feels like a retreat every day. Nestled on an oversized corner lot at the end of a quiet cul-de-sac, the home is bathed in natural light and offers a spacious layout perfect for family life. We could spend every day in the backyard, enjoying the pool, hot tub, and covered patio, surrounded by plenty of green space. It's been our favorite place for relaxing, entertaining, and making memories.

The neighborhood itself is a dream—quiet, safe, and incredibly family-friendly. Wonderful neighbors and a strong sense of community make it feel like home from the moment you arrive. We've loved evening walks along nearby parks, lakes, and walking trails, and there's no shortage of outdoor activities right at your doorstep.

Convenience is another highlight. The home is just minutes from KATY ISD schools, shopping, dining, and daily necessities, so everything you need is never far away.

This home has been a place of comfort, joy, and countless memories, and we hope the next owners love it as much as we have.
