

Welcome to Heritage Grand!

*A Grand Lifestyle for
Active Adults*

Prospective Resident,

We are pleased that you are considering joining us in our 650-home community consisting of 552 detached stand-alone homes and 98 duplex town homes. Hopefully this summary of information will be found useful in your decision-making process.

Our subdivision was built between 2002 and 2010 with home sizes varying from 1,423 square feet to 2,996 square feet of living area. Common areas and facilities support all homes.

We are an age 55-and-over active adult community where we strive to obtain 100% residences in Heritage Grand be occupied by an owner(s) who is 55 years of age or older.

Our governing documents planned for a homeowner's association (HOA) form of management as the vehicle for collectively protecting the value and desirability of the real property here, and we operate a homeowner elected five-member Board of Directors.

A monthly HOA assessment fee is required. Please refer to the attached table for the assessment fee amount and a summary of amenities provided by the fee.

Our community's main entry off Cinco Ranch Blvd. (gates closed at nights) leads into a common property area encircled within Heritage Circle. Within this area is found our 14,000 square foot clubhouse, heated pool/resistance pool/spa, pickle ball/half-court basketball, mini golf, etc.

The Clubhouse Ballroom provides a beautiful setting for social activities that take place on a daily or weekly basis as well as the location for HOA meetings. Please see the attached list of routinely held events (regularly emailed to homeowners).

See also the attached map of the full community.

The

fitness center at the clubhouse is available 24/7.

Our management company, FirstService Residential is a source of additional Heritage Grand information. FSR may be reached at the clubhouse number listed above.

Thank you for considering Heritage Grand as your next home.

Please note: This description of Heritage Grand subdivision is prepared for the general information of anyone who may be interested in Heritage Grand as a current or future place of residence.

While this description is believed to be accurate, nothing in this description is intended to amend, supplement or diminish the provisions of the various governing documents under which the subdivision was created and is maintained.

We comply with the Texas Legislature-written "Texas Property Code" (found at the website www.texasstatutes.com/property-code with specific focus on Title 11 – Restrictive Covenants and specifically Chapters 201, 202, 204, 207, and 209).

Our internal governing documents may be found on the website www.heritagegrand.org with the most senior of these documents being the "Declaration of Covenants, Conditions, and Restrictions."

The "Architectural Rules and Regulations" document defines the community-wide architectural standards we maintain.

Heritage Grand Community-Wide Amenities (cont'd):

Streets, Curbs, and Community Sidewalks maintenance	Yes
Water Features -- Two Ponds & Two Fountains	
Subdivision Gates maintained (primary gate closed at night only)	
Weekly neighborhood Mosquito Spraying (during a defined season)	
Cinco Ranch Recreation The Cinco amenities include the use of six pools, the Cinco Beach Club, the boat docks, fishing lakes, sand volleyball courts, tennis courts, soccer nets, baseball backstops, covered pavillions, BBQ grills and hiking/biking trails.	
Home Cable TV & Internet A 2023 through 2029 contract between Comcast and Heritage Grand delivers the following "X-1 System" services for each of our 650 homes: (a) a DVR plus two companion boxes (all with voice-activated remotes) allowing for three TV connections; (b) "Digital Preferred" TV Channel package; (c) Comcast modem/router for home computer and wi-fi service, supplying 150Mbps download speed. Note: The home's inside-the-wall wiring is owned and maintained by the property owner. If desired, residents procure additional services from Comcast and pay for those services through direct billing.	
Home Security Monitoring In-house security wiring is owned and maintained by the property owner. The HOA pays for the monitoring fees of homes utilizing Modern Systems (the company Heritage Grand has a contract with). It is the sole responsibility of each resident to confirm that their specific system is correctly being monitored. With many homes no longer utilizing the hard-wired "land line" anticipated when the contract was negotiated, extra fees may be required to connect via a cell service or internet-delivered phone service.	
Funding Plan for Future Large Infrastructure Needs:	
As of 10/1/2025 the Reserve Fund totals approximately \$3.5 million. Funding Goal: The Funding Goal of "reserves" is to have adequate but not excessive monies available when significant expenditures could be logically anticipated during the study's 30-year target period. We contract with Reserve Advisors, Inc, Milwaukee WI (RA) to define necessary funding for this future infrastructure spending. Our current study is dated 7/17/24, revised 1/30/25. Reserve fund spending authorizations per Board action only.	Yes

Funding Plan for Future Large Infrastructure Needs (cont'd):	
<p>A Cash Flow Method is used by RA to compute the plan. Their method offsets future variable expenditures with existing and future stable levels of reserve funding. Heritage Grand's application considers:</p> <ul style="list-style-type: none"> • current and future local costs of replacement • 2.7% annual rate of return on invested reserves • 3.2% future Inflation Rate for estimating Future Replacement Costs <p>Sources for <i>Local</i> Costs of Replacement: RA's proprietary database, historical costs and published sources, i.e., R.S. Means, Incorporated.</p> <p>Certification: This <i>Full Reserve Study</i> exceeds the Community Associations Institute (CAI) and the Association of Professional Reserve Analysts (APRA) standards fulfilling the requirements of a "Level I Full Reserve Study."</p> <p>Current practice is to update the study every 5 years (2030 is next revision year).</p>	Yes
Services <u>NOT</u> Provided for ANY Heritage Grand Homes:	
Grass, Front Yard (replacement need caused by overwatering or underwatering; or failure due to excessive shade caused by tree canopy management failure)	NOT paid through Dues
Dead Plants Replacement (front or back yards)	
Tree Pruning and Canopy Management in Residential Yards (Exception: A six-foot clearance is HOA-maintained under front yard trees for yard crew access)	
Patios, Decks, Pergolas, Pools, Sheds, etc. (regardless of whether installed by current or previous homeowner)	
Heating, Ventilation, & Air Conditioning Systems (HVAC) including drains, pans; Auxiliary Generators	
Exterior Lighting (fixtures, bulbs, etc.)	
Garage Doors and Garage Door Openers	
Pest Control (vermin, termites, ants, etc.) inside or outside (except mosquitos)	
HOA-owned property if damaged by homeowner non-compliance with R&Rs	
Items considered a "house construction defect" (there is no HOA warranty)	
James Hardie (cement board) exterior siding repair and replacement if damage is due to homeowner negligence	
Roof Leaks at roof penetrations	
Driveways, sidewalks on residential property	

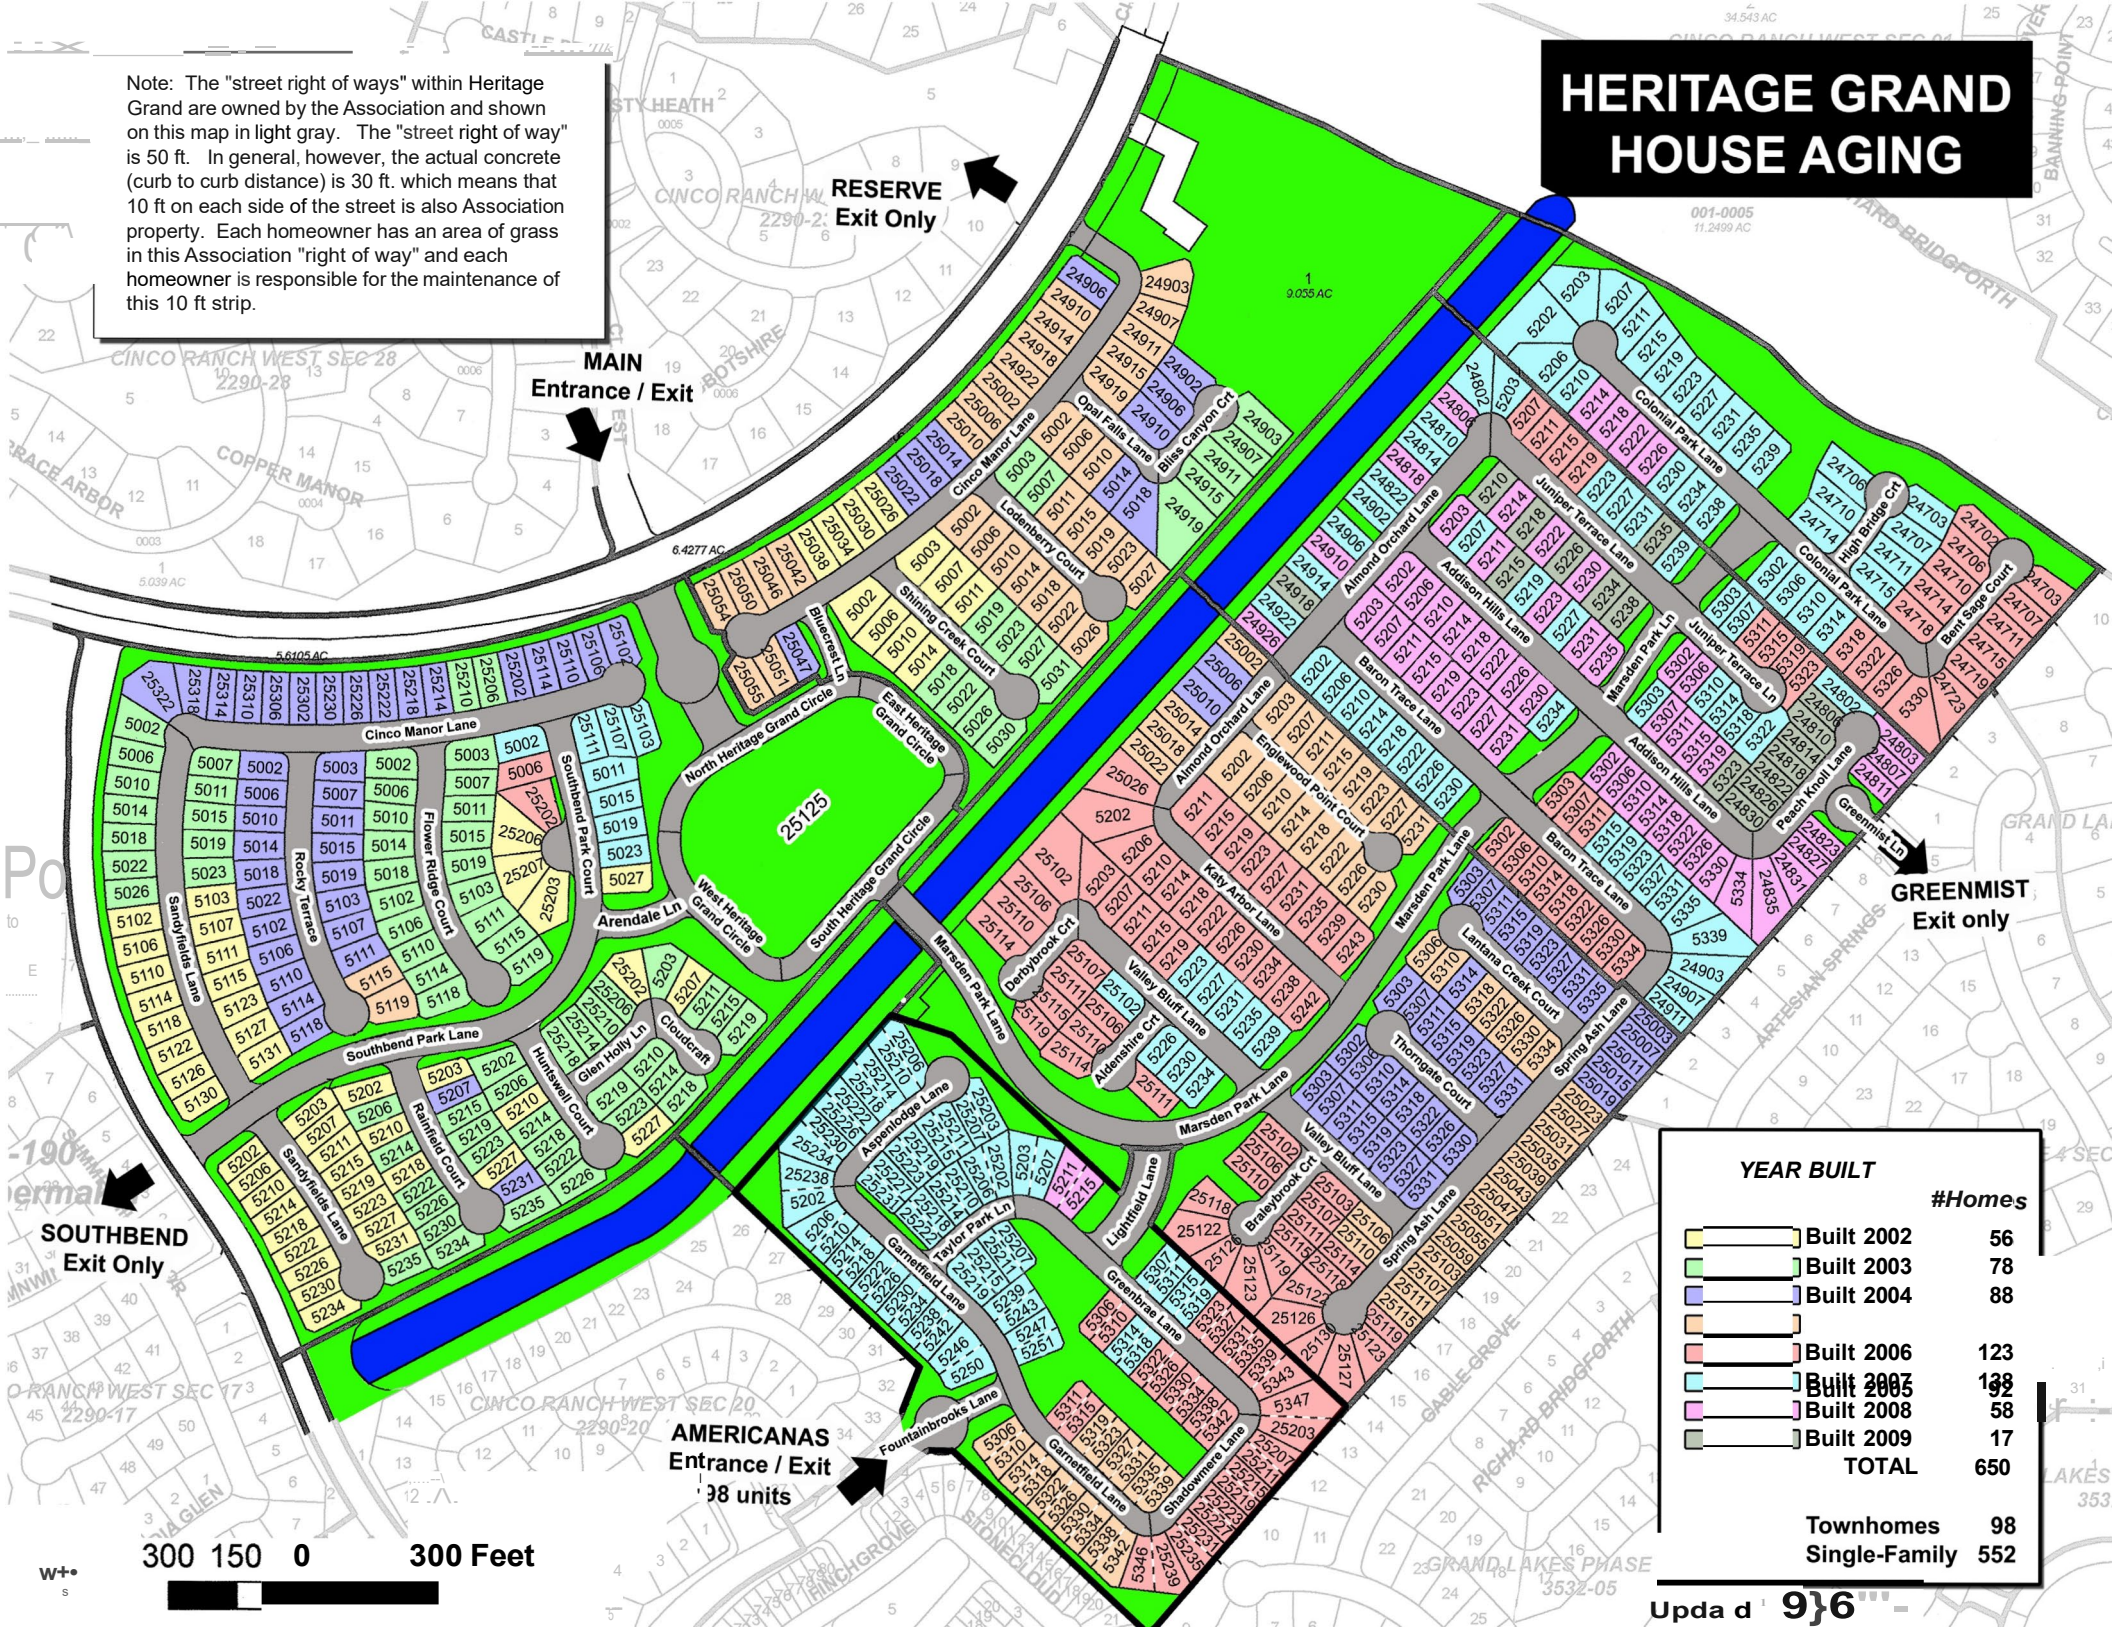

Note 1. For specifics of these amenities, see Heritage Grand's governing documents.

Note 2. Back yard maintenance is the responsibility of the homeowner. This can be homeowner-contracted with the front yard crew for an additional fee.

HERITAGE GRAND HOUSE AGING

Note: The "street right of ways" within Heritage Grand are owned by the Association and shown on this map in light gray. The "street right of way" is 50 ft. In general, however, the actual concrete (curb to curb distance) is 30 ft. which means that 10 ft on each side of the street is also Association property. Each homeowner has an area of grass in this Association "right of way" and each homeowner is responsible for the maintenance of this 10 ft strip.
