Section 2 - Seller Disclosure.

During hurricane Harvey, strong winds displaced a portion of the roof, which caused a leak through the ceiling. Maintenance addressed the issue promptly and repaired it from the roof.

Additionally, when the owner first moved in, there was a leak originating from the bathroom. To resolve the issue, all affected pipes were replaced.

Since those repairs were completed, there have been no further issues, flooding, or leaks during the seller's 20 years of ownership, including hurricane Harvey.
