# NOTICE TO PURCHASER OF SPECIAL TAXING OR ASSESSMENT DISTRICT

The real property that you are about to purchase is located in the Nottingham Country Municipal Utility District (the "District") and may be subject to District taxes or assessments. The District may, subject to voter approval, impose taxes and issue bonds. The District may impose an unlimited rate of tax in payment of such bonds. The current rate of the District property tax is \$0.2499 on each \$100 of assessed valuation.

The total amounts of bonds payable wholly or partly from property taxes, excluding any bonds or portions of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters are:

\$79,250,000 for water, sewer, and drainage facilities; and  
\$5,000,000 for refunding bonds.

The aggregate initial principal amount of all such bonds issued are:

\$29,250,000 for water, sanitary sewer, drainage and flood control facilities.  
\$1,925,000 for refunding bonds.

The bonds of the District have been fully paid and no bonds remain outstanding.

The District is located wholly in the extraterritorial jurisdiction of the City of Houston. Texas law governs the ability of a municipality to annex property in the municipality's extraterritorial jurisdiction and whether a District that is annexed by the municipality is dissolved.

The purpose of the District is to provide water, sewer, drainage, flood control, and parks and recreational facilities and services. The cost of District facilities is not included in the purchase price of your property.
