

9603 Plaza Point Dr.

Features & Improvements

Improvements completed 2021-2026

INTERIOR FINISHES

- Rich hardwood flooring installed throughout for a warm, cohesive feel
- Designer light fixtures with LED illumination gracing every room
- Custom wine room appointed with elegant up-lighting
- Redesigned concrete fireplace serving as a striking focal point
- Plantation shutters and refined designer touches throughout

GOURMET KITCHEN

- Fully remodeled island crowned with Quartzite Marble countertops, complemented by a designer faucet, pot filler, farmhouse sink, and custom pulls
- Chef-caliber appointments including double ovens, a gas cooktop, and a built-in refrigerator
- Soft-close cabinetry and drawers throughout
- Separate catering kitchen with its own refrigerator, gas cooktop, farmhouse sink, microwave, dishwasher, new disposal and generous storage and counter space

LIVING & ENTERTAINING

- First-floor guest suite with French doors and a fully remodeled bath featuring a glass-tile shower
- Stylishly updated half bath on the first floor
- Dedicated media room with a large closet
- Second-floor gym outfitted with rubber flooring, mirrored walls, and closet

SPA-INSPIRED BATHS

- Primary bath remodeled with marble flooring and a marble feature wall, built-in storage, dual built-in hampers, and a designer light fixture
- Secondary baths tastefully refreshed and updated

RESORT-STYLE GROUNDS & GARAGE

- UV-chlorine pool and spa with a beach entry, three fire bowls, and a cascading water feature
- Expansive covered patio pre-plumbed with a gas connection for effortless outdoor living
- Four-car garage finished with commercial-grade flooring and equipped with lifts
