All residential and recreational dwellings shall be equipped with fresh water well (except in the event an underground water system is constructed by Developer, on those lots provided with water service by Developer, a fresh water well shall be prohibited) and septic tank connections in accordance with County minimum requirements, and exterior walls of all residential and recreational dwellings shall be completed with a suitable grade of metal, asbestos, wood, brick, or masonry siding so as to present a suitable appearance, provided however, that the Committee has the authority in its sole discretion to approve residential and recreational construction utilizing other siding materials, where, in its judgment, such deviation will result in a structure of suitable appearance. Such approval must be granted in writing, and when given, will become a part of these restrictions. All roofs on any residential or recreational dwelling shall be constructed and maintained with wood shingles, composition shingles, or aluminum shingles. Roofing of tool sheds, garages, carports and animal shelters may be made of any suitable material, subject however, to the approval of the Committee.

6. RECREATIONAL VEHICLES AND SHELTERS

Nothing herein shall be construed or held to exclude the use of recreational vehicles, including house, camping, and hunting trailers, motor homes, tents, or other portable camping structures, when used temporarily for camping and recreational, but not for residential purposes. Developer or members of the Committee shall have the right to remove any such sign, advertisement or billboard, or structure which is placed on any lot in violation of these restrictions, and in so doing, shall not be liable, and are hereby expressly relieved from any liability for trespass or other tort in connection therewith, or arising from such removal.

EXHIBITED TO DECLARATION OF RESTRICTIONS FOR MOUND CREEK, SECTION I ADMINISTRATION

1. TERM

These covenants and restrictions are to run with the land and shall be binding upon and inure to the benefit of all owners of tracts in Mound Creek, Section 1, and all persons claiming under them until January 1, 1989, after which time such covenants and restrictions shall be automatically extended for successive periods of ten (10) years unless an instrument signed by the majority in votes of the then owners of tracts in Mound Creek, Section 1, is filed for record in Harris and Waller Counties, Texas, altering, rescinding or modifying said covenants and restrictions in whole or in part with the owner of each lot being entitled to one (1) vote per acre.

2. AMENDMENT AND EXEMPTION

Developer, its successors and those to whom this right is expressly assigned, shall have the right and power to modify or eliminate entirely the foregoing restrictions by recorded instrument with respect to any portion of Mound Creek, Section 1, or any tract thereof, before Developer shall have conveyed title thereto, subject, however, to the approval of such modification or elimination by O. Dean Couch, Jr. DBA Couch Mortgage Company (hereinafter called "Lender"), such approval being required only during the term of the loan with respect to such property from Lender, however, any such amendment or elimination shall not be held to destroy the validity or enforceability of the restrictions upon the tracts previously conveyed by Developer. Developer, its successors and those to whom this right is expressly assigned, shall have the power to exempt any tract from the foregoing restrictions or any part thereof by express recital in the initial conveyance of such tract by Developer, or subsequent to conveyance, by special letter agreement to the contrary, from the Committee with respect to each tract, subject however, to the approval of such exemption by Lender, such approval being required only during the term of the loan from Lender with respect to such property. Approval of such exemption from the foregoing restrictions, or any part thereof, by Lender, shall be effective and act as a waiver of such exemptions or any part thereof with respect to all

tracts in Mound Creek Subdivision, Section 1, however approval by Lender of such exemptions shall not affect the requirement of approval of same on each tract by the Committee.

3. ENFORCEMENT

The covenants, reservations, easements, and restrictions set out herein are for the benefit of Developer, its successors and assigns, and equally for the benefit of any subsequent owner of any tract or tracts in Mound Creek, Section 1, and his heirs, executors, administrators, and restrictions contained herein shall be construed to be covenants running with the land, enforceable at law or in equity by any one or more of said parties, by and through the Association and the Committee as elsewhere herein provided.

4. SEVERABILITY

The invalidity, abandonment, or waiver of any one or more of these covenants, reservations, easements and restrictions shall in no way affect or impair the covenants, reservations, easements and restrictions which shall remain in full force and effect.
