

Why We Love Our Home

Property Address: 13521 Blue Marlin Ln
Houston Tx 77019

We love our home because it is cozy, spacious, and well-designed. It has high ceilings, a nice-sized kitchen with lots of cabinets, and plenty of natural light. During fall and spring, the patio is our favorite place to have a BBQ and enjoy drinks under the warm lights. The neighborhood is quiet, and the neighbors are very friendly but respectful of our privacy.
