Re: 50' Adjacent to Lots 198, 199, 215,
and 214, Sec. 1, T. & L. Survey

Dear Mr. Christian,

In conversation with the County Attorney, Mr. Bill Decker, he suggested that I write you this letter to explain the reason we requested the reversion of the above mentioned property.

It is Mr. and Mrs. A. R. Lucas' intent to fill the subject tracts at this time. The applicants fully realize that in order to construct any improvements on the subject property tracts that they would have to conform and comply with the necessary regulations imposed by the respective authorities.

Please let this letter further serve as Mr. and Mrs. Lucas' formal notice of their desire that Galveston County convey the subject 50' to them.

Thank you very much.

Yours truly,

Albert M. Terry

is the result of the misuse or negligence of a unit owner, then such unit owner shall be responsible and liable for all such damage. All damaged improvements shall be restored to substantially the same condition of such improvements prior to damage. All maintenance, repairs and replacements as to the general common elements, whether located inside or outside of units (unless necessitated by the negligence or misuse of a unit owner, in which case such expenses shall be charged to such unit owner), shall be the common expense of all the owners.

Such utilities shall not be disturbed or relocated by an owner without the written consent and approval of the Board of Managers. Such right to repair, alter and remodel is coupled with the obligation to replace any finishing or other materials removed with similar or other types or kinds of materials of equal quality. An owner shall maintain and keep in repair the interior of his own unit, including fixtures hereof. All fixtures and equipment installed within the unit commencing at a point where the utilities enter the unit shall be maintained and kept in repair by the owner thereof. Any exterior air conditioning or heating unit shall be maintained and kept in repair by the owner thereof. An owner shall do no act nor any work that will impair any easement or hereditament (nor shall he make any changes to the individual patio or balcony appurtenant to his unit, if any). An owner shall also keep the areas appurtenant to his unit in a clean and sanitary condition and be responsible for maintenance or repairs to any limited common area of which he has beneficial use, in accordance with the terms of this paragraph. However, the Board of Managers shall have the right to do any necessary maintenance work or repairs to limited common elements if the owner fails to do so and assess the owner for the cost thereof. Further, each owner is prohibited from displaying any signs on or about his unit in such a manner that can be viewed from the exterior of his unit, except that Declarant may display signs on the Condominium Project for purposes of selling or renting unsold units at any time.

18. Compliance with Provisions of Declaration and By-Laws. Each owner shall comply strictly with the provisions of this Declaration and the By-Laws of the Association, and the decisions and resolution of the Association adopted pursuant thereto as the same may be lawfully amended from time to time. Failure and refusal after written notice to comply with any of the same shall be grounds for an action to recover sums due, for damages or injunctive relief or both, and for reimbursement of all attorney's fees incurred in connection therewith and interest on all of such amounts at the highest lawful rate, which action shall be maintainable by the Managing Agent or Board of Managers in the name of the Association in behalf of the owners or, in a proper case, by an aggrieved owner.

19. Revocation or Amendment to Declaration. This Declaration shall not be revoked unless all of the owners and of the holders of any recorded mortgage or deed of trust covering or affecting any or all of the condominiums unanimously consent and agree to such revocation by instrument(s) duly recorded. Except as provided in Paragraph 3 hereof, this Declaration shall not be amended unless the owners representing an aggregate ownership interest of sixty percent (60%), or more, of the common elements and all of the holders of any recorded mortgage or deed of trust covering or affecting any or all condominiums consent and agree to such amendment by instrument(s) duly recorded; provided, however, that the percentage of undivided interest in the common elements appurtenant to each unit, as expressed in this Declaration, shall have a permanent character and shall not be altered without the consent of all of the unit owners expressed in an amended Declaration duly recorded, and provided further that revocation of this Declaration shall always require the consent of all of the owners.

20. Additions, Alterations and Improvements of General and Limited Common Elements. There shall be no additions, alterations or improvements of or to the general and limited common elements requiring an expenditure by the Association in excess of ONE THOUSAND DOLLARS (\$1,000.00) in any one (1) calendar year without prior approval of fifty-one percent (51%) of the owners. Such limitation shall not be applicable to the replacement, repair, maintenance or restoration of any common element.

21. Assessment for Common Expenses. All owners shall be obligated to pay the assessments, either estimated or actual, imposed by the Board of Managers of the Association to meet the common expenses.

Assessments for the estimated common expenses shall be due monthly in advance on the first day of each month. The Managing Agent or Board of Managers shall prepare and deliver or mail to each owner a monthly statement of the owner's monthly assessment. In the event the ownership of a condominium commences on a day other than the first day of a month, the assessment for that month shall be prorated.

The assessments made for common expenses shall be based upon the cash requirements deemed to be such aggregate sum as the Managing Agent, or if there is no Managing Agent, then the Board of Managers of the Association, determines is to be paid by all of the condominium owners, including as limited herein, the Declarant, expenses growing out of or connected with the maintenance, repair, operation, additions, alterations and improvements of and to the general common elements, which sum may include, but shall not be limited to expenses of management; taxes and special assessments until separately assessed; premiums for fire insurance with extended coverage and vandalism and malicious mischief with endorsements attached issued in the amount of the maximum replacement value of all of the condominium units (including all fixtures; interior walls and partitions; decorated and finished surfaces or perimeter walls, floors and ceilings; doors, windows and other elements or materials comprising a part of the units); casualty and public liability and other insurance premiums; landscaping and care of grounds; common lighting; repairs and renovations; removal of pollutants and trash collections; wages; utility charges; beautification and decoration; professional including legal and accounting fees, management fees, expenses and liabilities incurred by the Managing Agent or Board of Managers on behalf of the owners under or by reason of this Declaration and the By-Laws of the Association; for any deficit arising or any deficit remaining from a previous period; the creation of a reasonable contingency fund, reserves, working capital, and sinking funds as well as other costs and expenses relating to the common elements. In the event the cash requirement for common expenses exceed the aggregate assessments made pursuant to this Paragraph 21, the Managing Agent, or if there is no Managing Agent, then the Board of Managers for the Association may from time to time and at any time increase, prorate, the monthly assessments set forth in this Paragraph 21. The omission or failure of the Board of Managers to fix the assessment for any period shall not be deemed a waiver, modification or a release of the owners from their obligation to pay the same.

22. Owner's Personal Obligation for Payment of Assessments. The amount of common expenses assessed against each condominium shall be the personal and individual debt of the owner thereof. No owner may exempt himself from liability for his contribution toward the common expenses by waiver of the use or enjoyment of any of the common elements or by abandonment of his unit. The Board of Managers or Managing Agent shall have the responsibility to take prompt action to collect any unpaid assessment which remains unpaid more than fifteen (15) days from the due date for payment thereof. In the event of a default by an owner in the payment of the assessment, such owner shall be obligated to pay interest at the rate of ten percent (10%) per annum on the amount of the assessment from due date thereof, together with all expenses, including attorney's fees, incurred to collect such assessment together with late charges as provided by the By-Laws of the Association. Suit to recover a money judgment for unpaid common expenses shall be had in Galveston County, Texas, and maintainable without foreclosing or waiving the lien securing same. Additionally, in the event that the mortgage on a unit should so provide a default in the payment of an assessment shall be a default in such mortgage and if required by the mortgagee by written notice to the Association, the Board of Managers or Managing Agent shall give prompt notice of any default in payment of an assessment to the mortgagee.

During the development and sale period (which shall be defined as the period up to the time of the first annual meeting of the Association to be held within thirty (30) days after the expiration of ninety (90) days from the date upon which there has occurred the conveyance by the Declarant of one hundred percent (100%) in number of the units in the condominium project, or sooner if so elected by Declarant) the Declarant shall be responsible for payment of the monthly Association assessment for the unsold units at the time the expense is incurred. In no event, however shall the Declarant be responsible for the payment of any assessments for deferred maintenance, reserves for replacements, capital improvements, or other special assessments until after the first annual meeting of the Association.

So long as Declarant owns one or more of the units, he shall be subject to the provisions of this Declaration and he hereby covenants to take no action which will adversely affect the rights of the Association with respect to assurance against latent defects in the condominium project or other rights assigned to The Sand Castle Condominium Association by reason of the establishment of the condominium project.

23. Assessment Lien. All sums assessed but unpaid for the share of common expenses chargeable to any condominium unit shall constitute a lien on such unit superior to all other liens and encumbrances, except only for tax and special assessment liens on the unit in favor of any assessing unit, and all sums unpaid on a first mortgage or first deed of trust or record, including all unpaid obligatory sums as may be provided by such encumbrance. To evidence such lien, the Board of Managers or the Managing Agent shall prepare a written notice of lien assessment setting forth the amount of such unpaid indebtedness, the name of the owner of the condominium unit and a description of the condominium unit. Such a notice shall be signed by one of the Board of Managers or by one of the officers of the Association or by the Managing Agent and shall be recorded in the office of the County Clerk of Galveston County, Texas. Such lien for the common expenses shall attach from the date of failure of payment of the assessment. Such lien may be enforced by the foreclosure of the defaulting owner's condominium unit by the Association in like manner as a mortgage on real property subsequent to the recording of a notice or claim thereof. In any such proceedings the owner shall be required to pay the costs, expenses and attorneys' fees incurred. The owner of the condominium unit being foreclosed shall be required to pay to the Association the monthly assessment for the condominium unit during the period of foreclosure, and the Association shall be entitled to a receiver to collect the same. The Association shall have the power to bid in the condominium unit at foreclosure or other legal sale and to acquire and hold, lease, mortgage, vote the votes appurtenant to, convey or otherwise deal with the same. Any mortgagee holding a lien on a condominium unit may pay, but shall not be required to pay, any unpaid common expenses payable with respect to such unit, and such payment shall not be deemed a waiver of default by the unit owner.

24. Liability for Common Expense upon Transfer of Condominium Unit is Joint. Upon payment to the Managing Agent, or if there is no Managing Agent, then to the Association of a reasonable fee not to exceed Twenty-Five and No/100 Dollars (\$25.00), and upon written request of any owner or mortgagee or prospective mortgagee of a condominium unit, the Association, by its Managing Agent, or if there is no Managing Agent, then by the financial officer of the Association, shall issue a written statement setting forth the amount of the unpaid common expenses, if any, with respect to the subject unit, the amount of the current monthly assessment and the date that such assessment becomes due, credit for any advanced payments of common assessments, for prepaid items, such as insurance premiums, but not including accumulated amounts for reserves or sinking funds, if any, which statement shall be conclusive upon the Association in favor of all persons who rely thereon in good faith. Unless such request for a

statement of indebtedness shall be complied with within ten (10) days, all unpaid common expenses which become due prior to the date of making such request shall be subordinate to the rights of the person requesting such statement. The grantee of a condominium unit shall be jointly and severally liable with the grantor for all unpaid assessments against the latter for the unpaid common assessments up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor; provided, however, that upon payment of a reasonable fee not to exceed Twenty-Five and No/100 Dollars (\$25.00), as is hereinabove provided, and upon written request, any such prospective grantee shall be entitled to a statement from the Managing Agent, or if there is no Managing Agent, then from the Association, setting forth the amount of the unpaid assessments, if any, with respect to the subject unit, the amount of the current monthly assessment, the date that such assessment becomes due, and credits for any advanced payments of common assessments, prepaid items, such as insurance premiums, which statement shall be conclusive upon the Association. Unless such request for a statement shall be complied with within ten (10) days of such request, then such requesting grantee shall not be liable for, nor shall the unit conveyed be subject to a lien for any unpaid assessments against the subject unit. The provisions set forth in this paragraph shall not apply to the initial sales and conveyances of the condominium units made by Declarant, and such sales shall be free from all common expenses to the date of conveyance made or to a date as agreed upon by Declarant and Declarant's grantee.

25. Mortgaging a Condominium Unit - Priority. An owner shall have the right from time to time to mortgage or encumber his unit and the interests appurtenant thereto by deed of trust, mortgage or other instrument, but the lien created thereby shall be subject to the terms and provisions of this Declaration, and any mortgagee or other lienholder who acquires a unit through judicial foreclosure, public sale or other means shall be subject to the terms and conditions of this Declaration except as specifically excepted herefrom.

26. Right of First Refusal by Owners. In the event any owner of a condominium unit other than the Declarant shall wish to sell, lease, or rent a condominium unit and shall have received a bona fide offer therefor from a prospective purchaser, lessee or tenant, the remaining unit owners shall be given written notice thereof together with an executed or machine copy of such offer. Such notice and copy of offer shall be delivered to the Board of Managers who shall notify each of the owners of such notice and offer. One or more of the unit owners, acting individually or through another owner or owners, shall have the right to purchase, lease or rent the subject condominium unit upon the same terms and conditions as set forth in the offer; provided that during the twenty (20) day period immediately following the notice, written notice of such election to purchase, lease or rent is given to the selling, leasing or renting owner and a matching down payment or deposit is paid to an escrow agent. Closing shall take place within ten (10) days thereafter. If more than one election to purchase, lease or rent is made, the election prior in time shall take priority.

The right of first refusal herein provided shall not apply to leases, subleases or tenancies having a term of less than 365 days or 12 months, but shall apply to any such lease or tenancy which is renewed or extended past said 365 day or 12 month period.

In the event any owner other than the Declarant shall attempt to sell, lease or rent his condominium unit without affording to the other owners the right of first refusal herein provided, such sale, lease or rental shall be wholly null and void and shall confer no title or interest whatsoever upon the intended purchaser, lessee or tenant who shall be subject to eviction and removal, forcibly or otherwise, with or without process of law.

The subleasing or subrenting of said interest shall be subject to the same limitations as are applicable to the leasing or renting thereof. The liability of the owner under and by the provisions contained in this Declaration shall continue, notwithstanding the fact that he may have

leased or rented said interests as provided herein.

In no case shall the right of first refusal reserved herein affect the right of an owner to subject his condominium unit to a bona fide deed of trust, mortgage or other security instrument.

The failure of or refusal by the owners to exercise the right to do so purchase, lease or rent shall not constitute or be deemed to be a waiver of such right to purchase, lease or rent when an owner receives any subsequent bona fide offer from a prospective purchaser, lessee, or tenant.

Except as otherwise provided in Paragraphs 27 and 28, each and every conveyance by a grantor(s) of a condominium unit shall be, for all purposes deemed to include and incorporate in such instrument of conveyance an agreement that the grantee carry out the provisions of the "right of first refusal" as provided in this paragraph.

27. Exemption from Right of First Refusal - First Mortgage. In the event of any default on the part of any owner under any first mortgage which entitles the holder thereof to foreclose same, any sale under such foreclosure, including delivery of a deed to the first mortgagee in lieu of such foreclosure, shall be made free and clear of the provisions of Paragraph 26, and the purchaser (or grantee under such deed in lieu of foreclosure) of such condominium unit shall be thereupon and thereafter subject to the provisions of the Declaration and the By-Laws of the Association. If the purchaser following such foreclosure sale (or grantee under deed given in lieu of such foreclosure) shall be the then holder of the first mortgage, or its nominee, the said holder or nominee may thereafter sell and convey the condominium unit free and clear of the provisions of Paragraph 26, but its grantee shall thereupon and thereafter be subject to all of the provisions hereof.

28. Exemption from Right of First Refusal - Other. The following transfers are also exempt from the provisions of Paragraph 26:

- A. The transfer by operation of law of a deceased joint tenant's interest to the surviving joint tenant(s);
- B. The transfer of a decedent's interest to a devisee by will or his heirs at law under intestacy laws;
- C. The transfer of all or any part of a partner's interest as a result of a withdrawal, death or otherwise, to the remaining partners carrying on the partnership business and/or to a person or persons becoming partners. A transfer of all or part of a partner's or partners' interest between one or more partners and/or to persons becoming partners;
- D. The transfer by gift, by Court order or by operation of law;
- E. The transfer of an owner's interest to a trust wherein the owner, or his spouse, or his children or their descendants are the beneficiaries thereunder; and
- F. The initial transfer of a unit by Declarant or the leasing or renting by Declarant of any unit or units for any period of time.

Such persons, owners, grantees, trustees or donees acquiring an interest shall be subject to all of the provisions of Paragraph 26 except as is provided herein.

29. Certificate of Compliance - Right of First Refusal. Upon written request of any prospective transferor, purchaser, tenant or a prospective mortgagee of a condominium unit, the Managing Agent of the Association by its Secretary shall issue a written and acknowledged certificate in recordable form evidencing that:

A. With respect to a proposed lease or sale under Paragraph 26, that proper notice was given by the selling or the leasing owner and that the remaining owners did not elect to exercise their option to purchase or lease;

B. With respect to a deed to a first mortgagee or its nominee in lieu of foreclosure, a deed from such mortgagee or its nominee, pursuant to Paragraph 26, that the deeds were, in fact, given in lieu of foreclosure and were not subject to the provisions of Paragraph 26; and

C. With respect to any contemplated transfer which is not in fact a sale or lease, that the transfer will not be subject to the provisions of Paragraph 26;

and such a certificate shall be conclusive evidence of the facts contained therein. The provisions set forth in this Paragraph shall not apply to the initial sales and conveyances of condominium units made by Declarant or the leasing or renting of condominium units by Declarant for any period of time.

30. Insurance. The Managing Agent, or if there is no Managing Agent, then the Board of Managers, shall obtain and maintain at all times, insurance of the type and kind as are or shall hereafter customarily be covered with respect to other condominium buildings, fixtures, equipment and personal property, similar in construction, design and use issued by responsible insurance companies authorized to do business in the State of Texas. The insurance shall be carried in blanket policy form naming the Association as the insured, as attorney-in-fact or trustee (for all of the condominium unit owners), which policy or policies shall provide that they cannot be cancelled or substantially modified until after ten (10) days prior written notice is first given to the Association and each first mortgagee. The Managing Agent, or if there is no Managing Agent, then the Board of Managers, shall also obtain and maintain, to the extent obtainable, public liability insurance in such limits as may from time to time be determined, covering the Association, each member of the Board of Managers, the Managing Agent and the resident Manager.

Each owner may obtain additional insurance at his own expense for his own benefit. Insurance coverage on the furnishings and other items of personal property belonging to an owner and casualty and public liability insurance coverage within each individual unit are specifically made the responsibility of the owner thereof.

31. Association as Attorney-in-Fact. This Declaration does hereby make mandatory the irrevocable appointment of an attorney-in-fact to deal with the condominium project, in whole or in part, upon its destruction, repair or obsolescence.

Title to any condominium is declared and expressly made subject to the terms and conditions hereof, and acceptance by any grantee of a deed or other instrument of conveyance from the Declarant or from any owner or grantor shall constitute appointment of the attorney-in-fact herein provided. All of the owners irrevocably constitute and appoint the Sand Castle Condominium Association their true and lawful attorney in their name, place and stead for the purpose of dealing with said property upon its destruction or obsolescence as is hereinafter provided. As attorney-in-fact, the Association, by its President and Secretary or Assistant Secretary, shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or any other instrument with respect to the interest of a condominium owner which are necessary and appropriate to exercise the powers herein granted. Any repair, reconstruction or replacement made of the improvement(s) shall be to substantially the same condition existing prior to the damage, with each unit and the general and limited common elements having substantially the same vertical and horizontal boundaries as before. The proceeds of any insurance collected shall be available to the Association for the purposes or repair, restoration or replacement unless the owners agree not to rebuild in accordance with the provisions set forth hereinafter. The Association shall have full authority, right and power, as attorney-in-fact, to cause any repair

and restoration of the improvement(s) permitted or required hereunder.

Each owner, by ownership of a unit in the condominium project, shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in his behalf without limitation on the generality of the foregoing, the Association as said attorney shall have the full power and authority to purchase and maintain such insurance, to collect and remit the premiums therefor, to collect proceeds and to distribute the same to the Association, the owners and their respective mortgagees (subject to the provisions hereof) as their interests may appear, to execute releases of liability and to execute all documents and to do all things on behalf of such owner and the condominium project as shall be necessary or convenient to the accomplishment of the foregoing; and any insurer may deal exclusively with the Association in regard to such matters. The Association shall not be responsible for procurement or maintenance of any insurance covering the contents or the interior of any unit for the liability of any owner for occurrences therein not caused by or connected with the Association's operation, maintenance or use of the condominium project.

32. Reconstruction or Repair. Reconstruction and repair shall occur as follows:

A. In the event of damage or destruction due to fire or other disaster, or to condemnation by governmental authorities under power of eminent domain, the insurance proceeds or condemnation proceeds, as the case may be, if sufficient to reconstruct the improvement(s), shall be applied by the Association, as attorney-in-fact, to such reconstruction, and the improvement(s) shall be promptly repaired and reconstructed. The Association shall have full authority, right and power, as attorney-in-fact, to such reconstruction, and the improvement(s) shall be promptly repaired and reconstructed. The Association shall have full authority, right, and power, as attorney-in-fact, to cause the repair and restoration of the improvements.

B. If the insurance proceeds or condemnation proceeds, as the case may be, are insufficient to repair and reconstruct the improvement(s), and if such damage is not more than four-sevenths(4/7) of all the condominium units (the whole property), not including land, such damage or destruction shall be promptly repaired and reconstructed by the Association, as attorney-in-fact, using the proceeds of insurance and proceeds of an assessment to be made against all of the owners and their condominium units. Such deficiency assessment shall be a common expense and made prorata according to each owner's percentage interest in the general common elements and shall be due and payable within thirty (30) days after written notice thereof. The Association shall have full authority, right and power, as attorney-in-fact, to cause the repair or restoration of the improvements using all of the insurance proceeds for such purpose notwithstanding the failure of an owner to pay the assessment. The assessment provided for herein shall be a debt of each owner and a lien on his condominium unit and may be enforced and collected as is provided in Paragraph 23. In addition hereto, the Association, as attorney-in-fact, shall have the absolute right and power to sell the condominium unit of any owner refusing or failing to pay such deficiency assessment within the time provided, and if not so paid, the Association shall cause to be recorded a notice that the condominium unit of the delinquent owner shall be sold by the Association, as attorney-in-fact, pursuant to the provisions of this Paragraph. The delinquent owner shall be required to pay the Association the costs and expenses for filing the notices, interest on the amount of the assessment and all reasonable attorney's fees. The proceeds derived from the sale of such condominium shall be used and disbursed by the Association, as attorney-in-fact, in the following order:

(i) For payment of taxes and special assessment liens in favor of any governmental entity and customary expenses of sale;

(ii) For payment of the balance of the lien of any first mortgage;

(iii) For payment of unpaid common expenses and all costs, expenses and fees incurred by the Association;

(iv) For the payment of junior liens and encumbrances in the order of and to the extent of their priority; and

(v) The balance remaining, if any, shall be paid to the condominium unit owner.

C. If the insurance proceeds or condemnation proceeds, as the case may be, are insufficient to repair and reconstruct the damaged improvement(s), and if such damage is more than four-sevenths ($\frac{4}{7}$) of all of the condominium units (the whole property), not including land, and if the owners representing an aggregate ownership interest of fifty-one percent (51%) or more, of the general common elements do not voluntarily, within one hundred (100) days thereafter, make provisions for reconstruction, which plan must have the unanimous approval or consent of every first mortgagee, the Association shall forthwith record a notice setting forth such fact or facts, and upon the recording of such notice by the Association's president and Secretary or Assistant Secretary, the entire remaining premises shall be sold by the Association, pursuant to the provisions contained in the declaration, the Map and the By-Laws. The insurance settlement proceeds shall be collected by the Association, according to each owner's percentage interest in the general common elements, and such divided proceeds shall be paid into separate accounts, each such account representing one of the condominium units. Each such account shall be in the name of the Association, and shall be further identified by the condominium unit designation and the name of the owner. From each separate account, the Association, as attorney-in-fact, shall forthwith use and disburse the total amount (of each) of such accounts, without contribution from one account to another, toward the partial or full payment of the lien of any first mortgage against the condominium unit represented by the apportioned amount of the proceeds derived from the sale of the entire property. Such apportionment shall be based upon each condominium unit owner's percentage interest in the general common elements. The total funds of each account shall be used and disbursed without contribution from one account to another, by the Association, as attorney-in-fact, for the same purposes and in the same order as is provided in sub-paragraph B (i) through (v) of this Paragraph.

D. Each owner shall be responsible for the reconstruction repair or replacement of the interior accessories and appliances of his unit, other than those accessories or appliances contained in the original specifications for construction of the condominium project. Each owner shall also be responsible for the costs of repair, reconstruction or replacement of any portion of his unit ascertained by the insurance adjusters to be damaged by his own negligence, misuse or the negligence or misuse by his family, guests, agents, servants, employees or contractors, and thus not compensated by insurance.

E. If the owner representing an aggregate ownership interest of fifty-one percent (51%), or more, of the general common elements adopt a plan for reconstruction, which plan has the unanimous approval of all first mortgagees, then all of the owners shall be bound by the terms and other provisions of such plan. Any assessment made in connection with such plan shall be a common expense and made prorata according to each owner's percentage interest in the general common elements and shall be due and payable as provided by the terms of such plan, but not sooner than thirty (30) days after written notice thereof. The Association shall have full authority, right and power as attorney-in-fact, to cause the repair or restoration of improvements using all of the insurance proceeds for such purpose notwithstanding the failure of an owner to pay the assessment. The assessment provided for herein shall be a debt of each owner and a lien on his condominium unit and may be enforced and collected as is provided in Paragraph 23. In addition thereto, the Association, as attorney-in-fact, shall have the absolute right and power to sell the condominium unit of any owner refusing or failing to pay such assessment within the time provided, and if not so paid, the Association shall cause to be recorded a notice that the condominium unit of the delinquent owner shall be sold by the Association. The delinquent owner shall be required to pay to the

Association the costs and expenses for filing the notices, interest at the rate of eight percent (8%) per annum on the amount of the assessment and all reasonable attorney's fees. The proceeds derived from the sale of such condominium unit shall be used and disbursed by the Association, as attorney-in-fact, for the same purposes and in the same order as is provided in subparagraph B (i) through (v) of this Paragraph.

F. The owners representing an aggregate ownership interest of seventy-five percent (75%), or more, of the general common elements may agree that the general common elements are obsolete and adopt a plan for the renewal and reconstruction, which plan has the unanimous approval of all first mortgagees of record at the time of the adoption of such plan. If a plan for the renewal or reconstruction is adopted, notice of such plan shall be recorded, and the expense of renewal and reconstruction shall be payable by all of the owners as common expenses.

G. The owners representing an aggregate ownership interest of seventy-five percent (75%) or more, of the general common elements may agree that the condominium units are obsolete and that the same should be sold. In such instance, the Association shall forthwith record a notice setting forth such fact or facts, and upon the recording of such notice by the Association's President and Secretary or Assistant Secretary, the entire premises shall be sold by the Association, as attorney-in-fact for all of the owners, free and clear of the provisions contained in this Declaration, the Map and the By-Laws. The sales proceeds shall be apportioned between the owners on the basis of each owner's percentage interest in the general common elements, and such apportioned proceeds shall be paid into separate accounts, each such account representing one condominium unit. Each such account shall be in the name of the Association, and shall be further identified by the condominium unit designation and the name of the owner. From each separate account, the Association, as attorney-in-fact, shall use and disburse the total amount (of each) of such accounts, without contribution from one account to another, for the same purposes and in the same order as is provided in sub-paragraph B (i) through (v) of this Paragraph.

33. Personal Property for Common Use. The Association, as attorney-in-fact for all of the owners, may acquire and hold for use and benefit of all of the condominium unit owners, real, tangible and intangible personal property and may dispose of the same by sale or otherwise. The beneficial interest in any such property shall be owned by all of the condominium unit owners in the same proportion as their respective interest in the general common elements, and such interest therein shall not be transferable except with a transfer of a condominium unit. A transfer of a condominium unit shall transfer to the transferee ownership of the transferor's beneficial interest in such property without any reference thereto. Each owner may use such property in accordance with the purpose for which it is intended without hindering or encroaching upon the lawful rights of the other owners. The transfer of title to a condominium unit under foreclosure shall entitle the purchaser to the beneficial interest in such personal property associated with the foreclosed condominium unit.

34. Registration of Mailing Address. Each owner shall register his mailing address with the Association, and notices or demands intended to be served upon an owner shall be sent by mail, postage prepaid, addressed in the name of the owner at such registered mailing address. All notices, demands, or other notices intended to be served upon the Board of Managers of the Association or to the Association shall be sent certified mail, postage prepaid, to Manager's Office _____, or at such other address of which the Board may be furnished from time to time.

35. Period of Condominium Ownership. The separate and condominium estates created by this Declaration and the Map shall continue until this Declaration is revoked in the manner and as is provided in Paragraph 19 of this Declaration or until terminated in the manner as is provided in sub-paragraph C or G of Paragraph 32 of the Declaration.

36. General Reservations. Declarant reserves the right to establish easements, reservations, exceptions and exclusions consistent with the condominium ownership of the condominium project and for the best interest of the condominium unit owners and the Association in order to serve the entire condominium project.

37. Certain Additional Provisions Relating to the Obtainment of Federal Mortgage Commitments. Notwithstanding any other provisions to the contrary contained herein, for the purposes of complying with the requirements of the Federal National Mortgage Association to qualify the condominium units for Federal National Mortgage Association financed mortgages, the following additional terms and provisions shall be deemed a part of these Declarations:

(1) The prior written approval of all holders of first mortgages on condominium units must be obtained for the following:

(a) The abandonment of the condominium status of the Condominium Project, except for abandonment provided by statute in case of substantial loss to the units and common elements;

(b) The partition or subdivision of any unit or of the common elements;

(c) A change in the percentage interest of the unit owners.

(2) An adequate reserve fund for replacement of components of the common elements must be established, which must be funded by monthly payments, rather than by extraordinary special assessments. In addition, there must be established a working capital fund for the initial month of operation of the Property equal to a minimum amount of two months' estimated common area charge for each unit. The managing agent or the Board of Managers of the Association shall be responsible for the collection of the two months' estimated common area charge at the time sales commence of the Condominium Project.

(3) The holders of all first mortgages shall have the right to examine the books and records of The Sand Castle Homeowner's Association and to require the submission of annual reports and other financial data.

(4) If all or any part of the project should be condemned, each first mortgagee shall be notified of the proceedings of such condemnation and of the operation of the rules contained in paragraph 32 hereof, which preserve the mortgagee's first lien priority.

(5) Any managing agent or other person or entity handling funds of The Sand Castle Homeowner's Association must be provided with appropriate fidelity bond coverage, which shall be a common expense.

(6) Neither the Declarant acting in its capacity as owner of the units nor the unit owners may amend either this Declaration or the bylaws attached hereto as Exhibit "D" in any manner by which such amendment would violate the "FNMA Conventional Selling Contract Supplement" of the Federal National Mortgage Association, as amended, and as they may be amended from time to time, unless any proposed amendment which might be considered violative thereof shall be consented to in writing by each and every mortgage holder of all units in the project.

38. The declarant does hereby reserve the right to use the name "The Sand Castle Condominium" for any future development of condominiums on adjoining, adjacent or abutting property. Any additional phases (portion of development) shall exist as a separate Condominium Project and act independent from any other Phase.

39. General.

A. If any of the provisions of this Declaration of any paragraph, sentence, clause, phrase or word, or the application thereof in any circumstance be invalidated, such invalidity shall not affect the validity of the remainder of this Declaration, and the application of any such provisions, paragraph, sentence, clause, phrase or word in any other circumstances shall not be affected thereby.

B. The provisions of this Declaration shall be in addition to and supplemental to the Condominium Act of the State of Texas, and to all other provisions of law.

C. Whenever used herein, unless the context shall otherwise provide, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all genders.

Remodeling/Renovation Policies and Procedures
of
The Sand Castle Condominium Association, Phase VI

STATE OF TEXAS §
 §
COUNTY OF GALVESTON §

These Remodeling/Renovation Policies and Procedures of The Sand Castle Condominium Association, Phase VI (these "**Policies**") are made by the Board of Directors (the "**Board**") of The Sand Castle Condominium Association, Phase VI, a Texas non-profit corporation (the "**Association**").

RECITALS

1. The Condominium Declaration for The Sand Castle Condominium, Phase VI is filed of record under Clerk's File No. 8214852 in the Official Public Records of Real Property of Galveston County, Texas (the "**Declaration**").
2. Pursuant to Section 17 of the Declaration, Owners may not disturb or relocate utilities without the written consent and approval of the Board.
3. In addition, the right to repair, alter and remodel a Unit is coupled with the obligation to replace any finishing or other materials removed with similar or other types of kinds of materials of equal quality.
4. Pursuant to Section 82.102(7) of the Texas Uniform Condominium Act ("**TUCA**"), the Board may adopt and amend rules regulating the use, occupancy, leasing or sale, maintenance, repair, modification and appearance of the Unit.
5. The Board desires to adopt these Policies.

WITNESSETH

NOW, THEREFORE, the Board does hereby approve and adopt these Policies in accordance with the provisions of the Declaration and the TUCA.

These Policies apply to the Units of The Sand Castle Condominium, Phase VI ("**Condominium**"). By owning or occupying a Unit in the Condominium, each Owner and Resident agrees to abide by these Policies, as well as the obligations of Owners and Residents imposed by the provisions of the Declaration and TUCA.

Words and phrases defined in the Declaration shall have the same meanings when used in these Policies.

Remodeling/Renovation Policies and Procedures

The purpose of these Policies is to provide a path to maintain an element of control, consistency and value within the Condominium on behalf of all Owners. *While individual Owners have certain rights to remodel and renovate their living spaces, the Board of Directors desire to adopt these Policies to maintain the integrity of the Condominium as a whole.*

Therefore, any Owner planning to remodel or renovate their Unit shall request and gain written approval of the Manager for their plans *before* proceeding with any work. A detailed site plan with specifications, including the type, colors and materials to be used shall be submitted to the Manager. This information must be submitted in writing by hand delivered memo, USPS Mail, email, fax or any normally acceptable means of written communication. The Manager is obligated to acknowledge receipt of the request to the Owner in a like manner within a reasonable length of time not to exceed one (1) week. The Manager shall deny, approve, or request additional information within thirty (30) days of acknowledging receipt of the plans.

1. Generally, the Manager and the Owner must agree in writing on a definition and scope of work for a project prior to beginning any site work. No work shall begin before written approval is received from the Manager. The Owner has comprehensive responsibility for the project and any collateral issues.
2. The Owner is responsible for determining if the work to be performed requires any federal, state, county, city or agency permit. If a permit is required, the Owner is responsible for acquiring the permit and administering the permit parameters. If a permit is required for the project, or the project is complex in the opinion of the Manager, then the Manager may require additional data from the Owner as the project progresses. The Manager reserves the right to inspect the project at any reasonable time with notice to the Owner.
3. The Owner is responsible for compliance with all applicable federal, state, county and city statutes, ordinances, regulations, codes and standards during the project.
4. All plumbing and/or electrical work performed shall only be done by *licensed* plumbers and electricians.
5. Upon written agreement between the Owner and the Manager the Owner may proceed with the project. Depending upon the written agreement the Owner may perform the work or may hire an outside contractor or agent to perform the work. The Manager shall be kept advised in writing and updated regularly as to the identity and schedules of any entities that may be working on the Unit.
6. *Since the project responsibility lies with the Owner*, it is suggested that outside contractors be selected carefully. The Manager has the prerogative to require that any site contractors submit appropriate insurance certificates prior to proceeding with work. Typically even small business contractors carry liability insurance policies adequate for

projects of our size so providing insurance certificates should not present a particular problem.

7. Typically, site construction working hours are limited to 8 am through 5 pm Monday through Friday excluding holidays. Alternate hours may be acceptable by requesting a deviation from the Manager. Alternatively, during special circumstances the Manager may request special limited working hours. All deviations from normal construction hours must be approved in writing by the Manger.

8. The existing Unit floor plans shall not be modified *without specific written pre-approval of the Manager prior to the beginning of a project*. Plumbing and electrical elements contained within load bearing or non-load bearing walls serving a Unit may not be modified or moved without the specific written pre-approval of the Manager.

9. Doors or windows within a Unit (if being replaced) shall be replaced with equal quality materials matching the present decorum of the Condominium. Paint colors or finishes visible to the exterior of the Unit, shall match the currently specified brands and color codes as provided by the Manager.

Windstorm Certificates are required for any replacement windows and/or garage doors. A licensed Windstorm Engineer must inspect and approve *while the work is in progress*. At the completion of the project, it is the responsibility of the Owner to obtain a Windstorm Certificate and submit a copy to the Manager to be filed with the Association's insurance documents.

10. All work shall be completed in a good workman like manner. Any work area visible from outside the Unit shall be kept neat and orderly during the project. All construction refuse shall be removed from the Condominium daily by the Owner or contractor unless other arrangements are made with the Manager. No outdoor storage of materials or refuse is permitted. No construction refuse of any type or amount left for disposal by the regular household trash service is permitted. No disposal of construction refuse into dumpsters belonging to adjoining properties is permitted.

**SAND CASTLE CONDOMINIUM ASSOCIATION
PHASE VI
RULES AND REGULATIONS REGARDING LEASING OF UNITS**

**STATE OF TEXAS §
 §
COUNTY OF GALVESTON §**

WHEREAS, the Condominium Declaration for Sand Castle Condominium Phase VI, dated July 28, 1982 was recorded under Galveston County Clerk's File No. 8221989; and

WHEREAS, Section 82.102(a)(7) of the Texas Property Code provides that the association, acting through its board of directors, may adopt and amend rules regarding the use, occupancy, leasing or sale of condominium units.

NOW THEREFORE, BE IT RESOLVED THAT, the following Rules and Regulations Regarding Leasing of Units have been adopted:

**ARTICLE I
UNIT LEASING**

- 1.1 **Definition of Leasing.** A unit is deemed "leased" and its occupants deemed "tenants" for purposes of the governing documents for Sand Castle condominiums Phase VI when there is regular, exclusive occupancy of a Unit by any person or persons other than the Owner for which the Owner receives any consideration or benefit, including but not limited to a rental payment, fee, service or gratuity.
- 1.2 **General Lease Conditions.** The leasing of Units is subject to the following general conditions:
 - (1) ***Minimum Lease Term Six (6) Months.*** No unit may be rented or leased for an initial lease term of less than 6 months, except that the Board shall have the sole discretion on a case-by-case basis to grant prior written consent for a shorter lease term in cases of hardship;
 - (2) ***No renting rooms.*** No Unit may be subdivided for rent purposes, and not less than an entire Unit may be leased;
 - (3) ***Written leases only; Mandatory lease provisions.*** All leases must be in writing, must contain the names of all tenants and occupants, and must be made subject to the Association's governing documents;
 - (4) ***Landlord must provide tenants with Association governing documents.*** An owner must provide tenants with copies of the Association's governing documents and notify them promptly of any changes thereto;
 - (5) ***Tenant subject to Association governing documents.*** Each tenant is subject to and must comply with all provisions of the Association's governing documents, federal and state laws and local ordinances;
 - (6) ***Owner must provide Association with copy of all leases and renewals.*** An owner must provide the Association with a complete and legible copy of the fully-executed lease,

and any lease renewal document(s), both of which must include the name of all tenants, within seven (7) days of occupancy by a tenant or renew of a lease;

(7) ***Owner must be in good standing in order to lease or renew.*** An owner must be in good standing, defined for the purpose of these leasing rules as having no outstanding violations of the Association's Declaration or rules and regulations, and no delinquent amounts owed to the Association. ***If an owner is not in good standing, he is not eligible to lease his unit or to renew any already-existing lease; and***

(8) ***Prior to leasing, owners must perform a background check on the prospective tenant(s), including criminal history, and apply to the Association and obtain a leasing permit.*** A permit will be granted only if:

(i) ***The owner applying for the permit is in good standing; and***

(ii) ***There is no rental waiting list (with the exception of Hardship permits).***

1.3 **Cap on Total Number of Leased Units.** No more than 30% of Units may be leased at any given point in time, subject to the right of the Board to grant a waiver from this lease cap, and the rights of owners and tenants to occupy a Unit under a Grandfathered Lease, as more particularly described herein below.

1.4 **Renewal of Leases.**

(A) **Renewal without board permission:**

If a permit was originally granted for the lease, Owners may renew the lease without board permission if (and only if):

(i) The owner is in good standing at the time of the lease renewal;

(ii) The tenants and occupants on the renewal lease are exactly the same as those in the original lease; and

(iii) A copy of the renewed lease, along with the names of all tenants and occupants, is provided to the Association within seven (7) days of the effective date of the renewal.

(B) **Renewal with board permission.** A lease renewal that contemplates any different tenants or occupants other than those allowed under the original lease is considered a new lease, and all rules (including the background check requirement, etc.) apply. If there is a wait list, the unit may be leased subject to the restrictions outlined in these rules and the other governing documents. ***It is the owner's responsibility to contact the association's managing agent to determine whether there is a waiting list. It is the owner's responsibility to apply for and obtain a leasing permit prior to entering into any lease.***

1.5 **No Leasing if 30% Cap Met; Board Authority to Grant Waiver.** If 30% or more of the Units are leased, an owner desiring to enter into a new lease agreement must: (i) place his name on the rental waiting list; and/or (ii) apply to the Board for a waiver under sub-section (A) below.

It is the owners' responsibility to determine whether at the time of any contemplated lease renewal, there is a rental waiting list. The managing agent for the Association will keep the rental waiting list.

- A. Exception for Undue Hardship. If a Unit has not been leased in the past 12 months, the Board has the discretionary authority to grant a waiver from the lease cap and to approve an owner's written application to lease the Unit for a stated period of time, if necessary to avoid undue hardship. By way of illustration and not limitation, examples of circumstances that may contribute to "undue hardship" are those in which (i) an owner must relocate to another region when market conditions do not favor a timely sale for an amount exceeding the debt against the Unit; (ii) the Unit is being administered by the deceased owner's estate; or (iii) the owner temporarily relocates and intends to return to occupy the Unit. The owner must submit a written application stating why a prohibition against leasing would result in undue hardship to the owner and otherwise describe the circumstances necessitating the leasing.
- B. Application and Approval. Approval by the Board of a waiver under subsection A above must be in writing and may not be deemed from lack of a response. The Board's approval may be limited to a stated period of time that, if not stated, is deemed to be one year from the date written approval is granted. On expiration of that period, the tenant must vacate the Unit.

1.6 Rental Waiting List; Opportunity to Lease. The Association will maintain a prioritized waiting list of Owners desiring to lease Units at all times when 30% or more of the Units are being leased. Once a space becomes available for an Owner on the waiting list to lease his Unit, the Owner shall be granted a leasing permit and given 60 days to lease the Unit. If the Unit is not leased within that timeframe, the permit is automatically withdrawn, and Owner shall be placed back on the rental waiting list at the top of the list and the next Owner on the list shall be given a similar opportunity to lease his Unit. If an Owner on the rental waiting list is attempting to lease his Unit, that Unit will be deemed "leased" for purposes of the leasing cap under Section 1.5 above.

1.7 Eviction of Tenants. Every lease agreement on a Unit, whether written or oral, express or implied, is subject to and is deemed to include the following provisions:

- 1. Violation Constitutes Default. Failure by the tenant or occupants or invitees to comply with the Association's governing documents, federal or State law, or local ordinance is deemed to be a default under the lease. When the Association notifies an owner of his tenant's violation, the owner must promptly obtain his tenant's compliance or diligently exercise his rights as landlord for tenant's breach of lease, including eviction.
- 2. Association Not Liable for Damages. The owner of a leased Unit is liable to the Association for any expenses incurred by the Association in connection with enforcement of the governing documents against the owner's tenant, any

occupants or invitees. The Association is not liable to the Unit owner for any damages, including lost rents, suffered by the owner in relation to the Association's enforcement of the governing documents, including the enforcement of this leasing policy.

- 1.8 **Change of Tenants/Occupants; No Subletting or Assignment.** Any change of tenants or occupants during a lease term is a new lease for the purposes of this leasing policy. No lease may be assigned and subletting is prohibited.
- 1.9 **Grandfathered Leases.** All written lease agreements in effect as of the date of the adoption of this leasing policy are deemed "Grandfathered Leases." Grandfathered Leases are not terminable by the Association merely because more than 30% of Units are then being leased. Grandfathered Leases cease to qualify as "Grandfathered Leases" upon the expiration of the existing lease agreement (without extension or holdover), and may be renewed only in accordance with these rules. After the expiration of a Grandfathered Lease, the related Unit shall be subject to all of the provisions contained in this leasing policy.
- 1.10 **Violations.** The Board may revoke the leasing permit of any Owner who fails to comply with any provisions of these leasing rules or to otherwise remain in good standing throughout the term of the lease.

Adopted this 11 day of July, 2017, by the Board of Directors of Sand Castle Condominium Association Phase VI.
