Prospective Buyer's Guide

Many prospective owners have similar questions when considering purchasing a home or townhome within our 55 and over age restricted community.

This pamphlet is designed to assist and answer questions and provide you with information to make your decision and process easier.

Each homeowner contributes monthly to the support of the golf course through the HOA dues.

Any exterior modification **MUST** be applied for in advance and obtain approval by the ACC Committee. Blank applications are available at the Carriage House office or can be downloaded from our website. This is a very important step that must be followed in order to remain in compliance with the Rules and Regulations for the community and avoid any fines and/or legal action for violation of these policies. (Exterior painting, Roof replacements, etc.)

If you are buying a townhome, you are also a member of the CountryGrove Homeowner's Association. CountryGrove also requires a monthly assessment that pays for lawn service, windstorm insurance, roof replacement and painting of the buildings. Therefore, you are paying two assessments.

We E-BLAST important information weekly to our residents. We also provide a monthly newsletter and an event calendar.
