

WHAT DO YOU LOVE ABOUT YOUR HOME AND NEIGHBORHOOD?

From the first time we pulled into the neighborhood on Northcrest, the primary entrance, we were taken by the large lots and big trees and knew this is where we wanted to live, and we were not disappointed. The neighborhood is quiet with great neighbors and extensive amenities provided by the HOA. Our family enjoyed the multiple pools, workout room, and playgrounds. On many occasions we enjoyed using the different meeting rooms and pavilions for celebrating birthdays and graduations.

The home is only a few blocks from Northampton Elementary, Hildebrandt Middle School, and Klein Oak High Schools. The schools are excellent and our little ones enjoyed being able to walk or ride their bike to school with family and friends.

The home itself was the perfect size for our family of six. We really appreciated having a large backyard where the kids (and now grandkids) could play and enjoy being outside. The patio allowed for entertaining and the frequent BBQ or crayfish boil. The trees provide a lot of shade and the fully fenced yard provided enough security that you did not have to worry about when the kids were outside.

The house had good storage and provided a comfortable and cozy feeling. The den, kitchen and breakfast room was the hub of our existence, and with all the windows we not only enjoyed all the light, but the ability to see the yard from every one of those rooms.

We feel blessed to have had the opportunity to live here for the last 28 years. We are excited for the next family to have the opportunity to enjoy this home, neighborhood, and have their Northampton experience.
