114 ELMWOOD STREET

PRIVATE POOL. NO CARPET. GREAT UPDATES. This 4-bedroom, 2-bath home checks a lot of boxes without asking you to take on a renovation project. Inside, you'll find LVP flooring throughout, granite countertops, stainless steel appliances, and a beautiful Austin stone fireplace that gives the living space character. A generously sized primary suite with tiled shower and clawfoot tub add to the appeal. Outside, the fun really starts with an in-ground pool, beautifully landscaped front and back yards, and a fully fenced backyard with a dedicated dog run. There's even a storage shed for the things you don't want taking up garage space. Added gutters, a french drain system, an external generator hookup, and perfect proximity to town, this is the kind of house that feels like home.
