The District is located wholly or partly in the extraterritorial jurisdiction of the City of Sugar Land. Texas law governs the ability of a municipality to annex property in the municipality’s extraterritorial jurisdiction and whether a District that is annexed by the municipality is dissolved.

The District has entered into a strategic partnership agreement with the City of Sugar Land. This agreement may address the timeframe, process, and procedures for the municipal annexation of the area of the District located in the municipality’s extraterritorial jurisdiction.

The purpose of this District is to provide water, sewer, drainage and flood control, park and recreational, and road facilities and services. The cost of District facilities is not included in the purchase price of your property.
